Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	In collaboration with a much larger charity, the club charity volunteered to raise £2000 to support an initiative to send surgeons to GAZA to provide medical support to injured children as a consequence of the war. This is a non-political initiate and one that is purely addressing a humanitarian cause. We used our social media channels to reach out to our friends and families as well as a cricket event to raise the target sum. Within two weeks of our promotion, we were able to reach our target.

Achievements against objectives set	Para 1.41	As well as our charitable aim to be more than a cricket club, our main business is cricket. All our teams both junior and senior play competitive cricket and we are delighted that on all fronts the teams performed well. Our particular success was with our first team squad who had set their heart of achieving champion status of their premier division and then seek promotion to the highest premier level cricket at the amateur level.
Performance of fundraising activities against objectives set	Para 1.41	Our target was to raise funds in the region of £2K to support a good cause. We achieved that.
Investment performance against objectives	Para 1.41	We do not have funds or capital to venture into this area.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Market competition has resulted in slight shortfall in membership numbers. A similar club but with financial might has decided to offer free membership and as a result many young people have moved across to this club. This migration has resulted in nearly £4000 shortfall in funds. Additionally, our second facility where club's 3rd and 4th XI play had to be upgraded and that resulted in £3000 extra expenditure. Both of these events have had big impact on our finances. The club had to dive into small reserves to ensure it could stay afloat and honour any financial commitments with regard to operational business.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	We have very small reserves or they could be referred to as contingency funds for a rainy day. For instance, some of the club's machines for cricket purposes are old and can require replacement anytime. The reserves would have to be used to either get these repaired or replaced. Our current reserves are very small.
Amount of reserves held	Para 1.22	£770.00
Reasons for holding zero reserves	Para 1.22	NA
Details of fund materially in deficit	Para 1.24	None
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	Continued constraints on finances and our ability to attract grants as well as unfair market competition. However we have plans in place to continue our work by engaging our stakeholders, sponsors, seeking vigorously and researching grants for our work with young people and particularly projects such girls' cricket to be more inclusive.

TO WHOM IT MAY CONCERN

As a very small charity we do not have financial capability to appoint an auditor, however here is the process of making sure our accounts are delivered accurately and conform to good standards in line with our values and objectives.

- Club has a treasurer who volunteers to perform this duty
- The treasurer is elected member of the management committee and presents monthly accounts to the management
- The treasurer prepares the accounts on a template annually with various headings for income and expenditure • When the accounts are finalized all evidence is submitted to an independent qualified accountant who offers this service in kind and audits the accounts and finalizes them for publication
- The accounts are annually presented at the club AGM and uploaded on the Charity Commission's website, under Annual Return
- The accounts uploaded are based on this methodology.
