SECTION C OBJECTIVES AND ACTIVITIES

The objects as set out in the governing document are

The charity's objects are, for the public benefit, to advance the Christian religion among young people in Holsworthy and the surrounding area, in particular but not exclusively by the provision of youth workers, mentoring and supporting local schools and youth groups.

Mission statement

To present an accurate account of the Christian faith to young people.

To provide pastoral support and encouragement for young people who would otherwise be isolated either in their Christian faith, or socially due to the rural nature of the area.

To offer pastoral support to local schools and to bridge the gap between young people, the church and their local community.

In setting their objectives and planning their activities the trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

- Provide lesson support in Religious Studies informed by the Christian faith

3) in respect to the community:
