Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Yet again there has been no charity activity this year. Volunteer numbers declined and the time available of existing volunteers has likewise declined. Limited engagement with existing organisations we used to support has highlighted that they are comfortable supporting themselves. They have more active membership of people who are LGBTQ+ and have become parents or have access to other information available from mainstream or other charity sources. The trustees have been considering closing the charity.

Additional information (optional)

You may choose to include further statements where relevant about:

Achievements against objectives set	Para 1.41	See above given no activity. The value and impact of the charity has substantially declined. There is no need for it at this time and with the decline in organisations investing in DEI (given the US S'woke' press and shareholder pressure) there is no expected further activity.
Performance of fundraising activities against objectives set	Para 1.41	No fundraising activity. The charity only had a number expenses for its various email/website/hosting/domain charges. Multi-year subscriptions were overdue to be paid for previous years and for new extensions.

Investment performance against objectives	Para 1.41	N/A
Other		Trustees will note that historic years had no expenses. These were deferred and the multi-year provision of website/domain/hosting/email for the operation of multiple years became due for payment. Costs averaged £400 per year were paid.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Sound with funds in surplus of any financial requirements/obligations.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	There are no projected or outstanding liabilities and therefore no reserves are required.
Amount of reserves held	Para 1.22	N/A
Reasons for holding zero reserves	Para 1.22	There are no projected or outstanding liabilities and therefore no reserves are required.
Details of fund materially in deficit	Para 1.24	None.
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	None.

Additional information (optional)

You may choose to include further statements where relevant about:

The charity's principal sources of funds (including any fundraising)	Para 1.47	None this period - normally would be speaker fees.
Investment policy and objectives including any social investment policy adopted	Para 1.46	N/A
A description of the principal risks facing the charity	Para 1.46	Activity has not restarted after last year. Shareholder and media revolt of investment in DEI programming ('woke culture' criticism) is putting pressure on organisations to invest in DEI programming and a number of organisations are limiting their investment in external alliances/partnerships/funding. Coupled with the fact that LGBTQ+ parenting numbers have substantially increased since the charity was first organised it's need is far less critical.
