

The Friends of Woking Community Hospital ("FWCH")

Registered Charity Number 1178417

Trustees' Annual Report for the year to 31st January 2022

The charity is a Charitable Incorporated Organisation ("CIO"). Its Principal Address is White Lodge, Pond Road, Woking, Surrey GU22 0JT.

The charity was formed on 14th May 2018, and registered on 17th May 2018, as the successor to the unincorporated charity Reg. 261396, the League of Friends of the Woking Community Hospital, for which the working name in recent years has been The Friends of Woking Community Hospital.

The Charity Trustees who manage the charity are, and were during the reporting period:

Mr J K Allan	Chairman
Dr A C Shephard	Vice-Chairman (from 15 February 2021)
Mr P W Spreckley	Treasurer (and Vice-Chairman to 15 February 2021)
Mrs B Hedges	Secretary
Mrs A Luckham	Membership Secretary
Mrs B Hunwicks	(from 8 November 2021)
Mr B J Luckham	
Mr C P Saunbury	
Mrs M-T Whatley	(to 14 April 2021)

The Charity is governed by its Constitution, and is constituted as a Charitable Incorporated Organisation ("CIO"). The Constitution follows the model set by the Charity Commission for an Association CIO – that is, one like ours which has a membership other than the trustees.

The Trustees are elected by the members of the CIO at the Annual General Meeting. Trustees retire in rotation, and are eligible for re-election. If necessary, Trustees can be elected temporarily by the other Trustees at a properly constituted meeting, and confirmation sought at the next Annual General Meeting.

The Trustees seek to broaden the group from which both members and Trustees of FWCH are drawn, so that it can fully reflect the users of the Community Hospital. This has been very difficult in the past, and part of the motive for changing the structure of the charity to a CIO has been to make trusteeship attractive to more people who would make good trustees.

The objects of FWCH are:

To relieve patients and former patients of the Woking Community Hospital and other invalids in the community who are sick, convalescent, disabled, handicapped or infirm and, generally, to support the charitable work of said Hospital.

The main activities of FWCH in relation to these objects are:

- Raising funds, mainly through subscriptions, donations and legacies, street collections and local events.
- Providing funds to the Hospital for their purchase of specified equipment, chosen by the Hospital, as agreed in advance with FWCH.
- Other gifts of money to the Hospital.

- Volunteer activity at the Hospital. The Volunteer activity includes decorating the Hospital at Christmas.

FWCH's receipts

FWCH's receipts for the year totalled £13,399. Of this, subscriptions were £4,350.

AGM

Due to the Covid situation, the AGM was again held on Zoom in 2021.

Giving to the Hospital

Arrangements are in place with the service providers at the Hospital to ensure that our funding is for public benefit. This is a matter for continual vigilance.

Gifts to the Hospital by the CIO during the year have totalled only £2,273. The continual reorganisation forced on the hospital by Covid has prevented the staff from considering much which we should fund, beyond our regular commitment for newspapers and the like.

The outstanding Wish List of items which we have agreed to fund totals £8,074. At 31 January 2021 it stood at £7,096.

FWCH's Reserves are maintained at a level in excess of all known and probable obligations, taking no account of anticipated income.

On a receipts and payments basis, these reserves are represented by cash in accounts with Lloyds Bank and with Virgin Money. The Reserves are a single, general, fund.

The Trustees consider that the major risks to FWCH are:

- Litigation related to equipment funded by the Association. This risk is managed by ensuring that FWCH's role is strictly limited to the provision of funds, and by having Public Liability Insurance.
- Litigation arising from the voluntary work done by its members. This risk is managed by limiting the scope of work undertaken, by care in its execution, and by having Public Liability Insurance.
- Re-allocation of funded equipment to other Hospitals, or its redundancy due to policy changes. These risks can be managed to some extent by obtaining letters of undertaking from the Hospital on major items, but in the end the matter is in the power of the NHS and the hospital management.
- Risk of bank collapse. This is not thought at all likely. Also, all our funds are covered by the FSCS compensation scheme.
- Risk of acting improperly in making donations for the benefit of the Hospital. This is being managed by careful review of Wish Lists, guided by the procedures which have been developed with NHS and the service providers.
- Litigation associated with our use of the internet. Our Trustee Indemnity insurance provides some, but limited, cover against such a situation.

Data Protection

The data protection policy of the CIO is the same as that of the predecessor unincorporated charity, and complies with the data protection law (the GDPR) which became effective on 25 May 2018.

The consents given to the unincorporated charity to hold and use data explicitly allowed for them to apply to the CIO on the same terms if and when it was formed.

Responses to mandatory questions from the Charity Commission

Your charity's income and spending? Income £13,399, spending £4,022

Does your charity raise funds from the public? Yes

Does your charity work with a professional fundraiser? No

Does your charity work with a commercial participator? No

Is grant-making the main way your charity carries out its purposes? Yes

In this period, did your charity receive income from contracts from central government or local authorities? No

In this period, did your charity receive grant funding from central government or from local authorities? No

In this period, did your charity receive income from outside the UK? No

During this period, did your charity operate outside England and Wales? No

Are the Trustees satisfied that the charity's risk management policy and procedures adequately address the risks to the charity arising from its activities and/or where it operates? Yes

Does the charity have any trading subsidiaries? No

During this period, did any of the Trustees receive remuneration or benefits other than expenses incurred? No

For what services were any of the Trustees paid? None

During this period, did any of the Trustees resign and take up employment with the charity? No

During this period, did any of your charity's staff receive total employment benefits of more than £60,000? No

How many UK volunteers, excluding Trustees, have during [this] period? This is hard to define, but about eleven

During this period, did your charity review its financial controls? Yes

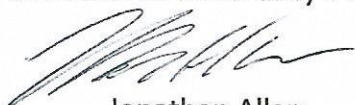

Has the charity obtained a standard, enhanced or enhanced with barred lists DBS check on all trustees, employees and volunteers who are in roles that are eligible for these checks? No such roles

Declarations

(i) The Trustees declare that they have approved the Trustees' report above.

(ii) The Trustees declare that there have been no serious incidents within the Charity during the reporting period or subsequently that could significantly harm the Charity's property, work, beneficiaries or reputation; nor have there been other matters in that period which they should have brought to the attention of the Charity Commission.

Signed on behalf of the charity's trustees

Jonathan Allan
Chairman

Treasurer

Independent examiner's report to the trustees of The Friends of Woking Community Hospital Charitable Incorporated Organisation ('the CIO')

I report to the charity trustees on my examination of the accounts of the **CIO (Registered Charity Number 1178417)** for the period from 1 February 2021 to 31 January 2022.

Responsibilities and basis of report

As the charity trustees of the CIO you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the CIO's accounts carried out under section 145 of the Act. In carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

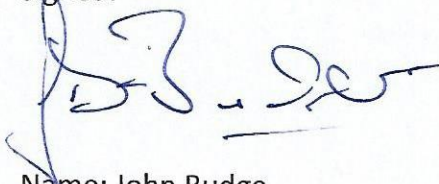

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

A handwritten signature in blue ink, appearing to read 'J. Budge', with a horizontal line underneath.

Memo: ALLOCATIONS of RESERVES against WISH LIST			
Total Wish List still to fund		8,074	7,096
Unallocated funds		34,639	26,241

Notes:

1. Donations to the Hospital are controlled through a Wish List prepared by the Hospital, and agreed by FWCH. It is not unusual for items on a wish list to be dropped when events so dictate, so the mere presence of an item on the list does not indicate a firm commitment to that spend. Estimates may also be updated as purchase proceeds. Once the Hospital has initiated purchase, however, FWCH can be fairly sure that the corresponding funds will be required; and when the supplier has submitted his invoice, the Hospital has agreed it, and NHS or the service provider has paid it, the amount of FWCH's liability is fully defined.

2. As at 31 January 2022:

- (a) apart from its agreements under the Wish List, the CIO has given no guarantees
- (b) the CIO has no debts secured on its assets

3. Gift Aid tax recoverable on subscriptions and donations is credited in the period in which it is received
