Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>During the period, LP4Y, England undertook the following activities:</p> <ul style="list-style-type: none"> • Together We Dine - LP4Y Dinners 2023 in June to raise funds in support of our LP4Y Centers in the Philippines. Dinners were an opportunity to advocate LP4Y goals and projects, as well as raise money through private & corporate donations and silent auctions. • Book sales of Bahini, written by one of our Volunteers in the field. • Together We Play 2023 in September. Tennis tournament to advocate LP4Y mission and raise funds. • Together We Art 2023 is a fundraising initiative in support of LP4Y that will bring together a consortium of architects and artists who all care about equal opportunities for Youth. They have come together to raise funds and awareness for LP4Y. <p>These activities contributed to raising awareness and fundraising a total of £166,313, significantly above the £100,000 targeted for the period.</p> <p>During the period, the trustees have chosen to support, through grant making, the following projects:</p> <ul style="list-style-type: none"> • LP4Y Green Village in the Philippines

		<p>Since 2010, LP4Y has been established in Mindanao Island, in the Philippines. First, the Life Project Center was settled in Iligan, but for safety reasons, LP4Y has had to move in 2017, to another city, Cagayan de Oro. The Cagayan de Oro Life Project Center is located close to the Carmen rubbish dump, near a neglected neighbourhood in the South of the city. The LPC welcomed more than 30 Youth divided in two programs: one program of hearing Youth and one program focused on deaf and speech impaired. Even if they are divided into two programs, all the Youth are working and managing together the Hear Us Café-restaurant by using sign language to communicate between each other.</p> <ul style="list-style-type: none"> Life Project Centre in Lebanon The first LP4Y establishment in the Mediterranean region. LP4Y plans to expand into this new region, starting with Lebanon; creating a strong and active integration ecosystem. Lebanon faces many problems: high youth unemployment rate, significant migratory flows and economic crisis with an estimated 50% of the population now living in poverty, and 25% living in extreme poverty. The project consists of installing 2 Life Project centres. Two zones were selected meeting the LP4Y criteria (slums with a high rate of young people, little employment, no NGOs already doing the same thing, safe zone...) : Naaba, in the eastern Beirut Tariq el Jdideh, in the south of the city The LP4Y volunteers met with around 30 organisations, including foundations, associations and companies, to develop partnerships and spread the word about the LP4Y project in Lebanon. Among these partners, UNICEF, ACTED or the Red Cross confirmed location and needs.

		<ul style="list-style-type: none"> LIFE PROJECT CENTERS & TRAINING DEVELOPMENT CENTERS are located close to or in urban areas of extreme poverty called slum area offering 6 months residential training program to empower excluded Young adults (Young mothers, migrants, orphans, differently abled, school drop-outs, etc.) with necessary life and soft skills to make them autonomous, independent and self-confident to join a decent job market. Through Professional Training for Entrepreneurs, a unique learning method based on entrepreneurship and positive approach, the Youth learn how to manage a small business, work in a team, take initiative, assume responsibilities, solve problems, manage a team, manage a project and meet deadlines. They improve their English, communication and IT skills. They are accompanied by the coaches (volunteers) in their career path and when they finish the program, they are able to find and keep a decent job. They receive a weekly allowance, Life Project Money, that enables them to follow the training on a daily basis while sustaining their basic needs and saving for the first steps of their professional life. At the same time, LP4Y develops an integration ecosystem composed of companies, NGOs, local administrations, and universities. These all favour Youth inclusion via professional exposure of the Youth and adaptation of HR policies enabling employment of Youth with low educational background. GREEN VILLAGE offers educational residential programs similar to Life Project Centre for youths that have been relocated from the slum to new rural areas away from all infrastructures. It is a fast track 3 months program with a focus on practical professional training promoting natural technology and lifestyle and aiming at initiating a new economy in these areas to be developed by local communities.
