Trustees' Report, incorporating the Directors' Report for the year ended 31 March 2022

The trustees submit their report and the financial statements of The Grenfell Foundation ("the charity") for the period ended 31 March 2022. The financial statements have been prepared in the format prescribed by the Statement of Recommended Practice: Accounting and Reporting by Charities (SORP2015 (FRS102)) and the Financial Reporting Standard 102.

Structure, Governance and Management

Trustees

The Trustees of the charity who held office during the year are disclosed on page 3. Under the Articles of Association, the trustees are the members of the company for statutory purposes.

The trustees meet at least five times annually to discuss a full range of matters relating to strategy, project work, recruitment, finance and general information.

The induction process for any individual newly-appointed to the Board of Trustees comprises an initial meeting with at least two of the trustees (whenever possible one of these two trustees being the Chair) and receipt of copies of:

- The memorandum and articles of association
- The most recent financial statements / management accounts
- The organisation's strategic objectives for the period
- The Charity Commission's guidance 'The Essential Trustee'

Governing Document

The Grenfell Foundation is a company limited by guarantee, incorporated on 12 March 2018 and registered as a charity on 16 March 2018. The company was established under a Memorandum of Association which established the objects and powers of the company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1 each.

Risk Management

The trustees acknowledge that they have a responsibility for the identification and proper management of the risks faced by the charity in achieving its primary aims. The trustees have therefore assessed the major risks to which the charity is exposed, in particular to those relating to the specific operational areas of the charity and its finances. The trustees believe that, by monitoring reserve levels, by ensuring that controls exist over key financial systems, by creating and reviewing a risk register, and by examining the operational risks faced by the charity, they have established effective systems and procedures to mitigate those risks.

Objects of the charity

The objects of the charity are for the public benefit:

- to benefit the former residents of the Grenfell Tower and their families and dependants and the local community, by associating together the said residents, families and dependants, and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for such persons;
- to relieve financial hardship, poverty, distress and suffering, including without limitation through the provision of advice, care and other forms of personal support;
- to preserve and protect physical and mental health, including without limitation by raising awareness of any lessons learned from the Grenfell Tower tragedy with a view to ensuring that, as far as possible, no similar tragedy or tragedies take place in the future;
- to advance in life and help young people to participate and integrate fully in society;
- to advance education and promote lifelong learning, including without limitation through the provision of skills training, advice and support;
- to promote social inclusion by providing opportunities to build capacity and by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting their integration into and participation in wider society; and
- to advance any other charitable purposes which the trustees may from time to time think fit and which are in the opinion of the trustees complementary to the foregoing objects,

In each case, without limiting the discretion of the trustees or the potential scope of the foregoing objects, with an expected focus on the survivors of the Grenfell Tower tragedy and of former residents of Grenfell Tower and their families and dependants and those who have suffered bereavement as a result of the tragedy, as well as the local community, and without distinction of sex, sexual orientation, race or of political, religious or other opinions.

Trustees' Report, incorporating the Directors' Report for the year ended 31 March 2022

Chairman's Foreword

The Grenfell Foundation was established as a charitable organisation in 2018 at the direct request of bereaved and survivors from Grenfell Tower following the tragic fire of June 14, 2017.

Amongst the public outpouring of support, and efforts by central and local government to respond to the tragedy, it became clear that there was a need amongst those most affected for a new charitable organisation focused on their needs.

The Grenfell Foundation was set up to listen to those needs and to provide long term, long-lasting, bespoke support to the survivors, bereaved and wider community. That began with helping to ensure and provide funding for a community-led, appropriate anniversary. It continues in its attempts to encourage social cohesion, and support in the areas of Remembrance, Awareness and Wellbeing, as well as personalised support for bereaved and survivors.

Over time, the immediate post-disaster support will slow down. While the Foundation is not set up to provide services the State has a duty to provide following disasters, we will support wider projects and initiatives that are beneficial to the community, and the generations affected by the Grenfell tower fire. We will also support awareness raising efforts as bereaved families and survivors work to ensure lessons are learnt from the tragedy. And we will provide support for a memorial event for the bereaved families, survivors and wider community, so that each year on June 14th they can come together to remember loved ones lost in the fire.

2022 sees the end of the Public Inquiry, which has been a vehicle to share the full extent of what happened at Grenfell with the wider public. As the daily evidence stops, it will be more important than ever to support the campaigns and initiatives that highlight the ongoing fight for truth, Justice and change, as it is still a long wait for any criminal proceedings.

As time goes on, things are not getting any easier for the bereaved, survivors or local community and we commit to continuing the pastoral, health and wellbeing support the community needs long into the future. We have supported a range of community initiatives this year, including the Memorial Mosaic with ACAVA, and health and wellbeing support with OPH, and have held a number of joint fundraising events with local organisations to ensure work can continue in the years ahead.

It is an honour to work with this incredible community. Their dignity, determination and support for each other is a constant reminder of the community spirit at the heart of the Grenfell story.

Marcus Mumford

Chair, The Grenfell Foundation

Activities during the period

Anniversary & remembrance:

Due to the lasting impact of Covid, the 4 year anniversary service was again held virtually by Grenfell United, putting together a Memorial film that has since had 13k views. Alongside this, a Silent Walk was held for the local community rather than the usual national invite to ensure social distancing could be managed safely. Nationally the day was marked via buildings across the country lighting up green, as well as the sharing of a 'Green 4 Grenfell' film that works to light up peoples rooms when watching.

We again supported the annual 'Remembering Together' event in partnership with Grenfell United and the NHS, a chance for young people to gather near the anniversary and remember and reflect through creative means. This year a banner was produced with contributions from young people across the community which was on display over the anniversary.

Phase 3 of the Grenfell Memorial Community Mosaic continued once Covid allowed, with the aim of placing 39 mosaic paving slabs around the Silent Walk route, featuring the word 'Justice' in all the languages spoken in the Tower. These workshops provide a safe and inviting space for the community to come together and remember through art.

Family Support:

The Grenfell United support centre closed in August 2021, which was where much of our family support was based. The Grenfell Foundation Community Manager continues to provide support and guidance to family members remotely or by using community spaces for face to face meetings. Our Campaigns and Communications Manager works to support families to highlight the areas they are passionate about in the media and that Grenfell does not fade from the public eye.

Awareness:

Work has continued this year to ensure the Phase One recommendations are implemented, over 2 years since the Phase One report was published. The Phase 2 Inquiry report will hopefully be published in 2023, including a number of new recommendations which will each need to be taken on board by the various responsible parties, and we will supporting the bereaved and survivors to ensure this is done.

Trustees' Report, incorporating the Directors' Report for the year ended 31 March 2022

In December 2021, Grenfell United launched their #DemandCharges campaign, highlighting to the public and those responsible the huge amount of evidence already seen by the Public Inquiry. The campaign included a film featuring bereaved families sharing the key evidence, billboards around the country directing people to the campaign, a mobile billboard driving around London on the 4.5 year anniversary, and a 'sea of evidence' at the Silent Walk, where 100's of placards replicated the volume of evidence

The Gold & Ashes photobook was published with a number of events to share the project with the wider public. A selection of the photos were displayed publicly in North Kensington for all to visit, alongside a private event for those featured in the book. The book continues to sell with proceeds being donated to a number of local charities.

We once again supported the 'Green 4 Grenfell' initiative, where schools across the country raise funds for community causes local to them which serves to educate young people about the immense support received from across the country after the fire.

Health, Wellbeing and Community:

The school exclusion support pilot in partnership with The ClementJames Centre and Coram concluded during this period, and given the positive results of the pilot, a school exclusion worker has been funded for 2 years by the council for local families to access when needing advice in this area.

We have again worked closely with Our Power Hub this year, a peer led support service established by a bereaved family member, which works to support bereaved, survivors and the wider community through sport, art and music.

Looking to the future

As we approach the 5 Year Anniversary, it is essential that Grenfell doesn't fade from the public eye following this milestone, given Justice still hasn't been achieved and the learnings from what happened haven't been implemented to make people safer. We are yet to see the Inquiry Phase Two Report, the direction of criminal proceedings, what the future of the Grenfell Tower site will be and the sufficient changes following the Phase One Report, and all these decisions and announcements have a huge impact on the bereaved, survivors and local community. We will continue to support families to raise awareness and keep Grenfell in hearts and minds, including by supporting the anniversary events and campaigns, as well as wider legacy projects to make sure that the lessons from this tragedy can lead to change in the local area and across the country.

Financial review

Funding for the charity comes mainly from voluntary income, event fundraising and grants.

Financial Activity and Financial Position

The results of the period and financial position of the charity are shown in the annexed financial statements.

The Statement of Financial Activities shows net expenditure for the period of £194,564 and reserves of £930,144.

Reserves Policy

The trustees have examined the requirements for free reserves, i.e. those unrestricted funds not invested in tangible fixed assets. The trustees consider that, given the early stage of the charity's expected operating life and the uncertain nature of the charity's funding, free reserves should be sufficient to meet all committed operating expenditure and to meet the planned charitable activity expenditure for the next 12 months. The trustees are of the opinion that this provides sufficient flexibility to cover temporary shortfalls in incoming resources and will allow the charity to cope and respond to unforeseen emergencies whilst specific action plans are implemented.

Independent Examiner

The Independent Examiner, Anthony Armstrong FCA of Armstrong & Co, Chartered Accountants and Statutory Auditors, has indicated his willingness to be proposed for re-appointment.

This report has been prepared in accordance with the special provisions of Part 15 of the Companies Act 2006 relating to small companies.

The financial statements were approved by the Board of Trustees on 2 December 2022 and signed on its behalf by:

Jenita Rahman

Jenita Rahman
Trustee

Statement of Trustees' Responsibilities

for the year ended 31 March 2022

The trustees (who are the directors of The Grenfell Foundation for the purpose of company law) are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- a) Select suitable accounting policies and apply them consistently;
- b) Observe the methods and principles in the Charities SORP;
- c) Make judgements and estimates that are reasonable and prudent;
- d) Follow applicable accounting standards and statements of recommended practice, subject to any material departures disclosed and explained in the accounts;
- e) Prepare the financial statements on the going concern basis unless it is inappropriate to assume that the charitable company will continue in operation.

The trustees are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006 and charity legislation. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report to the Trustees of The Grenfell Foundation

I report on the accounts of The Grenfell Foundation for the period from 1 April 2021 to 31 March 2022, which are set out on pages 9 to 15.

This report is made solely to the trustees as a body in accordance with section 145 of the Charities Act 2011 (the Charities Act) and regulations made under section 154 of that Act. My examination has been undertaken so that I might state to the trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the trustees as a body, for my examination, for this report, or for the opinions I have formed.

Respective responsibilities of trustees and examiner

As described on page 7, the trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- a) examine the accounts under section 145 of the Charities Act;
- b) to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act, and
- c) to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006 Act, or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination, or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Accounting Policies

for the year ended 31 March 2022

Basis of preparation

The financial statements have been prepared in accordance with:

- a) Applicable UK accounting standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)'.
- b) Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP FRS 102);
- c) the Companies Act 2006.
- d) the Charities Act 2011.

Public benefit entity

The charitable company meets the definition of a public benefit entity under FRS 102.

Going concern

The charity's income is mainly derived from non self-generated sources, such as donations, grants, local authority funding and other governmental or NGO sources. The trustees consider that there are no material uncertainties about the likelihood that this support will continue, and accordingly, the accounts have been prepared on a going concern basis.

Income recognition

Income is recognised when the charity has a contractual or other right to its receipt, it is probable that the income will be received and that the amount can be measured reliably. Income with conditions attached to its receipt is recognised when those conditions have been fulfilled.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

Expenditure recognition

Expenditure is accrued as soon as a liability is considered probable, and the amount of obligation can be measured reliably. The charity is not registered for VAT and accordingly expenditure includes VAT where appropriate.

Charitable expenditure includes those costs expended in fulfilling the charity's principal objects, as outlined in the Report of the Trustees. These include grants payable, governance costs and an apportionment of support costs.

- Grants payable are payments made to third parties in furtherance of the charity's objects. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the grant. Grants awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the charity.
- Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the independent examination and legal fees.

Costs are allocated directly to projects where they can be identified as relating solely to that project. Other costs are allocated between the funds based on staff time spent on the fund activities or other appropriate criteria.

Restricted Funds

Restricted funds are to be used for specified purposes as laid down by the funder. Direct and support expenditure which meets these criteria are identified to the fund together with a fair allocation of other costs.

Unrestricted Funds

Unrestricted funds are funds received which have no restrictions placed on their use and are available as general funds.

Pensions

The charity operates defined contribution schemes which are administered by outside independent pensions providers. Contributions payable for the year are charged to the Statement of Financial Activities.
