

Our club goes from strength to strength with the sheer hard work of our trustees and manager volunteers, We currently have 25 teams from age 6 to seniors.

We also have a dribblers section from age 4 to 6 these players are the future of the club.

We continue to try and recruit more players we feel they join a family orientated club which helps their confidence, they learn respect and how to behave. Parents have commented on the difference they have seen in their child since joining the club,

We will continue this work to help players thrive.

Terry Musgrave

Chairman
