During food distributions, officers from many different departments join us and support our activities. This helps to maintain order and legitimacy to our actions.

We frequently visit hospitals, in and around Manchester area, to visit patients who feel lonely. We sit and chat with them in a friendly and caring way, and give them seasonal gifts to celebrate the occasion, which they could not afford to get otherwise.

We believe in promoting positive values in our youth, who are going to be tomorrow's future. Our youth workers role-play and engage with the young people of the society to instil the core values of respect, inclusiveness, equality, empowerment, valuing difference, education and participation. Most of our volunteers are of the age group 16 – 40, many of them from very affluent backgrounds. Our manifold humanitarian work, open their eyes to the vast problems faced by our less privileged fellow beings, empowering the volunteers to do their bit to help them lead a dignified life. Our youth workers chat to youngsters from vulnerable backgrounds, encouraging them to join us and not to fall victims to the deadly trap of drugs and violence.

The youth workers in our team are actively involved in the decision making process of the organisation and it is with their active involvement that a major chunk of our work is accomplished. By actively engaging them, we create positive vibes which act as a conduit to develop the essential skills, values, and knowledge to be responsible adults.

Community Cohesion

Throughout the pandemic community cohesion, assisting and helping others has been promoted. Unfortunately we were unable to hold the cohesive events as we did before the pandemic. However community cohesion was promoted throughout our other activities during the year.

We believe in the dictum that everybody has the right of equality, irrespective of their personal beliefs, ethnicity, life choices, or ability. We actively strive towards instilling a sense, common vision and a sense of belonging for all communities.

Water Project

Our overseas humanitarian projects in Pakistan has been in providing a regular supply of Clean running water in Pakistan throughout the year, to areas hard hit by water shortage and vulnerable areas, by constructing hand pumps, tube wells, and water filter plants. We have also installed many plants in schools, mosques, churches and other community places, where lack of funding is a real issue. Owing to our charitable work, we get requests from community gathering places for support. We assess individual cases as to how lack of finances affect the well being, and if qualifies, the charity installs water plants so that there is a steady supply of safe drinking water for the community.

INDEPENDENT EXAMINER S' REPORT TO THE TRUSTEES OF SMILE AID

I report on the accounts for the year ended 31 March 2021 set out on pages Fourteen to twenty one.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year (under Section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is required.

It is my responsibility to:

- examine the accounts under Section 145 of the 2011 Act
- to follow the procedures laid down in the General Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statements below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements
 - to keep accounting records in accordance with Section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the 2011 Acthave not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

In addition, the Trustees have no intention to wind the company up in the foreseeable future. It is considered that there are currently no material uncertainties which impact on the charity being able to continue in its current form. 1.5. Expenditure

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been apportioned on a basis consistent with the use of the resources.

The cost of raising funds includes fundraising event costs, direct campaigns, general information and public relation costs and their associated support costs.

Expenditure on charitable activities relates to grants awarded and associated support costs. Irrecoverable VAT is charged as a cost against the activity for which expenditure was incurred.

2. Allocation of support costs

Support costs are allocated between the various activities of the charity based on an estimate by management of time spent by trustees on each activity.
