

## TRUSTEE'S ANNUAL REPORT 01/01/2024 – 31/12/2024

There were no changes to the constitution or to trustee details in 2024.

The year began with schools normal, but the food situation was still poor and school fees had risen again to 27,000,000 UGX for 60 students per term, which, given the exchange rate, came to about £5,800. We sent a total of £17360 for the three terms. With the school fees, we sent about £2000 of aid in January, May and August. We also sent aid in March, April, June, November and December, giving a total of £12764.

School fees and aid were all we were able to do in 2024. We found no source of income for the project for primary school classrooms.

Regular standing order donations held up with some stopping and some increasing and we continue to use these, along with the Gift Aid, for school fees for secondary students. These donations are not sufficient to cover the school fee costs, which require additional contributions from general donations.
