Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During the period, LP4Y, England undertook the following activities:</p> <ul style="list-style-type: none"> • LP4Y Dinners 2022 in June to raise funds in support of our LP4Y Centers in Bangladesh. Dinners were an opportunity to advocate LP4Y goals and projects, as well as raise money through private & corporate donations and silent auctions • Book sales of Bahini, written by one of our Volunteers in the field • LP4Y England information event on Nov 17th 2022 to update partners, donors and volunteers about the LP4Y, England activities and the projects supported <p>These activities contributed to raising awareness and fundraising a total of £124,808, significantly above the £100,000 targeted for the period, of which £65,000 are restricted, to our Centers in Lebanon.</p> <p>During the period, the trustees have chosen to support, through grant making, the following projects:</p> <ul style="list-style-type: none"> • LP4Y Center in West Bengal The Green Village West Bengal is a 3-months residential learning-by-doing pedagogy offering solutions for the sustainable professional and social inclusion of excluded young women from rural areas of West Bengal and slum areas of Kolkata. The Green Village West Bengal is located in

		<p>rural area to target Youth geographically excluded from the urban professional world. The Green Village West Bengal opened in July 2021 in Ranihati, Panchla, West Bengal region in India, 30 km from Kolkata.</p> <ul style="list-style-type: none"> Life Project Centre in Lebanon The first LP4Y establishment in the Mediterranean region. LP4Y plans to expand into this new region, starting with Lebanon; creating a strong and active integration ecosystem. Lebanon faces many problems: high youth unemployment rate, significant migratory flows and economic crisis with an estimated 50% of the population now living in poverty, and 25% living in extreme poverty. The project consists of installing 2 Life Project centres. A memorandum of understanding with the Order of Malta was signed recognising the charity nature of LP4Y activities and facilitating the granting of volunteer visa. Thanks to the Order of Malta knowledge of the city of Beirut, the team of Volunteers could quickly start mapping the poverty zones and meeting local communities and actors, search for a building that will host the first Life Project Center. Two zones were selected meeting the LP4Y criteria (slums with a high rate of young people, little employment, no NGOs already doing the same thing, safe zone...) : Naaba, in the eastern Beirut Tariq el Jdideh, in the south of the city The LP4Y volunteers met with around 30 organisations, including foundations, associations and companies, to develop partnerships and spread the word about the LP4Y project in Lebanon. Among these partners, UNICEF, ACTED or the Red Cross confirmed location and needs.
