

BRASS Charity reg 1178028.

Annual Trustee Report.

30/1/21 to 29/1/22.

It has been a challenging year for Brass in regards to income however it is felt that by spending more time on fund raising things will improve .The fees spent on professional services are also felt to be beneficial in the long term.

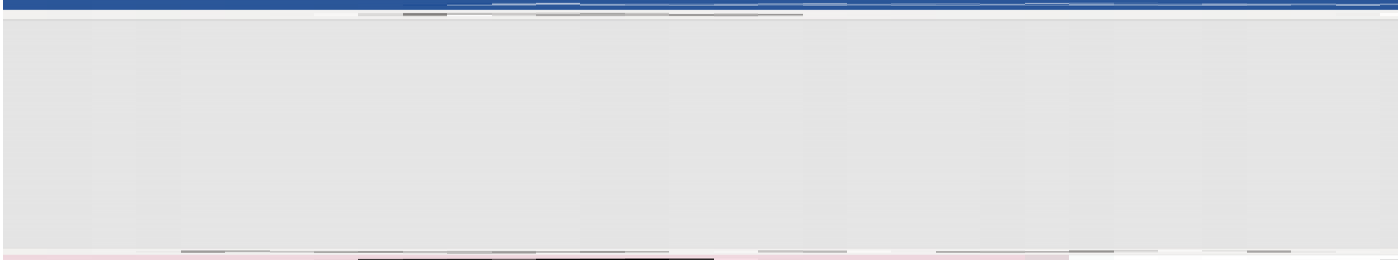

However we have had success this year with our targeted mail shot which resulted in 57 new clients to give budgeting advice to in their own homes. A new laptop is also allowing another volunteer to operate.

In these difficult economic times Brass feels that the need for budgeting advice will increase in demand.

Agreed by all trustees 1/10/2022.
