Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

- To advance, improve, develop and maintain public education in and appreciation of the art and science of music in all its aspects by any means the trustees see fit, in particular through the study and practice of choral music and symphony and chamber orchestras and through the presentation of public concerts and recitals.
- Such charitable purposes for the public benefit as are exclusively charitable according to the laws of England and Wales as the

trustees may from time to time determine.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning our activities for the year we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings. The main activities are as follows:

- Weekly choir rehearsals
- Weekly training and education for choir members
- Concerts for the general public, at low cost

These activities benefit the choir members by teaching them new skills, and developing their self-confidence and social skills, their practical musical skills and life skills. They benefit the audiences by providing opportunities for them to experience professional-standard live music at substantially lower costs than normally available and in locations where large-scale professional music is not normally available.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

In the 2021/22 year, we were still unable to undertake any performances due to the ongoing COVID-19 pandemic as it would have been unlawful until part way through the year. We were finally able to start choir rehearsals again on 24th June, having been told in writing from our insurers that we are considered professional and therefore able to resume rehearsals under the law at the time. The required guidance was followed, with an updated risk assessment, social distancing, ventilation and other requirements being met, as well as alcohol gel and wipes being readily available and a requirement to test for COVID-19 before attending rehearsals.

With the situation easing due to the vaccine rollout, we were able to plan a Christmas concert with some degree of confidence that it would happen. This took place at the O2 Academy, Bournemouth, on 4th December and it was our 10 year anniversary to the day. Former soloists and members came back to join us and the concert was a great success.

During this period, four of our members sat music exams through the Associated Board of the Royal Schools of Music: a Grade 3 Singing exam was passed with Merit, a Grade 5 Singing exam was passed, a Grade 5 Music Theory exam was passed with distinction and a Grade 7 Singing exam was passed with distinction.

Section E Financial review

Brief statement of the charity's policy on reserves

Cash at bank on 31/03/2022 was £9349.71 in unrestricted funds. The main financial risk to the charity is low ticket sales and reduced donations, particularly considering nervousness amongst audiences with ongoing COVID-19 issues. The funds are held to cover 3 months running costs and to offset against the cost of forthcoming concerts in the event of insufficient ticket sales, and to meet any unforeseen expenditure that may occur.

Details of any funds materially in deficit

Not applicable

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Set out on pages

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/03/2022.

**Responsibilities and
basis of report**

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
