

## COLNE VALLEY LIONS CLUB

### Trustees report for the year ended 30 June 2023

We like many voluntary organisations in the Charity Sector struggle to recruit new volunteers. That said three new members joined last year which gave us a little impetus, whilst negating the impact of three of our members who are currently unable to contribute in most of our activities.

We are financially secure as can be seen from our accounts. Admin monies allow us to cover our administration expenses for the short to medium term. Whilst the trustees ensure that we do not commit expenditure on Charity prior to funds being raised.
