	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<b>Our purpose is to relieve the needs of children suffering from childhood cancers and histiocytosis and support these children through the provision of gifts and activities to enhance their physical, emotional and psychological health, ease suffering and provide comfort.</b> <b>We also raise awareness about childhood cancer, in particular histiocytosis, and provide support and information to families.</b>
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<b>We have had limited fundraising opportunities this year post Covid and have relied on online giving via Paypal and through fundraising via Amazon and Facebook. We have however continued with research and preparation of our next gifting projects. Our Super Gift boxes have continued to be delivered to children throughout the UK in new bespoke gift boxes. This has brought a lot of comfort and positivity to families with children affected by cancer. We have also promoted our soft toy project and created all the merchandise and design elements for our 'anti anxiety' gifting scheme. With feedback from the cancer ward at Leicester Royal Infirmary and their play team we have agreed on how and when to implement this scheme to offer maximum support to the children. The feedback has been fantastic with other areas of the children's hospital wanting to get involved. This is something we will think about in future and whether we aim our gifts to children's hospitals in general.</b> <b>We have continued to raise awareness by sharing our personal story about histiocytosis.</b>

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	<b>All the trustees have reviewed the guidance, and this has been considered when planning the charity's work for the year ahead.</b>
