The charity provides education and training designed to enable individuals to generate a sustainable income and be self-sufficient.

The charity operates bringing about community cohesion, preventing hate crime and acid attacks, and empowering the youth.

Our aim overseas is the alleviation of poverty, the provision of basic amenities for those in need, food, clean water facilities, education, medical assistance and the means to support themselves, their family and communities. We also understand the importance of empowering the disadvantaged and poor communities, to improve and sustain their own livelihoods and secure their future. By working directly with poor communities, we aim to bring about positive

changes from within those communities.

We are aware of when an emergency occurs and we provide immediate relief aid and assistance in the event of emergencies. It is our duty to respond immediately and assist vulnerable people, who have suffered serious damage in times of crisis. We work towards the recovery in the hard hit areas and mitigate the effects of such incidents to prevent further losses occurring.

**STRATEGIES**

We assess the needs and carry out our activities purely based on the urgency of the situation. We carry out our own research and provide support, if we identify areas where the lives of the communities can be improved.

Smile Aid is committed to eradicate homelessness by providing the rough sleeping community with emergency care, food, warm clothing, transportation and helping to get medical aid.

We organise sports and educational events on Community Cohesion, preventing and tackling Hate Crime & Acid Attacks and Islamophobia.

We tackle the poverty issues overseas by distributing food and building clean drinking water facilities in areas badly affected by water scarcity. Our team identifies the areas severely affected by drought, and within days ensures that there is clean drinking water and emergency supply of clean water.

We provide training in emergency first aid techniques, assisting in medical care, building welfare centres and sustainable energy resources.

Volunteers support and help in order to fulfil the charities objectives, vision and mission to carry out its activities

**ACHIEVEMENTS**

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF SMILE AID**

---

I report on the accounts for the year ended 31 March 2025 set out on pages eleven to eighteen.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

It is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

**Basis of the independent examiner's report**

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view ' and the report is limited to those matters set out in the statements below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
  - to keep accounting records in accordance with Section 130 of the 2011 Act; and
  - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Acthave not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

# SMILE AID FOR THE YEAR ENDED 31 MARCH 2025

## NOTES TO THE FINANCIAL STATEMENTS

---

### 1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### Company information

The Charity is limited by guarantee, without share capital. The charity is registered in England and Wales with the Charity Commission. The registered office is Universal Square, 2 Devonshire Street North, Manchester, England, M12 6JH.

#### 1.1. Accounting convention

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS102) (effective 1 April 2015) ("Charities SORP (FRS102)"), the Financial Reporting Standard applicable in the UK (FRS 102), the Companies Act 2006 and the Charities Act 2011.

Smile Aid meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at cost or transaction value unless otherwise stated in the relevant accounting policy notes.

On the grounds that the charity comes under the definition of small charities the charitable company has taken advantage of certain exemptions conferred by section 1.11 of FRS102 as follows:

Exemption from disclosing the carrying amounts of each category of financial assets and financial liabilities at the reporting date as required by section 11.41 of FRS 102.

Exemption from presenting a charitable company statement of cash flows as a primary statement to the financial statements.

#### 1.2. Going concern

The Trustees have at the time of approving the financial statements a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. In addition, the Trustees have no intention to wind the company up in the foreseeable future. It is considered that there are currently no material uncertainties which impact on the charity being able to continue in its current form. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3. Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attaching to the item(s) have been met, it is probable that the income will be received and the amount can be measured reliably. Income from grants is recognised when the charity has entitlement to the funds, any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. Where grant income has been received, but the charity has not matched the conditions to become entitled to the income, an income deferral is made.

#### Donated goods and Services

Donated professional services and facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit

# SMILE AID FOR THE YEAR ENDED 31 MARCH 2025

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

---

from use of the item is probable and the economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the value of volunteer time is not recognised in the financial statements.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is recognised in expenditure in the period of receipt.

### **Investment income**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of interest paid or payable by the Bank.

Rents from letting of charity hall are included when they are receivable by the charity.

### **1.4. Fund accounting**

Unrestricted funds are funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for a particular purpose.

### **1.5. Expenditure**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been apportioned on a basis consistent with the use of the resources.

The cost of raising funds includes fundraising event costs, direct campaigns, general information and public relation costs and their associated support costs.

Expenditure on charitable activities relates to grants awarded and associated support costs. Irrecoverable VAT is charged as a cost against the activity for which expenditure was incurred.

### **Allocation of support costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include administration, finance, human resources, information systems and governance costs which support the services provided to beneficiaries.

These costs have been allocated between the costs of raising funds and expenditure on charitable activities on the basis set out in note 4.

### **1.6. Staff costs**

There were no employees during the year.

### **1.7. Tangible fixed assets**

Fixed assets are included on a historical cost basis. It is a policy of the trustees that individual items with a cost below £300 are not capitalised. Depreciation is provided at the following rates and bases to write off the cost of tangible fixed assets over their estimated useful lives by annual instalments, with a full year's charge in the acquisition year and no charge in the year of disposal:

Motor vehicles	20% reducing balance

**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**

---

**1.8. Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity held for working capital.

**1.9. Taxation**

Smile Aid is a registered charity and as such is a charity within the meaning of schedule 6 of the Finance Act 2010. Accordingly, the Charity is potentially entitled to tax exemption under part 11 of the Corporation Tax Act 2010 or section 256 of the Taxation of Chargeable Gains Act 1992 in respect of income and gains arising.

**2. Allocation of support costs**

Support costs are allocated between the various activities of the charity based on an estimate by management of time spent by trustees on each activity. Some trustees have roles which support more than one activity. The allocation of these costs are considered to be critical to the accounts because they have the ability to materially alter the allocation of costs between expenditure on raising funds and expenditure on charitable activities.

---

### INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF CHARITY NUMBER 1178216, FOR THE PERIOD ENDED 31<sup>ST</sup> MARCH 2024

I report on the accounts for the year ended 31 March 2024 set out on pages eleven to eighteen.

#### **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

It is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

#### **Basis of the independent examiner's report**

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view ' and the report is limited to those matters set out in the statements below.

#### **Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
  - to keep accounting records in accordance with Section 130 of the 2011 Act; and
  - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Acthave not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## **NOTES TO THE FINANCIAL STATEMENTS**

---

### **1. Accounting policies**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### **Company information**

The Charity is limited by guarantee, without share capital. The charity is registered in England and Wales with the Charity Commission. The registered office is Universal Square, 2 Devonshire Street, North Manchester, M12 6JH.

#### **1.1. Accounting convention**

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS102) (effective 1 April 2015) ("Charities SORP (FRS102)"), the Financial Reporting Standard applicable in the UK (FRS 102), the Companies Act 2006 and the Charities Act 2011.

Smile Aid meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at cost or transaction value unless otherwise stated in the relevant accounting policy notes.

On the grounds that the charity comes under the definition of small charities the charitable company has taken advantage of certain exemptions conferred by section 1.11 of FRS102 as follows:

Exemption from disclosing the carrying amounts of each category of financial assets and financial liabilities at the reporting date as required by section 11.41 of FRS 102.

Exemption from presenting a charitable company statement of cash flows as a primary statement to the financial statements.

#### **1.2. Going concern**

The Trustees have at the time of approving the financial statements a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. In addition, the Trustees have no intention to wind the company up in the foreseeable future. It is considered that there are currently no material uncertainties which impact on the charity being able to continue in its current form. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3. Income**

Income is recognised when the charity has entitlement to the funds, any performance conditions attaching to the item(s) have been met, it is probable that the income will be received and the amount can be measured reliably. Income from grants is recognised when the charity has entitlement to the funds, any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. Where grant income has been received, but the charity has not matched the conditions to become entitled to the income, an income deferral is made.

#### **Donated goods and Services**

Donated professional services and facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit

## **NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**

---

from use of the item is probable and the economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the value of volunteer time is not recognised in the financial statements.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is recognised in expenditure in the period of receipt.

### **Investment income**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of interest paid or payable by the Bank.

Rents from letting of charity hall are included when they are receivable by the charity.

### **1.4. Fund accounting**

Unrestricted funds are funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for a particular purpose.

### **1.5. Expenditure**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been apportioned on a basis consistent with the use of the resources.

The cost of raising funds includes fundraising event costs, direct campaigns, general information and public relation costs and their associated support costs.

Expenditure on charitable activities relates to grants awarded and associated support costs. Irrecoverable VAT is charged as a cost against the activity for which expenditure was incurred.

#### **Allocation of support costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include administration, finance, human resources, information systems and governance costs which support the services provided to beneficiaries.

These costs have been allocated between the costs of raising funds and expenditure on charitable activities on the basis set out in note 4.

### **1.6. Staff costs**

There were no employees during the year.

### **1.7. Tangible fixed assets**

Fixed assets are included on a historical cost basis. It is a policy of the trustees that individual items with a cost below £300 are not capitalised. Depreciation is provided at the following rates and bases to write off the cost of tangible fixed assets over their estimated useful lives by annual instalments, with a full year's charge in the acquisition year and no charge in the year of disposal:

Motor vehicles	20% reducing balance
----------------	----------------------

## **NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**

---

### **1.8. Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity held for working capital.

### **1.9. Taxation**

Smile Aid is a registered charity and as such is a charity within the meaning of schedule 6 of the Finance Act 2010. Accordingly, the Charity is potentially entitled to tax exemption under part 11 of the Corporation Tax Act 2010 or section 256 of the Taxation of Chargeable Gains Act 1992 in respect of income and gains arising.

### **2. Allocation of support costs**

Support costs are allocated between the various activities of the charity based on an estimate by management of time spent by trustees on each activity. Some trustees have roles which support more than one activity. The allocation of these costs are considered to be critical to the accounts because they have the ability to materially alter the allocation of costs between expenditure on raising funds and expenditure on charitable activities.

### **Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

It is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act

### **Basis of the independent examiner's report**

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view ' and the report is limited to those matters set out in the statements below.

### **Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements

## NOTES TO THE FINANCIAL STATEMENTS

---

### 1. Accounting policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### Company information

The Charity is limited by guarantee, without share capital. The charity is registered in England and Wales with the Charity Commission. The registered office is Universal Square, 2 Devonshire Street, North, Manchester, England, M12 6JH.

#### 1.1. Accounting convention

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS102) (effective 1 April 2015) ("Charities SORP (FRS102)"), the Financial Reporting Standard applicable in the UK (FRS 102), the Companies Act 2006 and the Charities Act 2011.

Smile Aid meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognized at cost or transaction value unless otherwise stated in the relevant accounting policy notes.

On the grounds that the charity comes under the definition of small charities the charitable company has taken advantage of certain exemptions conferred by section 1.11 of FRS102 as follows:

Exemption from disclosing the carrying amounts of each category of financial assets and financial liabilities at the reporting date as required by section 11.41 of FRS 102.

Exemption from presenting a charitable company statement of cash flows as a primary statement to the financial statements.

#### 1.2. Going concern

The Trustees have at the time of approving the financial statements a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. In addition, the Trustees have no intention to wind the company up in the foreseeable future. It is considered that there are currently no material uncertainties which impact on the charity being able to continue in its current form. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### 1.3. Income

Income is recognized when the charity has entitlement to the funds, any performance conditions attaching to the item(s) have been met, it is probable that the income will be received and the amount can be measured reliably. Income from grants is recognized when the charity has entitlement to the funds, any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. Where grant income has been received, but the charity has not matched the conditions to become entitled to the income, an income deferral is made.

#### Donated goods and Services

Donated professional services and facilities are recognized as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit

from use of the item is probable and the economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the value of volunteer time is not recognized in the financial statements.

On receipt, donated professional services and donated facilities are recognized on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is recognized in expenditure in the period of receipt.

#### **Investment income**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of interest paid or payable by the Bank.

Rents from letting of charity hall are included when they are receivable by the charity.

### **1.4. Fund accounting**

Unrestricted funds are funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for a particular purpose.

### **1.5. Expenditure**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been apportioned on a basis consistent with the use of the resources.

The cost of raising funds includes fundraising event costs, direct campaigns, general information and public relation costs and their associated support costs.

Expenditure on charitable activities relates to grants awarded and associated support costs. Irrecoverable VAT is charged as a cost against the activity for which expenditure was incurred.

#### **Allocation of support costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include administration, finance, human resources, information systems and governance costs which support the services provided to beneficiaries.

These costs have been allocated between the costs of raising funds and expenditure on charitable activities on the basis set out in note 4.

### **1.6. Staff costs**

There were no employees during the year.

### **1.7. Tangible fixed assets**

Fixed assets are included on a historical cost basis. It is a policy of the trustees that individual items with a cost below £300 are not capitalised. Depreciation is provided at the following rates and bases to write off the cost of tangible fixed assets over their estimated useful lives by annual instalments, with a full year's charge in the acquisition year and no charge in the year of disposal:

Motor vehicles	20% reducing balance
----------------	----------------------

**1.8. Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity held for working capital.

**1.9. Taxation**

Smile Aid is a registered charity and as such is a charity within the meaning of schedule 6 of the Finance Act 2010. Accordingly, the Charity is potentially entitled to tax exemption under part 11 of the Corporation Tax Act 2010 or section 256 of the Taxation of Chargeable Gains Act 1992 in respect of income and gains arising.

**2. Allocation of support costs**

Support costs are allocated between the various activities of the charity based on an estimate by management of time spent by trustees on each activity. Some trustees have roles which support more than one activity. The allocation of these costs are considered to be critical to the accounts because they have the ability to materially alter the allocation of costs between expenditure on raising funds and expenditure on charitable activities.

**INDEPENDENT EXAMINER S' REPORT TO THE TRUSTEES OF SMILE AID**

---

I report on the accounts for the year ended 31 March 2022 set out on pages Fourteen to twenty one.

**Respective responsibilities of trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

It is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

**Basis of the independent examiner's report**

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view ' and the report is limited to those matters set out in the statements below.

**Independent examiner's statement**

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
  - to keep accounting records in accordance with Section 130 of the 2011 Act; and
  - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Acthave not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

## **NOTES TO THE FINANCIAL STATEMENTS**

---

### **1. Accounting policies**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### **Company information**

The Charity is limited by guarantee, without share capital. The charity is registered in England and Wales with the Charity Commission. The registered office is 111 3rd Floor Wilmslow Road, Manchester, England, M14 5AN.

#### **1.1. Accounting convention**

The financial statements have been prepared on a going concern basis in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS102) (effective 1 April 2015) ("Charities SORP (FRS102)"), the Financial Reporting Standard applicable in the UK (FRS 102), the Companies Act 2006 and the Charities Act 2011.

Smile Aid meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at cost or transaction value unless otherwise stated in the relevant accounting policy notes.

On the grounds that the charity comes under the definition of small charities the charitable company has taken advantage of certain exemptions conferred by section 1.11 of FRS102 as follows:

Exemption from disclosing the carrying amounts of each category of financial assets and financial liabilities at the reporting date as required by section 11.41 of FRS 102.

Exemption from presenting a charitable company statement of cash flows as a primary statement to the financial statements.

#### **1.2. Going concern**

The Trustees have at the time of approving the financial statements a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. In addition, the Trustees have no intention to wind the company up in the foreseeable future. It is considered that there are currently no material uncertainties which impact on the charity being able to continue in its current form. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

#### **1.3. Income**

Income is recognised when the charity has entitlement to the funds, any performance conditions attaching to the item(s) have been met, it is probable that the income will be received and the amount can be measured reliably. Income from grants is recognised when the charity has entitlement to the funds, any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. Where grant income has been received, but the charity has not matched the conditions to become entitled to the income, an income deferral is made.

#### **Donated goods and Services**

Donated professional services and facilities are recognised as income when the charity has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

---

from use of the item is probable and the economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the value of volunteer time is not recognised in the financial statements.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is recognised in expenditure in the period of receipt.

### **Investment income**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of interest paid or payable by the Bank.

Rents from letting of charity hall are included when they are receivable by the charity.

### **1.4. Fund accounting**

Unrestricted funds are funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for a particular purpose.

### **1.5. Expenditure**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been apportioned on a basis consistent with the use of the resources.

The cost of raising funds includes fundraising event costs, direct campaigns, general information and public relation costs and their associated support costs.

Expenditure on charitable activities relates to grants awarded and associated support costs. Irrecoverable VAT is charged as a cost against the activity for which expenditure was incurred.

### **Allocation of support costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include administration, finance, human resources, information systems and governance costs which support the services provided to beneficiaries.

These costs have been allocated between the costs of raising funds and expenditure on charitable activities on the basis set out in note 4.

### **1.6. Staff costs**

There were no employees during the year.

### **1.7. Tangible fixed assets**

Fixed assets are included on a historical cost basis. It is a policy of the trustees that individual items with a cost below £300 are not capitalised. Depreciation is provided at the following rates and bases to write off the cost of tangible fixed assets over their estimated useful lives by annual instalments, with a full year's charge in the acquisition year and no charge in the year of disposal:

### **NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**

---

#### **1.8. Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity held for working capital.

#### **1.9. Taxation**

Smile Aid is a registered charity and as such is a charity within the meaning of schedule 6 of the Finance Act 2010. Accordingly, the Charity is potentially entitled to tax exemption under part 11 of the Corporation Tax Act 2010 or section 256 of the Taxation of Chargeable Gains Act 1992 in respect of income and gains arising.

#### **2. Allocation of support costs**

Support costs are allocated between the various activities of the charity based on an estimate by management of time spent by trustees on each activity. Some trustees have roles which support more than one activity. The allocation of these costs are considered to be critical to the accounts because they have the ability to materially alter the allocation of costs between expenditure on raising funds and expenditure on charitable activities.

Our youth workers role-play and engage with the young people of the society to instil the core values of respect, inclusiveness, equality, empowerment, valuing difference, education and participation. Most of our volunteers are of the age group 16 – 40, many of them from very affluent backgrounds. Our manifold humanitarian work, open their eyes to the vast problems faced by our less privileged fellow beings, empowering the volunteers to do their bit to help them lead a dignified life. from use of the item is probable and the economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the value of volunteer time is not recognised in the financial statements.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the charity which is the amount the charity would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is recognised in expenditure in the period of receipt.

### **Investment income**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of interest paid or payable by the Bank.

Rents from letting of charity hall are included when they are receivable by the charity.

### **1.4. Fund accounting**

Unrestricted funds are funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for a particular purpose.

### **1.5. Expenditure**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been apportioned on a basis consistent with the use of the resources.

The cost of raising funds includes fundraising event costs, direct campaigns, general information and public relation costs and their associated support costs.

Expenditure on charitable activities relates to grants awarded and associated support costs. Irrecoverable VAT is charged as a cost against the activity for which expenditure was incurred.

### **Allocation of support costs**

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include administration, finance, human resources, information systems and governance costs which support the services provided to beneficiaries.

These costs have been allocated between the costs of raising funds and expenditure on charitable activities on the basis set out in note 4.

### **1.6. Staff costs**

There were no employees during the year.

### **1.7. Tangible fixed assets**

Fixed assets are included on a historical cost basis. It is a policy of the trustees that individual items with a cost below £300 are not capitalised. Depreciation is provided at the following rates and bases to write off the cost of tangible fixed assets over their estimated useful lives by annual instalments, with a full year's charge in the acquisition year and no charge in the year of disposal:

**1.8. Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity held for working capital.

**1.9. Taxation**

Smile Aid is a registered charity and as such is a charity within the meaning of schedule 6 of the Finance Act 2010. Accordingly, the Charity is potentially entitled to tax exemption under part 11 of the Corporation Tax Act 2010 or section 256 of the Taxation of Chargeable Gains Act 1992 in respect of income and gains arising.

**2. Allocation of support costs**

Support costs are allocated between the various activities of the charity based on an estimate by management of time spent by trustees on each activity. Some trustees have roles which support more than one activity. The allocation of these costs are considered to be critical to the accounts because they have the ability to materially alter the allocation of costs between expenditure on raising funds and expenditure on charitable activities.
