For the benefit of the public to protect and promote health by the provision of grants to further research and develop new treatments and ultimately improve cure rates for T-Cell Acute Lymphoblastic Leukaemia and publish the useful results of such research.

A third grant request was received in December 2021 from Action Medical Research to continue supporting a T-ALL drug resistance study led by Dr Frederik van Delft at Newcastle University. The trustees considered that the application was in line our charitable objects. The trustees also gave regard to the Charity Commission public benefit guidance and agreed the award fulfilled statutory public benefit criteria. A report from the research team detailed work completed to date and papers successfully published. A third grant of £10,000 was approved which was paid in January 2022. This is likely to be the final grant request for this research project with the final results to be published later in 2023.

There were a significant number of other individual donations and fundraising giving a total net income of £10909.90. Included in this is a significant donation from Rita Tillin as well as Christmas card sales from designs made especially for us by Noah Harrison Blount.

Summary of the main achievements of the charity during the year

The Charity has a significant number of fundraisers and supporters who continue to work hard for the charity for which we are truly very grateful.

The Charity continued as the nominated charity for Cheerbrook Farm Shop during 2020.

Cheerbrook Farm Shop raised a total of £1546 via collection tubs, carrier bag sales and other fundraising efforts throughout the year

The Charity held fundraising event, a Valentine's Ball in February 2020 which was very well attended. The event in total raised £13,000.

Shortly after our Valentine's Ball the Covid pandemic struck and our ability to fundraise for the rest of the year was severely curtailed. Nevertheless, there were a significant number of other individual donations and fundraising giving a total net income of £16889. Included in this are donations received via Amazon Smile.
