Unfortunately the Chairman had to step down during this period for medical reasons.

The Secretary also had to stand aside for ill health. We are seeking replacements.

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To help with the protection of life and property in Kent from disasters and emergencies by (a) providing communication support to relevant key public authorities, vital infrastructure providers, and voluntary groups and (b) encouraging licensed radio amateurs and others to join voluntary emergency groups and community organisations, and to improve their relevant skills.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

We continue to offer technical advice to emergency planners and support local Raynet Groups by making equipment available for loan. We keep ready equipment to deploy for emergencies that includes VOIP telephony for short-notice call centres and temporary internet equipment. Volunteers skills for this are maintained.

All this has been done with regard by the Trustees to the guidance provided by the Charity Commission regarding public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The COVID pandemic is affecting availability of volunteers and has minimised our activities, although it looks like there is a slow recovery.

Contact with statutory responders has not returned to pre-covid levels. And events that we use for self-training are still not running at pre-covid levels either. The amount of events has decreased dramatically and the number of participants in the events has also decreased. We continue to keep available and maintain systems and equipment recorded in section C of this annual return.
