The PTA is a registered charity in England & Wales operating under the rules of its constitution in the form of an association. Overall management of the charity is the responsibility of the elected trustees. The day to day management is carried out by the trustees. Membership of the PTA is available to all parents/carers of any pupil currently attending the school and any staff who are employed by the school.

Activities and Objectives for the Year

The object of the Association is to advance the education of the young people at Educational Diversity Pupil Referral Unit by developing effective relationships between the staff, parents and others associated with the school; engaging in activities or providing facilities or equipment which support the school and advances the education of the pupils. This is done in collaboration with the Management Committee of the PRU to support the annual school priorities which for the academic year 2018/19 were as follows:

1. Leadership and Management	To continue to improve the strategic leadership of the Management Committee, SLT and middle leadership teams which will support our journey to Outstanding	To support inclusive practice across the town by further developing the strategic work with schools	To further develop the commissioning arm of the Educational Diversity in collaboration with mainstream settings	To ensure that Educational Diversity is a strategic partner in the Opportunity Area strands of School Improvement, Inclusion and Young people into work
2. Quality of Teaching and Learning	To develop a quality assurance measurement for lesson delivery across all key stages.	To ensure learning is secure, monitored and evaluated to make at least "good" progress, supported by targeted CPD/L	To develop an "in house" formative and summative assessment tool in SIMS	Improve the whole school Literacy, English and maths provision across all key stages supported by the OA programmes.

3. Personal development, behaviour and welfare	To create a positive environment for learning driven by a revised behaviour policy linking the vision with the resilience framework	To accelerate the drive towards successful re-integration through the introduction of a standardised assessment tool	To target improvements around attendance with a particular focus on improving punctuality	To continue the work around safer working practices and ensure they are embedded within each setting
4. Outcomes for Learners	To reduce NEET through the introduction of new accreditation opportunities with a wider curriculum focus linked to career pathways	To increase the number of students who achieve higher grades particularly within the core subjects, enabling access to Post 16 Education, Employment and Training	To reduce the need for progression plans through bespoke learning pathways closer linked to Post 16 progression routes	Reduction of single registration and an increased number of learners returning and remaining in mainstream provision

Achievement & Performance

The principle focus for this year was to secure the funding to redesign a classroom into a “Sensory Room”. The Purpose of the facility is to support the social and emotional health of the pupils, by helping them to self-regulate within a safe environment whilst providing sensory equipment and resources for those with sensory processing difficulties. This was achieved.

Regarding: Educational Diversity PTA Unofficial Funds Account

Independent Examiners Reports of Accounts for the period 1st April 2023 to 31st March 2024

I have examined the Unofficial Funds Accounts of Educational Diversity PTA, Athena School, 278a Whitegate Drive, Blackpool, FY3 9JW, and confirm that they are a true and fair record of the financial activity of the Charity for the period specified above.

No matter has come to my attention which gives me reasonable cause to believe that the requirements and intention of the account have not been met in presenting these accounts.
