Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During the period, LP4Y, England undertook the following activities:</p> <ul style="list-style-type: none"> • Together We Dine - LP4Y Dinners 2024 in June to raise funds in support of our LP4Y Centers. Dinners were an opportunity to advocate LP4Y goals and projects, as well as raise money through private & corporate donations and silent auctions • Book sales of Bahini, written by one of our Volunteers in the field. • Together We Play 2024 over May to September. Tennis tournament to advocate LP4Y mission and raise funds. • Youth Vision Documentary in December 2023 - Youth Visions is a creative studio that aims to change the way we look at young adults and poverty in order to encourage action, and has already produced: A documentary film "I am the future" that follows 4 young people from India, Indonesia, Lebanon and Guinea, exploring their role in the professional world, social justice, climate change, the place of women and testifying at the United Nations. <p>These activities contributed to raising awareness and fundraising a total of £89,719, slightly below our target of 100,000. We had to postpone our Together We Art 2024 edition to January 2025.</p>

		<p>During the period, the trustees have chosen to support, through grant making, the following projects:</p> <ul style="list-style-type: none"> ● LP4Y Green Village in the Philippines Since 2010, LP4Y has been established in the Philippines, opening a Green Village in Calauan city (3h drive from Manila on Luzon island). This Green Village is located near the relocated Makati slum to provide access to education and professional / social inclusion to the highly excluded youth. They carry out multiple entrepreneurial programs including the "Hotel and events" micro-program that organises events for LP4Y visitors in Calauan. Supporting 30 youth in parallel over 6 months, the Green Village drives fast & effective inclusion. ● Life Project Centre in Lebanon The first LP4Y establishment in the Mediterranean region. LP4Y plans to expand into this new region, starting with Lebanon; creating a strong and active integration ecosystem. Lebanon faces many problems: high youth unemployment rate, significant migratory flows and economic crisis with an estimated 50% of the population now living in poverty, and 25% living in extreme poverty. The project consists of installing 2 Life Project centres. Two zones were selected meeting the LP4Y criteria (slums with a high rate of young people, little employment, no NGOs already doing the same thing, safe zone...) : Naaba, in the eastern Beirut Tariq el Jdideh, in the south of the city The LP4Y volunteers met with around 30 organisations, including foundations, associations and companies, to develop partnerships and spread the word about the LP4Y project in Lebanon. Among these partners, UNICEF, ACTED or the Red Cross confirmed location and needs.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During the period, LP4Y, England undertook the following activities:</p> <ul style="list-style-type: none"> ● Together We Dine - LP4Y Dinners 2023 in June to raise funds in support of our LP4Y Centers in the Philippines. Dinners were an opportunity to advocate LP4Y goals and projects, as well as raise money through private & corporate donations and silent auctions. ● Book sales of Bahini, written by one of our Volunteers in the field. ● Together We Play 2023 in September. Tennis tournament to advocate LP4Y mission and raise funds. ● Together We Art 2023 is a fundraising initiative in support of LP4Y that will bring together a consortium of architects and artists who all care about equal opportunities for Youth. They have come together to raise funds and awareness for LP4Y. <p>These activities contributed to raising awareness and fundraising a total of £166,313, significantly above the £100,000 targeted for the period.</p> <p>During the period, the trustees have chosen to support, through grant making, the following projects:</p> <ul style="list-style-type: none"> ● LP4Y Green Village in the Philippines

First, the Life Project Center was settled in Iligan, but for safety reasons, LP4Y has had to move in 2017, to another city, Cagayan de Oro. The Cagayan de Oro Life Project Center is located close to the Carmen rubbish dump, near a neglected neighbourhood in the South of the city. The LPC welcomed more than 30 Youth divided in two programs: one program of hearing Youth and one program focused on deaf and speech impaired. Even if they are divided into two programs, all the Youth are working and managing together the Hear Us Café-restaurant by using sign language to communicate between each other.</p> <ul style="list-style-type: none"> Life Project Centre in Lebanon The first LP4Y establishment in the Mediterranean region. LP4Y plans to expand into this new region, starting with Lebanon; creating a strong and active integration ecosystem. Lebanon faces many problems: high youth unemployment rate, significant migratory flows and economic crisis with an estimated 50% of the population now living in poverty, and 25% living in extreme poverty. The project consists of installing 2 Life Project centres. Two zones were selected meeting the LP4Y criteria (slums with a high rate of young people, little employment, no NGOs already doing the same thing, safe zone...): Naaba, in the eastern Beirut Tariq el Jdideh, in the south of the city The LP4Y volunteers met with around 30 organisations, including foundations, associations and companies, to develop partnerships and spread the word about the LP4Y project in Lebanon. Among these partners, UNICEF, ACTED or the Red Cross confirmed location and needs.

Through Professional Training for Entrepreneurs, a unique learning method based on entrepreneurship and positive approach, the Youth learn how to manage a small business, work in a team, take initiative, assume responsibilities, solve problems, manage a team, manage a project and meet deadlines. They improve their English, communication and IT skills. Dinners were an opportunity to advocate LP4Y goals and projects, as well as raise money through private & corporate donations and silent auctions ● Sailing for LP4Y in August 2021, with the first leg of a transatlantic regatta involving our President, Alexis Vaganay. This event was used to raise funds and awareness for LP4Y. ● LP4Y England information evening on Nov 30th 2021 to update partners, donors and volunteers about the LP4Y, England activities and the projects supported <p>These activities contributed to raising awareness and fundraising a total of £143,858, significantly above the £100,000 targeted for the period, of which £132,242 are restricted with £76,742 to be awarded to projects in West Bengal, India and £55,500 to the Life Project Center in Lebanon.</p> <p>During the period, the trustees have chosen to support, through grant making, the following projects:</p> <ul style="list-style-type: none"> ● LP4Y Center in West Bengal

The Green Village West Bengal opened in July 2021 in Ranihati, Panchla, West Bengal region in India, 30 km from Kolkata.</p> <ul style="list-style-type: none"> Life Project Centre in Lebanon The first LP4Y establishment in the Mediterranean region. LP4Y plans to expand into this new region, starting with Lebanon; creating a strong and active integration ecosystem. Lebanon faces many problems: high youth unemployment rate, significant migratory flows and economic crisis with an estimated 50% of the population now living in poverty, and 25% living in extreme poverty. The project consists of installing 2 Life Project centres. A memorandum of understanding with the Order of Malta was signed recognising the charity nature of LP4Y activities and facilitating the granting of volunteer visa. Thanks to the Order of Malte knowledge of the city of Beirut, the team of Volunteers could quickly start mapping the poverty zones and meeting local communities and actors, search for a building that will host the first Life Project Center. Two zones were selected meeting the LP4Y criteria (slums with a high rate of young people, little employment, no NGOs already doing the same thing, safe zone...): Naaba, in the eastern Beirut Tariq el Jdideh, in the south of the city The LP4Y volunteers met with around 30 organisations, including foundations, associations and companies, to develop partnerships and spread the word about the LP4Y project in Lebanon. Among these partners, UNICEF, ACTED or the Red Cross confirmed location and needs.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During the period, LP4Y, England undertook the following activities:</p> <ul style="list-style-type: none"> • LP4Y Concert & Cocktail 2020 on the 29th of January 2020 to raise funds in support of LP4Y Centers in the Philippines and in Myanmar • Selected as beneficiary of EBRD Community initiative and organise a small conference on youth inclusion within the EBRD • LP4Y England bi-annual information evening virtually on May 12th 2020 and Nov 19th 2020 to update partners, donors and volunteers about the LP4Y, England activities and the projects supported <p>These activities contributed to raising awareness and fundraising a total of £131,070, significantly above the £100,000 target for the period, of which £71,556 are restricted with £67,900 to be awarded to projects in the Philippines and Myanmar and £3,656 to the Life Project Center in Lebanon.</p> <p>During the period, the trustees have chosen to support, through grant making, the following projects:</p>

- **LP4Y Center in the Philippines**

Since 2010, LP4Y has been established in Mindanao Island, in the Philippines. First, the Life Project Center was settled in Iligan, but for safety reasons, LP4Y has had to move in 2017, to another city, Cagayan de Oro.

The Cagayan de Oro Life Project Center is located close to the Carmen rubbish dump, near a neglected neighborhood in the South of the city. The LPC welcomed more than 30 Youth divided in two programs: one program of hearing Youth and one program focused on deaf and speech impaired. Even if they are divided into two programs, all the Youth are working and managing together the Hear Us Café-restaurant by using sign language to communicate between each other.

- **LP4Y Center in Myanmar**

In April 2019, the team of LP4Y catalysts settled in Yangon, the ancient capital of Myanmar and the main commercial center. It is one of the largest municipalities in the country and the most populated. The township has 20 neighborhoods and nine villages. Hlaing Thar Yar is also one of the largest industrial parks in the country, with mainly clothing, car parts, processed food and other light industries. A large number of factories located in this area provide many small daily jobs, with poor conditions and the lowest wages possible.

In August 2019, 42 Young adults joined the first English course (one of the first steps for opening a new country, in order to facilitate the recruitment of the first Youth). 60% were young women and 40% were young men. Most of them are internal Burmese migrants who, for economic or climate reasons, have moved inland from the coastal areas in the hope of finding a job in Yangon.

By the end of September 2019, 20 Young adults had reached Autonomy step and were divided into two teams to launch the complete Professional Training for Entrepreneurs and to create two Micro-Economic Initiatives.

- **Life Project Centre in Lebanon**

The first LP4Y establishment in the Mediterranean region. LP4Y plans to expand into this new region, starting with Lebanon; creating a strong and active integration ecosystem. Lebanon faces many problems: high youth unemployment rate, significant migratory flows and economic crisis with an estimated 50% of the population now living in poverty, and 25% living in extreme poverty. The project consists of installing 2 Life Project centers. A memorandum of

		<p>understanding with the Order of Malta was signed recognising the charity nature of LP4Y activities and facilitating the granting of volunteer visa. Thanks to the Order of Malte knowledge of the city of Beirut, the team of Volunteers could quickly start mapping the poverty zones and meeting local communities and actors, search for a building that will host the first Life Project Center. Two zones were selected meeting the LP4Y criteria (slums with a high rate of young people, little employment, no NGOs already doing the same thing, safe zone...) : Naaba, in the eastern Beirut Tariq el Jdideh, in the south of the city The LP4Y volunteers met with around 30 organizations, including foundations, associations and companies, to develop partnerships and spread the word about the LP4Y project in Lebanon. Among these partners, UNICEF, ACTED or the Red Cross confirmed location and needs.</p>
