I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31st March 2025.

Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Our programme of trap, neuter and where possible return has continued successfully throughout the year. We have been asked to help with a significant number of large colonies on several farms within the area, where we have effectively controlled the population and rehomed any kittens. Again, this year the demand for help with stray/domestic cats has continued to grow. We are having an increasing number of owners asking us to take into care, domestic cats that they are no longer able to care for. This is becoming a worrying trend, where numbers are now higher than places available.</p> <p>Our rehoming programme has grown during year with a continued increase in the amount of cats and kittens we have homed, which we are hoping continues.</p> <p>We continued to offer help and advice to the general public through direct contact and through our publications and social media. Our fundraising achievements and performance serve to support and sustain the charities main activities. Our charity shop being our main regular income has become very well supported by the local community and our support base for regular monetary and /or non-monetary donation to help towards veterinary costs and caring for the cats/kittens in our care has increased.</p> <p>We have successfully run several appeals to raise funds to cover the cost of expensive, emergency and often life-saving veterinary treatment for the cats/kittens in care.</p>
