FOR ENGLAND AND WALES**

Trustees' Annual Report for the period

From 01st April 2020 Period start date To 31st March 2021 Period end date

Charity name: Unity Gym Project

Charity registration number: 1178237

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>The objects of the CIO are to protect and promote the physical health and mental well-being of the inhabitants of Sheffield and surrounding districts without distinction of sex, sexual orientation, disability, age, race, nationality, or of political, religious or other opinions, through the provision of: (a) recreational and leisure time activities provided in the interest of social welfare, designed to improve their conditions of life; (b) support and activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals. (c) advice and assistance through organising programmes of physical, educational and other activities as a means of advancing education and relieving unemployment; and to promote, for the benefit of the public, good citizenship and greater public participation in the prevention and solution of crime in the area.</p>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>Trustees have considered the Charity Commission guidance on public benefit when planning future activities.</p> <p>Unity Gym Project aims to provide services to the local community by engaging with vulnerable young people and adults who often do not wish to access mainstream services. This is achieved through youth work provision, peer mentoring, work experience placements, employability support and sporting activities such as football, basketball and strength and conditioning training.</p> <p>Broomhall is currently the third most deprived ward in Sheffield. The ward is home to predominantly young, poor people, from minority communities: recent statistics show that 28% of the community are young; 53% of the ward's population are living in areas classed</p>

		<p>amongst the 10% most deprived in England; 41.8% of children in Broomhall are at risk of living in poverty, which is almost double the national average; 35.9% of school pupils are eligible for free school meals; and, 62% of residents are from the Black and Ethnic Minority community, again significantly higher than the average across the city; large scale unemployment, with 26% of the working age population claim benefits compared with 15.9% in Sheffield, high levels of crime and antisocial behaviour, with 527 crimes recorded in April 2017 including a shooting and stabbings.</p> <p>We work alongside various community and government agencies to help to create safe spaces where groups can come together and build trust. The charity provides free access to a community gym and a weekly youth centre. The diverse nature of the residents within the community has made it difficult for agencies to provide services for everyone, this is viewed by some as selectivity and has led to further community division, as a result Unity Gym Project provides training to agencies working with families in Sheffield to help the agencies to understand the issues faced by young people and families living with deprivation.</p> <p>The Unity Gym Project offers vital support and opportunity to young people, families and the community from Broomhall and further afield in Sheffield. In an area of concentrated deprivation, poor health, with all of the associated social problems (including low educational outcomes and high rates of anti-social behaviour, poverty), Unity Gym Project is one of the only remaining local services that delivers an appropriate and relevant youth offer. In this respect Unity Gym Project is a fundamental part of the fabric of Broomhall and a crucially important project. The project is accessed and trusted by both young people and their parents and impacts the community positively on a number of levels:</p>
--	--	--

		<p>Unity Gym Project provides many services to the community including: -</p> <ul style="list-style-type: none"> - access to a community gymnasium to improve health and wellbeing; -Community-based mentoring; -teaching and supporting the development of transferable life skills for young people to improve employability, which is achieved by personal mentoring. -Volunteering/employment and other opportunities for the young people and adults to upskill and grow their skills, such as by providing voluntary gym placements. -Providing an open space youth club offering sport, physical activity, arts and crafts and other activities to engage young people. - Detach youth work and community outreach -Promoting health and fitness through the delivery of wellbeing programmes, information and advice. -Organising trips and events with other local communities to break down barriers and improve peer to peer relationships. -School holiday provisions with food to tackle holiday hunger. -Mediators project to diffuse conflict and improve community cohesion. - Bespoke violence reduction programmes -
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	<p>The Trustees comply with the duty contained in the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.</p> <p>Unity Gym Project was established to benefit a particularly deprived community within Sheffield operating on a open access facility that welcomes everyone and so provides a service for all in the neighbourhood. The trustees make their decisions using a combination of community feedback, questionnaires, statistics, reoffending rates and exclusion rates.</p> <p>The trustees assess the needs of the people in the community and will support those individuals that meet the criteria of the trustees, which is mainly focused around the positive impact and benefit which the organisation can bring to improve the lives of those living in the local community.</p>

Policy on grant making	Para 1.38	We carry out general fundraising and organises fundraising events and activities within the community, where it receives small contributions from local resident. We also apply for grants from both the public and private sectors, such as Sheffield Town Trust, the Lord Mayor of Sheffield, Sheffield City Council, South Yorkshire's Community Foundation, Sport England, Street Games, Violence Reduction Unit, Yorkshire Sport Foundation, Levelling the playing field.
Policy on social investment including program related investment	Para 1.38	No policy required at this stage as there have been no program related investments.
Contribution made by volunteers	Para 1.38	<p>Unity Gym Project is a volunteer led and has always seen volunteers at the forefront of its operation but as the charity expands and develops the addition of employed staff is imminent. The difference Unity Gym Project is able to make is only made possible by the fantastic support we receive in time and money from our volunteers and our supporters.</p> <p>We accommodate volunteers and work experience placements. There are currently 16 volunteers. Through their active involvement in the Unity Gym Project young people and adults benefit from mentoring opportunities, develop employability skills and a sense of ownership to the project.</p> <p>Our volunteers have shown how protective volunteering placements can be and how valuable these opportunities are for people locally.</p> <p>Without the time, skills, energy and commitment of its volunteers it would be unable to function effectively. We appreciate all the support Unity Gym Project has received over the last twelve months.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Unity Gym Project is a registered charity committed to community development, violence reduction and the promotion of health and wellbeing. We engage with vulnerable young people and adults who often don't access mainstream services and help them to make positive life choices.</p> <p>Our ethos is to empower young people and families within the community to take ownership of their own development. Preventing young people from engaging in illicit, harmful or risky behaviours is at the core of our practice.</p> <p>Our continued inspiration comes from the understanding that we are committed to the young people and the community for the long term. This is achieved through: open access youth work; partnership working (including safeguarding referrals and signposting; one-to-one mentoring; family engagement; work experience placements; employability support; early intervention and diversionary activities).</p> <p>With over ten years of experience of delivering youth and community development work, our work is firmly embedded within the community and we have intimate practice knowledge of the issues that young people face. Unity Gym Project was established by and for the community. Our work is co-produced with young people, needs led and responsive to local unmet need and academically driven.</p> <p>We create positive safe spaces where differences are celebrated, knowledge is exchanged, and talent is nurtured.</p> <p>Unity Gym Project is based in Broomhall in Sheffield, one of the top 10% most deprived areas within the UK (IMD, 2015). In an area of concentrated deprivation, with all of the associated social problems (including low educational outcomes, high rates of anti-social behaviour, drug dealing violence and poverty). Across our weekly services Unity Gym Project engaged an average of 102 young people per month which demonstrated a rise in engagement and retention throughout 2020/21.</p> <p>Broomhall has been significantly effected by Covid-19, particularly because of its population density/crowded accommodation, alongside cultural/languages barriers to accessible health information. Lack of outdoor space/exacerbated by ongoing building work around Hanover Flats - has significantly restricted many residents access to exercise; making self-isolation even more difficult.</p> <p>As young people and families in Broomhall adjusted to new routines, alongside the personal, financial, social challenges associated with Covid-19 and social isolation. We have had local residents and local services users contacting us regularly to reach out for support over the phone and during our outreach/detached work in community.</p> <p>As a central point of contact and support for the Broomhall community and with demand for support increasing, Unity Gym Project made a number of adaptations to offer support around the local effects of Covid-19. Examples of</p>

	<p>this support include: (i) delivering food parcels to families facing food poverty; (ii) offering remote social support to those self isolating, (iii) outreach work and providing culturally appropriate and accessible health information.</p> <p>The portfolio of Unity Gym Project activities includes:</p> <ul style="list-style-type: none"> - Daily access to the community Gym (Monday – Saturday) - Weekly youth club (Tuesdays) - Girls youth club (Wednesdays) - Weekend football sessions (Saturday & Sunday) - Basketball session at the English Institute of Sport (Fridays) - Enhanced one-to-one mentoring activities - Delivering food parcels to families facing food poverty - Offering remote social support to those self isolating - outreach work providing culturally appropriate and accessible health information. - Bereavement advice and support - Responsive conflict resolution and tertiary prevention, including home visits and coordinating community support following serious youth violence - Routine safeguarding activities, including partnership working, information sharing and signposting - Community consultation / Outreach - Detached outdoor youth work to communicate with young people in a 'covid secure' manner (at social distance) and in 'their spaces' - Create opportunities for impacted communities (particularly but not exclusively young people) to participate in shaping services - Contribution to citywide violence reduction forums, (i.e Sheffield City Council, Sheffield Youth – Neighbourhoods & Communities (SY-NC)/ Violence Reduction Unit). <p>In addition to the delivery of activities listed above, a number of contingencies/additional measures have been necessary in order to respond to community needs during the isolation measures imposed as a result of Covid-19. Unity staff have coordinated numerous activities to support vulnerable young people/families/ elderly, people with mental health needs, disabilities, low income.</p> <p>Covid 19 has had a massive impact on our charity. Since the PMs statement in March, we have closed and have suspended all our core services including our open access provisions (youth clubs, health and wellbeing sessions, teen gym sessions, divisionary sports activities in all sites and Unity community drop ins) in order to adhere to new social distancing rules and regulations.</p> <p>Covid19 crisis has both exacerbated existing challenges and presented new challenges for the communities that we support. Several contingencies and additional measures have been necessary in order to respond to community needs as a result of closure.</p> <p>Our COVID19 response to support community needs included:</p> <ul style="list-style-type: none"> - Delivery of food parcels to vulnerable households throughout the week, - Weekly Community Outreach/Detach youth work - Bereavement advice and support - Point of call for local people in Broomhall to call in - One-one coaching with young people who are self-isolating - weekly arrangements for telephone and on-line contact with our service

	<p>users to offer emotional/wellbeing support, advice, signpost/referrals to relevant services, providing information.</p> <p>We can report a number of distinct achievements over the past 12 months. It is worth situating these activities in context. This timeframe (March 2020 - April 2021) encompassed three national Covid-19 lockdowns permeated by a tiered system of localised restrictions. These conditions generated substantial unforeseen pressures for Unity Gym Project and the communities it serves. They also demanded remote adaptations for a number of activities.</p> <ul style="list-style-type: none"> - Unity Gym Project closed its premises in accordance with national government lockdown guidelines to support members from home. We devised and shared an number of 'at home' activities/workout and tutorials/tips via social media. - Unity Gym Project partner with ShipShape Foodbank, Allama Iqbal Cricket Club to respond to the increasing levels of unemployment/food poverty. Responding to this need has meant delivering food parcels to vulnerable households throughout the week. To date we have supported 237 people with food/ shopping/ applications to universal credit/virtual support in the locality. It is important to acknowledge that many families would feel too uncomfortable/ashamed to access foodbanks in the city. Given this, we have been able to offer vital support to vulnerable young people and families who may not otherwise have accessed help. - UGP supported a number of local young people to attend Sheffield BLM protest in the wake of the murder of George Floyd. - Successfully delivered and completed Project 0114 – Early Interventions Youth Engagement and Universal Peer Education & Skills Based Programme for young people who are at risk of involvement in youth violence - Unity Gym Project awarded core funding from Violence Reduction Unit to respond to the impact of COVID19 on young people and continue project work (with expansion of mentoring activities) - We refurbished our centre to make it covid secure' mounted sanitizing equipment/reorganized space to open in accordance with guidelines. - Unity Gym Project invited to deliver Healthy Holidays programme for young people in Broomhall during school half term holidays. - UGP host private and Covid safe health and fitness sessions for Broomhall Girls youth group - Unity Gym Project invited to attend Sheffield City Council BAME Inequalities Public Health Network in response to impact of COVID19 on Broomhall Community and share good practice. - Unity Gym Project & Dr Will Mason co-author publication for Youth & Policy reflecting on our youth led filmmaking project: https://www.youthandpolicy.org/articles/unitydoc/ - Unity Gym Project partnered with Broomhall Homework Club / The Lit Collective Sheffield to deliver a series of 4 remote creative writing sessions for young men, focused around the theme of 'emergence' - Unity Gym Project co-delivers interactive training session "Serious youth violence: understanding harmful contexts" to MA Social Work students at Dept. Soc Studies, University of Sheffield - Unity Gym Project partner with researchers at Manchester University (Centre of Dynamics of Ethnicity) to recruit participants for research on policing & racial disproportionality during the pandemic.
