

1. Introduction

The Trustees of the Kwinella Diaspora Association (KDA) present their annual report and statement of activities for the financial year ended 31 December 2024. The report outlines the Association’s objectives, achievements, and community impact during the reporting period.

2. Objectives and Aims

KDA exists to promote community development, education, and healthcare improvement within Kwinella and surrounding areas. Our objectives are to:

- Support education by improving access to learning materials and infrastructure.
- Strengthen healthcare delivery in the community through the supply of essential equipment.
- Enhance sanitation and community welfare through the provision of clean and safe facilities.
- Foster collaboration between diaspora members and local institutions to achieve sustainable development goals.

3. Main Activities and Achievements in 2024

During the year, the Association continued its commitment to improving living standards in Kwinella through a series of community-based projects:

Activity	Details / Description	Beneficiaries / Impact
Education Support	Provided tables and chairs to the Kwinella Primary School to improve classroom comfort and learning conditions.	Over 75 pupils and teachers benefited directly from improved classroom facilities.
Health Centre Support	Supplied the Kwinella Health Centre with a refrigerator for vaccine and	Improved healthcare delivery and patient care.

	medicine storage, and a wheelchair to assist patient mobility.	
Sanitation Improvement	Assisted the community with the provision and installation of toilets, sinks, and cisterns.	Enhanced hygiene and sanitation for local households and public areas.
Community Engagement	Maintained active engagement between the diaspora members and community leaders to identify needs and monitor project outcomes.	Strengthened accountability, participation, and local ownership of development initiatives.

4. Financial Review

All activities during the year were funded through voluntary donations from members and well-wishers of the Association. Funds were applied directly to project costs, ensuring maximum community benefit. The Trustees have maintained prudent financial management and record-keeping throughout the year.

A detailed statement of income and expenditure will accompany this report in the financial statements.

5. Plans for 2025

For the year ahead, the Association intends to:

- Continue improving educational infrastructure through additional classroom and library support.
- Support the Health Centre with minor renovation works and additional medical supplies.
- Expand sanitation initiatives to cover more households.
- Establish a small community development fund to respond rapidly to local needs.

6. Governance and Management

The Association is managed by a Board of Trustees who serve voluntarily. Trustees meet regularly to plan and oversee all activities. All decisions are made collectively and in line with the Association's constitution and community priorities.
