Trustees' Report

For the Year Ended 31 December 2022

The Trustees submit their Report on the affairs of Philosophy in Prison, together with the Financial Statements for the year ended 31 December 2022.

The Financial Statements comply with current statutory requirements, the requirements of the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives, Activities, Achievements and Performance

Objectives and Main Activities

The objective of Philosophy in Prison is to deliver philosophy education, advice and information to persons in custody in Her Majesty's prisons throughout England and Wales. This is done by running workshops, conferences, seminars and lectures. We train philosophers to deliver philosophy courses which we arrange, facilitate and fund.

Public Benefit

The Trustees are aware of their duties to ensure activities of the Charity are carried out in the furtherance of its objectives. The Trustees have given careful consideration to the Charity Commission's guidance on public benefit and are aware of their duties in this respect.

Achievements and performance

As prisons started to unlock after the Covid pandemic, the Charity started to be able to run in-person courses again. There was a full course at HMP Swaleside, which was extremely successful; the Charity is planning to return there in 2023. There was a short course at HMP Stafford, part-funded by the University of Sheffield, which is being followed up in 2023 by a full course. And the Charity continued to work in HMP Downview, planning a full course in 2023.

The Charity's work will be supported by the Royal Institute of Philosophy as they develop these initiatives and others into 2023 and beyond. Other prisons are now beginning to contact the Charity, and they are developing training courses and mentoring for its volunteers.

The project 'Prison Voices', on understanding the problem of silencing and epistemic injustice in the criminal justice system, has continued very successfully throughout the year, running workshops with participants including academics, lawyers, prison offices and ex-prisoners.

The Charity is planning a pair of major conferences in 2024, with a policy report. This report will connect with some of its policy proposals about the role and nature of education in prisons.

During the year, the Charity appointed a new trustee, Mike Coxhead. Mike has been doing philosophy in prisons since 2016; first on behalf of King's College London, where he established the London Philosophy in Prison project, and then latterly with Philosophy in Prison.

Trustees' Report

For the Year Ended 31 December 2022

Financial Review

During the year the charity received donations of £2,565 (2021: £4,114). Expenditure for the year was £10,807 (2021: £20,166). The net movement in funds was (£17,601) (2021: (£6,693)).

Reserves Policy

The Trustees have examined the requirements of the Charity and in the light of the main risks has agreed that the Charity will maintain sufficient reserves to enable it to continue funding its objectives for the foreseeable future. The Trustees have determined that there are sufficient reserves to enable the Charity to respond quickly to potential opportunities and any unforeseen events.

Future Developments

The Trustees will ensure that the Charity will continue to meet its charitable objectives for the foreseeable future, ensuring that a wide range of beneficiaries will continue to benefit from the Trust.

Trustees' Report

For the Year Ended 31 December 2022

Administration of the Charity

Philosophy in Prison is administered by the Trustees, who are in charge of directing and controlling the Charity and running and operating the Charity on a day to day basis.

Recruitment, appointment and training of Trustees

All Trustees give their time freely and no trustee remuneration for trustee services was paid during the year.

Trustees are identified by "word of mouth" and the Trustees will review any potential trustee candidate prior to their appointment to ensure they are a good fit for the Charity. Newly appointed trustees will be briefed by the existing trustees and receive background information upon appointment.

Risk Assessment

The major risks to which the Charity is exposed, as identified by the Trustees, have been reviewed, and systems have been established to mitigate those risks.

Trustees' responsibilities

The Charity Trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to Charities in England and Wales requires the Trustees to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- > select suitable accounting policies and then apply them consistently;
- > observe the methods and principles in the applicable Charities SORP;
- > make judgements and estimates that are reasonable and prudent;
- > state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the Financial Statements; and
- > prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of the financial statements may differ from legislation in other jurisdictions.

Philosophy in Prison

Notes to the Accounts

For the Year Ended 31 December 2022

1) Accounting Policies

Philosophy in Prison is a Registered Charity with the Charity Commissioners for England and Wales, Number 1177805. Philosophy in Prison is governed by its CIO Foundation Constitution dated 28 March 2018.

The registered office is 52A High Street, Haverhill, Suffolk, CB9 8AR.

The accounts have been prepared under the historical cost convention with items recognised at cost of transaction value unless otherwise stated in the relevant notes to these accounts.

The financial statements have been prepared in accordance with the Charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Charity is a Public Benefit Entity as defined by FRS 102.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The Financial Statements are prepared in Sterling, which is the functional currency. Monetary amounts in these Financial Statements are rounded to the nearest £.

Going Concern

The Trustees have considered the impact of the Covid-19 pandemic on the Charity.

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements. Covid-19 has caused volatility within the market worldwide. This has been considered by the Trustees in applying the going concern assumption within the accounts.

Income Recognition

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Voluntary Income which is received by way of donations and legacies is included within the accounts when the Trust has been notified of the amount and settlement date.

Resources Expended

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Notes to the Accounts

For the Year Ended 31 December 2022

1) Accounting Policies (Continued...)

Resources Expended (Continued...)

All expenditure is accounted for on an accruals basis. Grants payable are charged in the year when the offer is conveyed to the recipient. All expenses are allocated or apportioned to the applicable expenditure headings as included within the notes to the accounts.

Irrecoverable VAT

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

Cash at Bank

Cash at bank is basic financial assets and include cash in hand, deposits held at call with banks and other short-term liquid investments with original maturities of three months or less.

Fund Accounting

Unrestricted Funds – The general fund consists of amounts which the Charity may use at its discretion for its main charitable objectives.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their market value.

Critical Accounting Estimates and Judgements

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
