The Catrin Vaughan Foundation objectives

The relief and education of children and young persons with special educational needs (SEN) and additional learning needs (ALN) particularly by the provision of or assistance in the provision of facilities and equipment at schools and colleges particularly within Pembrokeshire (not normally provided by the local education authority) with a view that such children and young people achieve their full potential in society.

Review of activities and achievements

Unfortunately the majority of activities remain cancelled due to Covid19, we hope to get back to some normality during the next year.

Structure, governance and management roles

Trustee numbers will remain the same and current roles will continue.

Conclusion

I would like to thank all of our trustees and those who have supported us this year.
