Financial review

Brief statement of the charity's policy on reserves

Given the Chippenham Lions Club (CIO) scale of operation and the fact that grants and donations are only approved within the limits of funds available at any given time we do not hold significant reserves. However at the end of each financial year we look to hold a reserve of between £3000 to £5000 to cover emergency requests that may arise and to cover expenditure of future fundraising activities.

Details of any funds materially in deficit

We have no funding deficits

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

As stated above the vast majority of our funding comes from the various activities we organise to raise money, with a small percentage coming from donations.

We do not have an investment policy as it is the aim of the club to return all monies raised back in to the community.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the General directions given by the Charity Commissions. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given in the accounts.

Independent Examiner's Statement

In consideration with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
 - (i) to keep accounting records in accordance with section 41 of the Act
 - (ii) to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Act have not been met or
- ~~(2) to which, in my opinion, attention should be drawn in order a proper understanding of the accounts to be reached~~

Financial review

Brief statement of the charity's policy on reserves

Given the Chippenham Lions Club (CIO) scale of operation and the fact that grants and donations are only approved within the limits of funds available at any given time we do not hold significant reserves. However at the end of each financial year we look to hold a reserve of between £3000 to £5000 to cover emergency requests that may arise and to cover expenditure of future fundraising activities.

Details of any funds materially in deficit

We have no funding deficits

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

As stated above the vast majority of our funding comes from the various activities we organise to raise money, with a small percentage coming from donations.

We do not have an investment policy as it is the aim of the club to return all monies raised back in to the community.

Section D

Summary of the main achievements of the charity during the year

This year has been particularly difficult with all of our fund raising events being cancelled due to the on going problem of COVID 19 this has caused us to fall back on reserve funds and the many small donations we have received. The following is a list of local organisations the Lions Club of Chippenham supported.

Chippenham Hospital Radio	300.00
Asthma Relief	500.00
Julia's House	1000.00
Chippenham Food Bank	65.00
Christmas Meals	371.54
Wiltshire Digital Drive	500.00
Message in A Bottle	80.00
Springboard	500.00
Wiltshire Search & Rescue	200.00
Poppy Appeal	18.50
Plus a number of individual Grants	982.96

Further to this The Lions Club of Chippenham made the following National and International Grants.

Lions Multiple District Youth Trust 162.00

During this period the club organised / supported the collection of spectacles, these are recycled for use in developing countries by the Chichester Lions club.

Organised and funded the Message in a Bottle Scheme, this was done in conjunction with local doctors surgeries and social organisations. The bottles are placed in a person's fridge with a sticker on the door to bring to the attention of emergency services the medical needs of vulnerable people.

At Christmas we prepare and distribute around 25 meals and gifts to people in need.

Section E

Financial review

Brief statement of the charity's policy on reserves

Given the Chippenham Lions Club (CIO) scale of operation and the fact that grants and donations are only approved within the limits of funds available at any given time we do not hold significant reserves. However at the end of each financial year we look to hold a reserve of between £3000 to £5000 to cover emergency requests that may arise and to cover expenditure of future fundraising activities.

Details of any funds materially in deficit

We have no funding deficits

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

As stated above the vast majority of our funding comes from the various activities we organise to raise money, with a small percentage coming from donations.

We do not have an investment policy as it is the aim of the club to return all monies raised back in to the community.
