Description of the charity's trusts

Type of governing document
(eg. trust deed, constitution)

Constitution

How the charity is constituted
(eg. trust, association, company)

CIO with Members

Trustee selection methods
(eg. appointed by, elected by)

Trustees may be appointed by the Board of Trustees. New Trustees are then approved at the next AGM along with any Trustees seeking re-approval. Any member may propose a Trustee at the AGM provided one month's notice is given in writing to the Secretary and the proposal is signed by two other members as proposer and seconder together with a signed statutory declaration by the person proposed that they would accept the position and are a proper and fit person to be a Trustee.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Financial Controls Policy
Risk Management Policy
Health and Safety Policy

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are:
To promote for the benefit of the public in Surrey Heath and neighbouring areas the conservation protection and improvement of the physical and natural environment by promoting biological diversity.
To advance the education of the public in the conservation, protection and improvement of the physical and natural environment.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Surrey Heath Tree Wardens undertakes:

- Conservation works in relation to woodlands, tree planting and the conservation and protection of trees
- Works to encourage the planting and protection of trees
- Provides education on the benefits provided by trees especially their role in creating and engendering biodiversity and their role in improving human physical and mental health

These activities are undertaken for the benefit of the public within the area of benefit for the charity.

The trustees have at all times had regard to the guidance issued by the Charity Commission on public benefit.

Our charity is exclusively based on volunteers and does not employ or pay anyone to carry out work on its behalf. Our volunteers are fully recognised by us as our main resource in delivering our charitable objectives.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Warren Wood - GU16 8SW Ancient Woodland Restoration. (1.35 Hectares)

This was our first working site which commenced in November 2018. We are now finally at the end of the removal of invasive species, mainly Holly, Laurel, and a small amount of Snowberry. Once again during the year we were delighted to have support from Surrey Choices. Our volunteers have done an amazing job and it is lovely to see the flowering of revived native plant life, including Daffodils, Anemone and Bluebells, to hear bird song which had been missing for many years, and note the large amount of Badger activity in this beautiful woodland oasis surrounded by housing. Our average Volunteer turnout at this site is estimated as about 5 per session. Going forward, we now need to keep the wood clear of regrowth from the invasives and garden (domestic) plants, to encourage the native plants to thrive for future generations to enjoy.

R M A Sandhurst GU15 4PQ -Woodland Maintenance and Ivy Reduction

This was a new site for us in 2022, and is not without its challenges due to security protocols and staff communications. However, we have overcome these challenges so far, and much enjoyed our efforts. We were invited to work with RMA as the trees planted in the late 1800s are very much mature now and need a helping hand to overcome the Ivy and some under storey competition.

Volunteer numbers on this project are about 4 to 5 per session which is very acceptable, considering that we work there one Saturday per month, and all helpers have to be security cleared, which takes time.

Frimley Green Recreation Ground and Woodland GU16 6LB - Approximately 1,000 saplings were planted at Frimley Green Recreation Ground.

Further, we are now carrying out a large amount of old dense understorey clearance to allow the woodland to once again rejuvenate and improve sight-lines and security for walkers. Average Volunteer numbers per session between 9 to 13 per session.

**Crawley Ridge Junior and Infant School Sites (2)
GU15 2AJ**

At both schools we have enhanced outside Forest Schools at both these sites, to enable pupils to be taught outside, and in a woodland context, about the environment and all things nature. This is very much part of our educational aims.

Bullswater Common, GU24 0LZ

We helped build a Dead Hedge to contain Goats whilst they are on the heathland for environmental purposes.

Section E Financial review

While income has been limited, we have sufficient funds to be comfortable at the moment and have no immediate concerns. Income during the year was £166.50 against expenditure of £579.66 leaving us funds of £2,286.42

Brief statement of the charity's policy on reserves

Surrey Heath Tree Wardens retains a £500 reserve in accordance with our Reserves Policy for the purpose of supporting an orderly shutdown of activities if the charity were to encounter an event or events that meant the charity ceased to be viable.

Details of any funds materially in deficit

None

Section G Declaration

The trustees declare that they have approved the trustees' report above.

The objects of the CIO are:
To promote for the benefit of the public in Surrey Heath and neighbouring areas the conservation protection and improvement of the physical and natural environment by promoting biological diversity.
To advance the education of the public in the conservation, protection and improvement of the physical and natural environment.

Surrey Heath Tree Wardens undertakes:

- Conservation works in relation to woodlands, tree planting and the conservation and protection of trees
- Works to encourage the planting and protection of trees
- Provides education on the benefits provided by trees especially their role in creating and engendering biodiversity and their role in improving human physical and mental health

These activities are undertaken for the benefit of the public within the area of benefit for the charity.

The trustees have at all times had regard to the guidance issued by the Charity Commission on public benefit.

Our charity is exclusively based on volunteers and does not employ or pay anyone to carry out work on its behalf. Our volunteers are fully recognised by us as our main resource in delivering our charitable objectives.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Warren Wood - GU16 8SW Ancient Woodland Restoration. (1.35 Hectares)

This was our first working site which commenced in November 2018. We are now finally at the end of the removal of invasive species, mainly Holly, Laurel, and a small amount of Snowberry. Once again during the year we were delighted to have support from Surrey Choices. Our volunteers have done an amazing job and it is lovely to see the flowering of revived native plant life, including Daffodils, Anemone and Bluebells, to hear bird song which had been missing for many years, and note the large amount of Badger activity in this beautiful woodland oasis surrounded by housing. Our average Volunteer turnout at this site is estimated as about 6 per session. Going forward, we now need to keep the wood clear of regrowth from the invasives and garden (domestic) plants, to encourage the native plants to thrive for future generations to enjoy.

Windlesham Field of Remembrance, GU20 6AA - Woodland Maintenance.

We have been supporting this lovely Community owned, mainly Beech Woodland, for 3 years. During 2022 we cut out much Laurel and Holly to reinstate the understory. Our efforts over the years have allowed hundreds of Native (Beech, Birch and Oaks) to self-plant, root and grow. As at Warren Wood, we have also put up many Bat and Bird Boxes a number of which are now being used. In Spring 2022 we put in a Dead Hedge around part of the traditional pond to protect Frog and Toad spawning areas from disturbance, and also allow an area for the Ducks to rest on land not easily chased off by dogs and children. This action was hugely appreciated by visitors and management alike. For the future, we envisage continuing cutting out the invasive species and also restricting their regrowth. In 2023 we have planted approximately 100 new saplings in a cleared area where senior trees have succumbed to "old age". Our volunteer numbers at this site have varied from 4 to sometimes 7, 8 or more at work parties.

R M A Sandhurst GU15 4PQ -Woodland Maintenance and Ivy Reduction

This was a new site for us in 2022, and is not without its challenges due to security protocols and staff communications. However, we have overcome these

challenges so far, and much enjoyed our efforts. We were invited to work with RMA as the trees planted in the late 1800s are very much mature now and need a helping hand to overcome the Ivy and some under story competition.

Volunteer numbers on this project are about 8 to 10 per session which, considering that we work there one Saturday per month, and all helpers have to be security cleared, which takes time, I feel is very acceptable.

Frimley Green Recreation Ground and Woodland GU16 6LB - Planting approx. 1,000 saplings

Approximately 1,000 saplings were planted at Frimley Green Recreation Ground. Further replacement planting will be undertaken in 2024

Windlemere SANG - GU24 9QL - Newly Developed SANG - Planting of Community Orchard – 47 Semi Mature Fruit Trees

This was a wonderful project for us to be involved with planting in 2022 and helping with maintenance in 2023. The Orchard includes many varieties of fruit, including a Walnut Tree! This project is certainly a legacy that will be appreciated by the Community for many decades to come.

In November of 2023 Tree Wardens helped the local community to plant a new hedge at St John the Baptist Church in Bisley...an extremely muddy affair!

We also did a stint helping children plant whips on the school boundary at Holy Trinity School in West End.

Brief statement of the charity's policy on reserves

Surrey Heath Tree Wardens retains a £500 reserve in accordance with our Reserves Policy for the purpose of supporting an orderly shutdown of activities if the charity were to encounter an event or events that meant the charity ceased to be viable.

This was a new site for us in 2022, and is not without its challenges due to security protocols and staff communications. However, we have overcome these challenges so far, and much enjoyed our efforts. We were invited to work with RMA as the trees planted in the late 1800s are very much mature now and need a helping hand to overcome the Ivy and some under story competition.

Volunteer numbers on this project are about 8 to 10 per session which, considering that we work there one Saturday per month, and all helpers have to be security cleared, which takes time, I feel is very acceptable.

Frimley Green Recreation Ground and Woodland GU16 6LB - Planting approx. 1,000 saplings

This, we thought, would be a “one off” task to support SHBC to plant a 350m Hedgerow around three sides of the area to provide screening for houses adjacent to the site and also to create a nature corridor. Sadly, although the planting took place in March 2022 the vast majority of the saplings perished due to last year’s drought. This has necessitated our having to mostly replant the area again in January this year 2023. At the original planting it was lovely to be supported by the Ahmadiyya Muslim Community Ladies, who had approached us as they wished to support the H.R.H. Green Canopy Campaign. In total we had 32 Volunteers at the original planting, a wonderful achievement!

Windlemere SANG - GU24 9QL - Newly Developed SANG - Planting of Community Orchard - 47 Semi Mature Fruit Trees

This was a wonderful project for us to be involved with. Although the concept wasn’t ours, it was in fact the brain child of The West End Village

Society who raised the money to purchase the trees and sorted out the planting area with SHBC. We were, however, involved in getting the scheme accepted by the Council and for the land use to be agreed. On the day in November 2022, 32 people, including many from WEVS, our Volunteers and Surrey Heath Green Spaces Team made up the “expert” planting Team. The Orchard includes many varieties of fruit, including a Walnut Tree! This project is certainly a legacy that will be appreciated by the Community for many decades to come.

Section E Financial review

Brief statement of the charity’s policy on reserves

Surrey Heath Tree Wardens retains a £500 reserve in accordance with our Reserves Policy for the purpose of supporting an orderly shutdown of activities if the charity were to encounter an event or events that meant the charity ceased to be viable.

Details of any funds materially in deficit

None

Section G Declaration

The trustees declare that they have approved the trustees’ report above.

SURREY HEATH TREE WARDENS

England & Wales - Charity number 1178478

Accounts

Trustees' Annual Report for the period

From :1st January 2021 to 31st December 2021

Charity name: Surrey Heath Tree Wardens

Charity registration number: 1178478

Objectives and Activities

<p>Summary of the objectives of Surrey Heath Tree Wardens</p>	<p>TO PROMOTE FOR THE BENEFIT OF THE PUBLIC IN SURREY HEATH AND NEIGHBOURING AREAS THE CONSERVATION, PROTECTION, AND IMPROVEMENT OF THE PHYSICAL AND NATURAL ENVIRONMENT BY PROMOTING BIOLOGICAL DIVERSITY.</p> <p>TO ADVANCE THE EDUCATION OF THE PUBLIC IN THE CONSERVATION, PROTECTION AND IMPROVEMENT OF THE PHYSICAL AND NATURAL ENVIRONMENT.</p>
<p>Summary of our main activities in relation to those purposes.</p>	<p>Surrey Heath Tree Wardens:</p> <ul style="list-style-type: none"> • Runs Events to foster community involvement in providing support and care for Trees and the Environment • Provides advice and education on the value of Trees and Tree Protection • Fosters the growing and planting of Trees Through our volunteers acts to improve woodlands, green Spaces and other areas
<p>Statement on Public Benefit</p>	<p>As a registered charity Surrey Heath Tree Wardens is committed to demonstrating the benefits its work provides throughout Surrey Heath and surrounding areas for individuals, the community and the wider public.</p>

Achievements and Performance

<p>Conservation</p>	<p>We started the year in lockdown and were therefore unable to do any site work until the end of March when we began a gentle recommencement that took into account the start of nesting season.</p> <p>Sites we are currently supporting include:</p> <ul style="list-style-type: none"> • Crawley Ridge Junior School GU15 2AJ. We helped create a new Forest School area so the initial one could be “rested”
---------------------	--

- Windlesham Field of Remembrance GU20 -6AA -- Clearance of invasive species. Installed bird boxes and bat boxes, and woodland maintenance.
- Chobham Water Meadows. We ran an event clearing Himalayan Balsam.

- Warren Woods, Frimley GU16 8SW we continued our clearance of invasive non-native species and replanting work to restore the understory with appropriate young trees. We built a bug hotel with the help of Surrey Choices and The Rt Hon Michael Gove MP came and planted a tree in Warren Wood

	 <p>We have now completed the initial restoration of approximately three quarters of this Ancient Woodland.</p> <ul style="list-style-type: none"> • We assisted Cordwalles Junior School with an application to the Tree Council for a grant to enable the purchase of trees for their orchard.
<p>Education</p>	<p>Field training for our volunteers Schools seed planting and growing project</p>
	<p>"Warren Wood" by a SH Tree Warden It was dark and abandoned, forgotten it stood, Our local ancient woodland, it's called Warren Wood. It needed our help, it needed our love, It needed the sun light to come in from above. An Army of people decided they'd care, So, one afternoon, with their tools, they met there. A plan was agreed, it was now time to start, With clearing and chopping it would soon look so smart. This jobs much too big, muttered some worried voices, But the Tree Wardens were helped by those strong Surrey Choices. As time passed, the dark lifted, the paths became clear, And the work carried on, year after year. And now as I write this, I sit in the wood, It feels open, alive and as a Wood should. The bird song so perfect, the Squirrels at play, The Badgers are sleeping through this cold winter's day. It's a joy just to sit here, forever if I could, In this beautiful woodland we call Warren Wood.</p>

Financial Review

Review of the charity's financial position at the end of the period	Total Income for 2021 £ 3291 Total Expenditure for 2021 £ 992 Total Funds at Year End £ 3624
Statement explaining the policy for holding reserves stating why they are held	Surrey Heath Tree Wardens retains a £500 reserve in accordance with our Reserves Policy for the purpose of supporting an orderly shutdown of activities if the charity were to encounter an event or events that meant the charity ceased to be viable.

Structure, Governance and Management

Constitution	Constitution approved by the Charity Commission dated 22 nd May 2018
How is the charity constituted?	Surrey Heath Tree Wardens is a Charitable Incorporated Organisation
Trustee selection methods including details of any constitutional provisions e.g. election to post or name of any person or body entitled to appoint one or more trustees	Trustees may be appointed by the Board of Trustees. New Trustees are then approved at the next AGM along with any Trustees seeking re-approval. Any member may propose a Trustee at the AGM provided one month's notice is given in writing to the Secretary and the proposal is signed by two other members as proposer and seconder together with a signed statutory declaration by the person proposed that they would accept the position and are a proper and fit person to be a Trustee.

SURREY HEATH TREE WARDENS

England & Wales - Charity number 1178478

Accounts

Trustees' Annual Report for the period

From :1st January 2020 to 31st December 2020

Charity name: Surrey Heath Tree Wardens

Charity registration number: 1178478

Objectives and Activities

<p>Summary of the objectives of Surrey Heath Tree Wardens</p>	<p>TO PROMOTE FOR THE BENEFIT OF THE PUBLIC IN SURREY HEATH AND NEIGHBOURING AREAS THE CONSERVATION, PROTECTION AND IMPROVEMENT OF THE PHYSICAL AND NATURAL ENVIRONMENT BY PROMOTING BIOLOGICAL DIVERSITY.</p> <p>TO ADVANCE THE EDUCATION OF THE PUBLIC IN THE CONSERVATION, PROTECTION AND IMPROVEMENT OF THE PHYSICAL AND NATURAL ENVIRONMENT.</p>
<p>Summary of our main activities in relation to those purposes.</p>	<p>Surrey Heath Tree Wardens:</p> <ul style="list-style-type: none"> • Runs Events to foster community involvement in providing support and care for Trees and the Environment • Provides advice and education on the value of Trees and Tree Protection • Fosters the growing and planting of Trees Through our volunteers acts to improve woodlands, green Spaces and other areas
<p>Statement on Public Benefit</p>	<p>As a registered charity Surrey Heath Tree Wardens is committed to demonstrating the benefits its work provides throughout Surrey Heath and surrounding areas for individuals, the community and the wider public.</p>

Achievements and Performance

<p>Conservation</p>	<p>Due to the Coronavirus pandemic Surrey Heath Tree Wardens' activities have been limited during 2020 as we have followed the guidance from the Tree Council to suspend volunteering activities during the lockdowns. Accordingly, on site conservation work was restricted to just 3 months of the year, spread over four sites we are currently supporting;</p> <ul style="list-style-type: none"> • Crawley Ridge Junior School GU15 2AJ. There
---------------------	--

	<p>were no working visits and purely advisory work</p> <ul style="list-style-type: none">• Windlesham Field of Remembrance GU20 -6AA -- Clearance of invasive species, and the donation and putting up of bird boxes.• Warren Woods, Frimley GU16 8SW we continued our clearance of invasive non-native species and replanting work to restore the understory with appropriate young trees. We have now completed the restoration of approximately a quarter of this Ancient Woodland.• Holy Trinity School, West End, GU24 9QL, we donated and planted four fruit trees for educational purposes and planted two areas with young trees which will grow to protect the school grounds from oversight by new housing developments. <p>We also assisted Cordwalles Junior School to carry out planting of native tree whips and with their application to the Tree Council for a grant to enable the purchase of cherry trees for their orchard.</p>
Education	Apart from a limited amount of field training for our volunteers we were not able to carry out any Educational projects during the year due to the limitations imposed by the lockdowns.

Financial Review

<p>Review of the charity's financial position at the end of the period</p>	<p>Total Income for 2020 £514 Total Expenditure for 2020 £835 Total Funds at Year End £1325</p> <p>Additional funds were expected as one of the Surrey Heath Mayor's charities for 2019-2020 but these were delayed to 2021 due to the pandemic.</p>
<p>Statement explaining the policy for holding reserves stating why they are held</p>	<p>Surrey Heath Tree Wardens retains a small reserve in accordance with our Reserves Policy for the purpose of supporting an orderly shutdown of activities if the charity were to encounter an event or events that meant the charity ceased to be viable.</p>
