Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Either (Prospectus): Burrough Green Playgroup aims to:

- provide high quality care and education for children below statutory school age;
- work in partnership with parents to help children to learn and develop; add to the life and well-being of the local community;
- offer children and their parents a service that promotes equality and values diversity.

OR (Constitution):

To advance the education of children below compulsory school age by
 (a) providing safe and satisfying group play, in which parents have the right to take part
 (b) encouraging other charitable activities through which parents may help the children
 (c) furthering the aims of the Pre-school Playgroups Association

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Burrough Green Playgroup is led by a management committee of volunteers. It is a community pre-school open to all children from 2.5 years to school starting age.

The playgroup is open 38 weeks each year following the school timetable. We are closed during school holidays, half term, teacher training days and bank holidays. We are currently open four days a week (Monday- Thursday). We provide care and education for young children who are at least 30 months old up until statutory school age.

Provision for the development and learning of children from birth to five years is guided by the Early Years Foundation Stage. Our provision reflects the four overarching principles of the Statutory Framework for the Early Years Foundation Stage: A Unique Child, Positive Relationships, Enabling Environments and Learning and Development.

The rising 5's (children due to start school in September 2023) have benefited from our very close relationship with Burrough Green Primary School. This includes the ability to attend the School's wrap around care.

To help keep our fees low, we hold several fundraising activities each year.

We confirm the trustees have had regard to the Charity Commission's guidance on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

We have had varying numbers of children attending the setting throughout the year. The maximum number of children we can take at the setting at any time is 19, although the total number is based on the number of staff and age of the children.

We continue to provide for the free 30 hours childcare facility and this has encouraged some new entrants into the setting. We offer home visits where we meet the children and their families in their own home environment. In addition, we offer drop in days where children can attend the setting with parents and carers before attending the setting. We find this is very positive as it builds stronger partnership with families. We operate a hardship policy to provide additional support where children have special educational needs or where a little extra financial support may improve the experience of the child. Each child is an individual and their needs are unique to them. This support has included providing taxis for children to attend the setting; the provision of additional unfunded hours at no cost; the provision of activities (e.g. dance) at no cost; the provision of books or toys at no cost. Hardship cases are decided on a case by case basis.

All policies have again been reviewed to ensure compliance with current legislative requirements. This includes our safeguarding, data protection and welfare policies. We continue to achieve parental involvement through use of Tapestry and "All about me" forms. We use resources for child-led activities and continue to improve our assessment procedures of children's progress and out reporting of this to parents. We are trying to encourage more interaction between parents/ carers and the setting which has included running meeting over video conferences over the last year. Staff have all attended different training courses this year and have also received refreshed training in First Aid, SENCO, ENCO, child protection and Technology in the early years.

In September 2021 we were inspected by OFSTED who awarded us a "Good" and provided us with a glowing report available at <https://files.ofsted.gov.uk/v1/file/50171056>.

As a small employer we understand the financial struggles staff will have with the increasing cost of living. As a result, the Trustees made the decision to increase salaries of all staff so that they are paid at least the Living Wage (www.livingwage.org.uk).

Fundraising is a key element in ensuring the financial security of the setting and to that end we are in a fundraising partnership with Burrough Green Primary School in order to pool resources and hopefully achieve more successful fundraising activities.

Section E

Financial review

Brief statement of the charity's policy on reserves

We don't currently hold monies in a separate reserve account. We have an operating budget of around £25,000. There are no further reserves held in other accounts.

Details of any funds materially in deficit

BURROUGH GREEN PLAYGROUP

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE PLAYGROUP

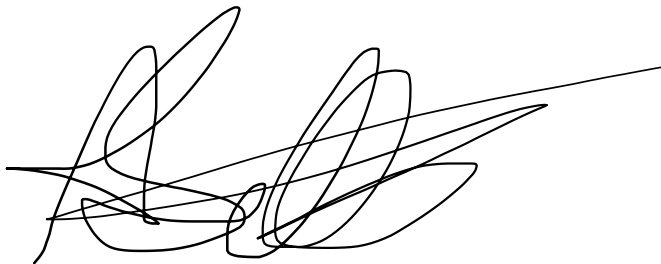

I report on the accounts of the Playgroup for the year ended 31.8.2023.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general directions given by the Charity Commissioners. The examination included a review of the accounting records kept by the Playgroup and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention which gives me reasonable cause to believe that, in any material respect, accounting records have not been kept as required to produce a true and fair view of the financial affairs of the Playgroup.
