To help with the protection of life and property in Kent from disasters and emergencies by (a) providing communication support to relevant key public authorities, vital infrastructure providers, and voluntary groups and (b) encouraging licensed radio amateurs and others to join voluntary emergency groups and community organisations, and to improve their relevant skills.

Our main activities have been to support local Raynet Groups by co-ordinating the deployment on loan of equipment; the maintenance and deployment of equipment to provide internet coverage via satellite; and the deployment of equipment and volunteers to provide a VoIP pop up telephone call centre.

All this has been done with regard by the Trustees to the guidance provided by the Charity Commission regarding public benefit.
