- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Global Village Action is a small charity which is run by voluntary trustees domiciled in London and the surrounding suburbs. There were again limited activities in the current year due to the disruptions and continuing affects caused by the SARS COVID-19 pandemic. Also due to the passing away in 2021 of the then Operational Liaison trustee and this year another trustee contracting a stroke. This has limited the ability of the remaining trustees to meet or run the core programmes of the charity. In addition, fundraising objectives continued to be suspended with the charity becoming semi-dormant throughout this financial year.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Prevention and relief of poverty and the advancement of Christian evangelical religion by providing access to food, clothing, shelter. Skills training, pastoral counselling, internships, exchange programmes and evangelical outreach.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Continuing awareness of the SARS COVID-19 virus and its variants and the lack of personnel, were negatively impactful on activities again in this current financial year.

GVA's limited activities were focused on maintaining the charity's operations backbone and potential partnership in readiness for the point when it can begin to move forward again with its stated activities and programmes.

- Evangelical outreach programmes:
- Feeding programmes:
- Selecting / training a pioneer star trainee:
- Continue with the design concept / developments, drawings and models for the future live-in facility for indigent persons.

The charity trustees have complied with the duty in section 4 of the Charities Act 2006 to have due regard to the public benefit guidance published by the Charity Commission.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

There were no grants, investments, or structured contributions made by volunteers.

Summary of the main achievements of the charity during the year

The Global Village Action charity has been semi-dormant with regard to activities and programmes throughout this financial year due in part to the continuing SARA COVID-19 awareness, insufficient funding and personnel.

Section E

Financial review

Brief statement of the charity's policy on reserves

As a small charity with no employees, limited funds, negligible overheads, and flexible programmes, GVA aims to keep less than 5% of raised funds in reserve to meet its public interest programmes and emergencies.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

GVA received limited cash donations in the amount of £113.00 from private sources in the financial year. Donations were applied to support backbone activities outlined above. Trustees continue to work to raise meaningful funds with which to accelerate the intervention programmes outlined above.
