STOKE BARDOLPH VILLAGE HALL  
charity number 1177690

Dear Customer Services Officer

I enclose a paper printout of the annual returns for 2025 for the above charity. Having spent many hours typing (in vain) to send by email, all goes well until the last request, 'choose a file'! What file? When I try to select one, my computer does not recognise it, failing to complete the return, and the allotted time runs out.

In desperation I called the charity commission and spoke to Philip, who was very helpful, advising how to select this file, but again my equipment fails to respond.

We are a very small village hall, we make no profit, we employ no-one, we do not invest, it is run solely by a few unpaid elderly volunteers. Our total income for 2025 as you will see, was £3.792 with expenditure of £6.443.

Our bank balance hovers around £1000 at any one time.

However your returns notice states that any charity with an income of under £10.000 only has to report their income and spending. So why in our case is our return sheet so complex? i.e choosing a file.

Maybe a simpler system for small community meeting places could be introduced, for them to enjoy the advantages of being a charity, though having little funds to employ a professional accountant.

On the back of this I've decided to resign as a Trustee from 31st of January, therefore can all future communication go to the other Trustee Stephen Wright at [steve1001@virginmedia.com](mailto:steve1001@virginmedia.com) but you will have his contacts on file anyway. He will provide you with the names of new trustees in due course.

I also enclose another copy of his recent report.

Can I just ask that you display on your public records our correct return for this year, not a detrimental one which happened mistakenly once before. Our figures are there for you to see though rather small for which I apologise.

With kind regards

as a polling station for the PCC & CCAM on 02 May 2024.

As normal, the hours of poll will be 7 am to 10 pm, but the building will need to be opened 30 minutes before and should be ready for locking approximately 15 minutes after close of poll. We assume that you will arrange to open and lock up the venue, ***unless you tell us otherwise***. Polling day equipment will begin being delivered a week before the election and will be collected as soon as possible after polling day. One of our staff will in touch to arrange delivery. It would be helpful if you could ensure that someone is available to take delivery once your time slot has been arranged. Please see section six of the booking form and confirm which days the venue will be open to allow us to plan a delivery schedule more effectively.

Please look carefully at the attached information sheet. It is very important that we maintain up-to-date contact details, including telephone numbers and email addresses for all our polling stations. If any information is incorrect or missing, please amend it on the form.

When you are happy that all information is correct and up-to-date, please return the form by email to [elections@gedling.gov.uk](mailto:elections@gedling.gov.uk) confirming that the premises are available and have been provisionally booked for the election. We are undergoing the final changes of our polling places, districts and stations review so will be able to send confirmations of the use of your polling station by the end of February.
