Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charity's only expenditure during the period were banking charges, for which there were ample funds. With net expenditure during the period of £56.11, the charity was £1,903.19 in credit at the end of the period, more than sufficient to cover any imminent costs.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Our policy is not to keep a reserve of any significant amount, but to raise sufficient funds every two years to stage the LICCC event. The only reserve we keep is a small amount to ensure our extremely limited ongoing costs (mainly our bank account) are covered over the two-year period between events. Our policy with that amount is to leave it in the current account.
