Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Like many charities, SARDA Anglia had a difficult time during the Covid 19 pandemic. However, team members and their dogs continued to train, and new dogs are being trained as part of the natural turnover and operational lifespan of the dogs. This is important to maintain operational readiness and for the welfare of the dogs and their wellbeing. It is important to note that all dogs live out their natural lifespan after retirement and no dog is put to sleep at the end of its working life. It is important for the teams to remain trained and available for the benefits to the wider community if called upon.

		Notes to the Accounts for the Financial Year 1 April 2022 to 31 March 2023						
	1	SARDA Anglia (previously known as NSARDA Anglia) is a Charitable Incorporated Organisation registered with the Charity Commission for England and Wales on 23 April 2018						
	2	These accounts relate to the financial year 1 April 2022 to 31 March 2023 It should be noted that SARDA Anglia currently have no restricted funds.						
	3	Column labelled 'Last Year' relate to the financial year 1 April 2021 to 31 March 2022						
	4	The accounts for the period have been drafted in accordance with the Charity Commission for England and Wales guidance for simple Receipt and Payment accounts CC16a using a simplified format.						
	5	When reading the accounts it should be noted that the numbers may differ from bank statements etc. as the figures are rounded up/down and to the nearest £.						
	6	As there has been limited financial movement in the accounting year, the Trustees opted to share the role of Treasurer. However, it should be noted that there is separation between those that can access the bank account and the person drawing up the accounts. This meets good financial practice for a small organisation.						
	7	As noted above there is limited movement in the accounts and several people and members have been generous and met the limited outgoings as gifts to the organisation e.g. printing and internet costs.						
	8	Signed in person by the signatories and scanned for upload to the Charity Commission for England and Wales website
