Independent Examiner's Report to the Trustees of Brainstorm (The Oxford Brain Tumour Research Foundation)

I report to the trustees on my examination of the accounts of Brainstorm (The Oxford Brain Tumour Research Foundation) ('the charity') for the year ended 31 May 2024 which comprise the summary of receipts and payments and the statement of assets and liabilities.

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no audit opinion on the accounts and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the accounts do not accord with those records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Achievements and performance

Summary of the main achievements of the charity during the year

During the year we focussed on patient and patient family contributions. Our main use of funds was on agreeing trials which would potentially improve the patient experience, getting larger charities to add to our seed corn contribution.

As a result a major £1m plus trial starting in 2023, and a second may follow. We met face to face and by Zoom several times to ensure maximum efficiency of fund raising and to discuss our social media presence.

We calculated £100,000 to this first trial and will review whether to contribute to the second during 2023.

Independent Examiner's Report to the Trustees of Brainstorm (The Oxford Brain Tumour Research Foundation)

I report to the trustees on my examination of the accounts of Brainstorm (The Oxford Brain Tumour Research Foundation) ('the charity') for the year ended 31 May 2022 which comprise the summary of receipts and payments and the statement of assets and liabilities.

This report is made solely to the charity's trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the charity's trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for my work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the accounts. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no audit opinion on the accounts and my report is limited to those specific matters set out in the independent examiner's statement.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Summary of the main achievements of the charity during the year

Activities throughout the year were severely limited by the COVID virus impact. Fortunately as we have no fixed costs we were not vulnerable and during the year end did manage to procure and launch the new ultrasound scanner, a major breakthrough.

We also during the year significantly improved a presence and communications on social media such as Facebook, Twitter etc. and completely upgraded our on line gifting platform so that user interfaces were much easier and friendly.

We are also using our modest finances to support trials which then attract much larger investments from other funds/charities.

We are also clear for our focus for the new year so that we can turn strategy to action as soon as there is a return to a degree of normal.
