### Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 December 2024.

#### **Objectives and activities**

##### ***Public benefit***

To relieve the suffering of animals in need of care and attention and, in particular, to provide and maintain rescue homes or other facilities for the reception, care and treatment of such animals.

The provision of free surgical or medical treatment, or such treatment at reduced charges, to animals belonging to persons who are unable to afford the services of a veterinary surgeon.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

#### **Financial review**

During 2024 we were able to raise more funds than the previous year thanks to the generosity of our supporters and the success of our fundraising efforts. However, this increase was met with significantly higher demands on our resources as we took in more dogs than ever before, each requiring vital care, veterinary treatment and support. In addition, we invested in the opening of our very first ever charity shop which brought initial set up costs but will provide an important long-term source of income for the rescue. Despite the challenges, we remain committed to ensuring that every dog that comes to us receives the care and second chance they deserve.

#### ***Funds in deficit***

No funds were in deficit during or at the end of the year.

#### ***Principal funding sources***

The major part of Trust funds is provided by donations from the general public.

#### **Structure, governance and management**

##### ***Nature of governing document***

The charity is a Charitable Incorporated Organisation governed by the foundation document dated 11th April 2018.

##### ***Recruitment and appointment of trustees***

The management of the Trust is the responsibility of the Trustees. In the event of a vacancy in the position of Trustee any suitable applicants to fill the post will be considered for suitability by the existing Trustees.

##### ***Major risks and management of those risks***

The Trustees have undertaken a risk assessment in order to identify any risks to which the Trust is exposed. Systems have been established to mitigate risks.

### Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Independent Examiner's Report to the trustees of Angels 4 Dogs Rescue

I report to the trustees on my examination of the accounts of Angels 4 Dogs Rescue for the year ended 31 December 2024.

#### **Responsibilities and basis of report**

As the charity trustees of Angels 4 Dogs Rescue you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Angels 4 Dogs Rescue's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Angels 4 Dogs Rescue as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## **Angels 4 Dogs Rescue**

### **Notes to the Financial Statements for the Year Ended 31 December 2024**

#### **1 Accounting policies**

##### **Statement of compliance**

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

##### **Basis of preparation**

Angels 4 Dogs Rescue meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

##### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

##### **Income and endowments**

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

##### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

##### **Raising funds**

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

##### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

##### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

## Angels 4 Dogs Rescue

### Notes to the Financial Statements for the Year Ended 31 December 2024 (continued)

#### **Tangible fixed assets**

Individual fixed assets costing £100.00 or more are initially recorded at cost.

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

#### **Trade debtors**

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

#### **Financial instruments**

##### ***Classification***

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

## Angels 4 Dogs Rescue

### Notes to the Financial Statements for the Year Ended 31 December 2024 (continued)

#### *Recognition and measurement*

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

### **Trustees' Report**

The trustees present the annual report together with the financial statements of the charity for the year ended 31 December 2023.

#### **Objectives and activities**

##### ***Public benefit***

To relieve the suffering of animals in need of care and attention and, in particular, to provide and maintain rescue homes or other facilities for the reception, care and treatment of such animals.

The provision of free surgical or medical treatment, or such treatment at reduced charges, to animals belonging to persons who are unable to afford the services of a veterinary surgeon.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

##### **Financial review**

We have had a significant increase from the year before thanks to some new volunteers who have helped with more fundraising, attending events, organising quizzes and a bigger drive generally online with donations due to vastly higher number of dogs needing to come in. We have also started to work with a second kennels to help provide more space for stray dogs from local councils, so expect this cost to rise. As we continue to grow our online presence and with the help of our new, user friendly, website we hope to continue to maintain this level. We have had a high volume of dogs in with medical issues that have been expensive and required expensive surgery, we expect this to continue as people continue to struggle to afford pets and hand them to rescues with medical issues that have not been seen to.

The final overall position is considered satisfactory with a slight reduction in reserves but there are still sufficient funds to cover costs in the immediate future which meets the charity's objective.

##### ***Funds in deficit***

No funds were in deficit during or at the end of the year.

##### ***Principal funding sources***

The major part of Trust funds is provided by donations from the general public.

#### **Structure, governance and management**

##### ***Nature of governing document***

I report to the trustees on my examination of the accounts of Angels 4 Dogs Rescue for the year ended 31 December 2023.

#### **Responsibilities and basis of report**

As the charity trustees of Angels 4 Dogs Rescue you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Angels 4 Dogs Rescue's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Angels 4 Dogs Rescue as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### **Notes to the Financial Statements for the Year Ended 31 December 2023**

#### **1 Accounting policies**

##### **Statement of compliance**

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

##### **Basis of preparation**

Angels 4 Dogs Rescue meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

##### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

##### **Income and endowments**

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

##### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

##### **Raising funds**

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

##### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

##### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

## **Angels 4 Dogs Rescue**

### **Notes to the Financial Statements for the Year Ended 31 December 2023 (continued)**

#### **Tangible fixed assets**

Individual fixed assets costing £100.00 or more are initially recorded at cost.

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

#### **Financial instruments**

##### *Classification*

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

##### *Recognition and measurement*

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

### **Trustees' Report**

The trustees present the annual report together with the financial statements of the charity for the year ended 31 December 2022.

#### **Objectives and activities**

##### ***Public benefit***

To relieve the suffering of animals in need of care and attention and, in particular, to provide and maintain rescue homes or other facilities for the reception, care and treatment of such animals.

The provision of free surgical or medical treatment, or such treatment at reduced charges, to animals belonging to persons who are unable to afford the services of a veterinary surgeon.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

#### **Financial review**

To be added

##### ***Funds in deficit***

No funds were in deficit during or at the end of the year.

##### ***Principal funding sources***

The major part of Trust funds is provided by donations from the general public.

#### **Structure, governance and management**

##### ***Nature of governing document***

The charity is a Charitable Incorporated Organisation governed by the foundation document dated 11th April 2018.

##### ***Recruitment and appointment of trustees***

The management of the Trust is the responsibility of the Trustees. In the event of a vacancy in the position of Trustee any suitable applicants to fill the post will be considered for suitability by the existing Trustees.

##### ***Major risks and management of those risks***

The Trustees have undertaken a risk assessment in order to identify any risks to which the Trust is exposed. Systems have been established to mitigate risks.

**Angels 4 Dogs Rescue**

**Statement of Trustees' Responsibilities**

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the trustees of the charity on 10 September 2023 and signed on its behalf by:

### Independent Examiner's Report to the trustees of Angels 4 Dogs Rescue

I report to the trustees on my examination of the accounts of Angels 4 Dogs Rescue for the year ended 31 December 2022.

#### **Responsibilities and basis of report**

As the charity trustees of Angels 4 Dogs Rescue you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Angels 4 Dogs Rescue's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Angels 4 Dogs Rescue as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### **Trustees' Report**

The trustees present the annual report together with the financial statements of the charity for the year ended 31 December 2021.

#### **Objectives and activities**

##### ***Public benefit***

To relieve the suffering of animals in need of care and attention and, in particular, to provide and maintain rescue homes or other facilities for the reception, care and treatment of such animals.

The provision of free surgical or medical treatment, or such treatment at reduced charges, to animals belonging to persons who are unable to afford the services of a veterinary surgeon.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

##### **Financial review**

Covid continued to have a heavy impact on the charity with income noticeably reducing this year. The Rescue also took on multiple dogs with severe health conditions with expensive surgeries being required. With additional promotion and ongoing raffles the charity was able to boost funds during the year and this helped the charity to continue to cover its bills. The final overall position is considered satisfactory with a slight reduction in reserves but there are still sufficient funds to cover costs in the immediate future which meets the charity's objective,

##### ***Funds in deficit***

No funds were in deficit during or at the end of the year.

##### ***Principal funding sources***

The major part of Trust funds is provided by donations from the general public.

#### **Structure, governance and management**

##### ***Nature of governing document***

The charity is a Charitable Incorporated Organisation governed by the foundation document dated 11th April 2018.

##### ***Recruitment and appointment of trustees***

The management of the Trust is the responsibility of the Trustees. In the event of a vacancy in the position of Trustee any suitable applicants to fill the post will be considered for suitability by the existing Trustees.

##### ***Major risks and management of those risks***

The Trustees have undertaken a risk assessment in order to identify any risks to which the Trust is exposed. Systems have been established to mitigate risks.

### Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 1/12/22 and signed on its behalf by:

Michelle Moss

### Independent Examiner's Report to the Trustees of Angels 4 Dogs Rescue

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2021 which are set out on pages 5 to 13.

#### **Respective responsibilities of trustees and examiner**

As the charity's trustees of Angels 4 Dogs Rescue you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Angels 4 Dogs Rescue's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Angels 4 Dogs Rescue as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### **Notes to the Financial Statements for the Year Ended 31 December 2021**

#### **1 Accounting policies**

##### **Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

##### **Basis of preparation**

Angels 4 Dogs Rescue meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

##### **Exemption from preparing a cash flow statement**

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

##### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

##### **Income and endowments**

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

##### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

##### **Raising funds**

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

##### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

## **Angels 4 Dogs Rescue**

### **Notes to the Financial Statements for the Year Ended 31 December 2021**

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Tangible fixed assets**

Individual fixed assets costing £100.00 or more are initially recorded at cost.

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

#### **Financial instruments**

##### ***Classification***

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

## Angels 4 Dogs Rescue

### Notes to the Financial Statements for the Year Ended 31 December 2021

#### ***Recognition and measurement***

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

### Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 December 2020.

#### **Objectives and activities**

##### ***Public benefit***

To relieve the suffering of animals in need of care and attention and, in particular, to provide and maintain rescue homes or other facilities for the reception, care and treatment of such animals.

The provision of free surgical or medical treatment, or such treatment at reduced charges, to animals belonging to persons who are unable to afford the services of a veterinary surgeon.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

#### **Financial review**

With additional promotion and the implementation of raffles the charity was able to boost its funds during the year and in turn this led to additional animal welfare being provided. The overall position is considered satisfactory with a similar level of reserves to the previous year which are sufficient to cover costs in the immediate future which meets the charity's objective.

##### ***Funds in deficit***

No funds were in deficit during or at the end of the year.

##### ***Principal funding sources***

The major part of Trust funds is provided by donations from the general public.

#### **Structure, governance and management**

##### ***Nature of governing document***

The charity is a Charitable Incorporated Organisation governed by the foundation document dated 11th April 2018.

##### ***Recruitment and appointment of trustees***

The management of the Trust is the responsibility of the Trustees. In the event of a vacancy in the position of Trustee any suitable applicants to fill the post will be considered for suitability by the existing Trustees.

##### ***Major risks and management of those risks***

The Trustees have undertaken a risk assessment in order to identify any risks to which the Trust is exposed. Systems have been established to mitigate risks.

### Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 15/03/2022 and signed on its behalf by:

### Independent Examiner's Report to the Trustees of Angels 4 Dogs Rescue

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 December 2020 which are set out on pages 5 to 13.

#### **Respective responsibilities of trustees and examiner**

As the charity's trustees of Angels 4 Dogs Rescue you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Angels 4 Dogs Rescue's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Angels 4 Dogs Rescue as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### Notes to the Financial Statements for the Year Ended 31 December 2020

#### **1 Accounting policies**

##### **Statement of compliance**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

##### **Basis of preparation**

Angels 4 Dogs Rescue meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

##### **Exemption from preparing a cash flow statement**

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

##### **Going concern**

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

##### **Income and endowments**

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

##### **Expenditure**

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

##### **Raising funds**

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

##### **Governance costs**

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

## Angels 4 Dogs Rescue

### Notes to the Financial Statements for the Year Ended 31 December 2020

#### **Taxation**

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### **Tangible fixed assets**

Individual fixed assets costing £100.00 or more are initially recorded at cost.

#### **Depreciation and amortisation**

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

#### **Cash and cash equivalents**

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

#### **Fund structure**

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

#### **Financial instruments**

##### *Classification*

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

## Angels 4 Dogs Rescue

### Notes to the Financial Statements for the Year Ended 31 December 2020

#### **Recognition and measurement**

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.
