

Trustees Annual Report 21/22

The West Tarring Young People's Hub vision is to continue to develop the capabilities of young people and their families in the local area and promote their interests in a safe and creative environment.

During the financial year of 21/22 the trustees were able to prioritise utilising the premises for other local community groups and non profit organisations. Partnering with these, which included South Coast South Club, we started to see the hub being used on a more regular basis. Our current priorities are to continue to grow interest and contacts for further volunteer opportunities in the form of trustee roles within our charity. We are also planning to engage and work with further non-profit organisations with an aim to provide further opportunities that meet the Hub's vision.
