## Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	We seek to bridge the gap between the commissioned services for those individuals who are homeless and/or at risk of homelessness in the city of Birmingham, and those who are on the street, through the provision of food and clothing and the power of befriending. Every day, our volunteers connect with our service-users and meet their immediate needs - providing hot food, drinks, snacks, sleeping bags, clothing and toiletries - and thereby create a consistent and meaningful dialogue that helps us better understand their needs. We then try to signpost them to the relevant services across the city, supporting them along the way.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Every evening of the week, our volunteers tour the city centre with a mobile food-truck, distributing hot food and hot drinks (as well as emergency backpacks and sleeping bags) to, on average, 40 service-users per night. On two mornings each week, our breakfast service (in Cathedral Square) provides hot food, hot drinks and snacks (as well as sleeping bags, rucksacks, new and used clothing and shoes, toiletries, and second-hand books), meeting the needs of approximately 175 people per breakfast. The friendship and trust so established with our service-users allows us to signpost individuals to services elsewhere to address issues of addiction, housing, and mental health.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	It is confirmed that the Trustees have had regard to the Charity Commission's guidance on public benefit.

**Achievements and Performance**

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Our service-users are those experiencing homelessness, or those living in temporary accommodation, and/or those who are vulnerable. They come from all ages, ethnicities and religious backgrounds, but there is a disproportionately high number of men among the people we serve. The charity is volunteer-led and volunteer-run (save for three self-employed people performing background operation roles). We have more than 200 adult volunteers who support the charity and are 'client-facing', but none are ever unsupervised. We take no data (name, date of birth, etc) from any of our service-users. Two hostels for the homeless in Birmingham closed their operations during 2024; coupled with the impact of the cost of living crisis, the numbers accessing our services increased very significantly in the reporting year.</p> <p>Every evening of the week, our volunteers have toured the city centre with a mobile food-truck, distributing hot food and hot drinks (as well as emergency backpacks and sleeping bags) to, on average, 40 service-users per night. On two mornings each week, our breakfast service (in Cathedral Square) has provided hot food, hot drinks and snacks (as well as sleeping bags, rucksacks, new and used clothing and shoes, toiletries, and second-hand books), meeting the needs of approximately 175 people per breakfast. That is an increase of</p>

		<p>approximately 50 people from the previous year. The friendship and trust so established with our service-users is a positive in itself for those who are lonely or feel friend-less or neglected, but it has also allowed us to signpost individuals to addiction support, benefits advice, housing advice, bereavement counselling, employment advice, and asylum-seeker/refugee support.</p> <p>Other notable activities in the reporting year include the provision of lunch for over 150 women/children who had been the subject of domestic violence, as well as the annual Christmas lunch in St Philip's Cathedral on 14 December 2024 (a sit-down, three-course dinner for close to 300 service-users).</p>
