Annual Accounts – 2022

Overview

Similarly, to the previous two years we have been deeply impacted by Covid. The main activity of the charity is to provide local in-person technical related events. These are comprised from either monthly “meetups” or our yearly conference. Unfortunately, neither of these in-person activities were possible during 2021 resulting in events only taking place online (i.e., virtually) and it has taken time for people to return to evening events.

Summary for 2022 Accounts

Opening Balance	£1,373.42
Paid in	£0
Paid Out	£48.57
Closing Balance	1,324.85

Bank Account

As per the previous year, the charity has a bank account with Lloyds bank and any withdrawals requires the approval of two trustees.

Gift Aid

We have not registered for Gift Aid, but we could consider doing this in the future.

Income

The charity received no income during 2022.

Total: £0

Expenses

The expenses for the year are shown below

Expense	Amount
Meetup Fees	0 (waived due to Covid)
Domain Name and Email	£48.57

Total: £48.57

Bank Balance

Our closing bank balance for 2022 was £1,324.85

Hosting Costs

Our websites are hosted either in GitHub for free or use services offered by the Microsoft Azure platform. As a charity we receive \$5000 of credits for Azure per year.

Meetups

The majority of the YorkDevelopers community groups used meetup.com in order to advertise and allow people to sign up to the events.

Some of the groups (such as .net York) get their meetup accounts from their parent foundations.

Other groups such as YorkCodeDojo, CodeAndCoffee and YorkGamesDev are being funded by the charity.

Due to Covid the charge for our meetup account was waived this year.

Affiliated Groups

At present the YorkDevelopers charity hasn't taken any income or funded the local groups. It is our aim that in the future that the charity will be able to provide some resources such as projectors or video recording equipment.
