Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The purpose of Les Petits Bilingues de Newham is the advancement of education for the public benefit by providing French speaking and non-French speaking children from the ages of 5 to 16+ living in East London with lessons in French and other activities outside mainstream education to help:

- Those with an existing connection with French language, culture and heritage maintain this connection in the UK and with their extended families in their countries of origin.
- Bi-national families who are either settled permanently or temporarily in East London and whose children do not attend French educational establishments meet their needs and values through the provision of French cultural support with a focus on improving the children's language skills, confidence and self-esteem, which in turn will have a further positive impact on their literacy and speaking skills.
- Extend the achieve these purposes by the use of non-traditional and playful teaching methods aiming at creating an atmosphere of fun, engaging students' creativity in their learning and practice of French language.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In the academic year 2020/2021 number of students decreased due to the restricted number allowed in a classroom. However, most of our classes benefited from online French activities with platform such as Google classroom, Kahoot, Padlet. Online cooking and learning were held to provide our students with independent learning tools.in French and Linguascope Furthermore, we grabbed some great opportunities through local language conferences to build upon some amazing partnerships for the development of further project ideas related to French language learning for the benefit our students. Part of our cultural and French annual celebrations programme "Noël dans le monde" (Christmas worldwide) our children created Christmas cards through amazing art and crafts activities and their final work were shared online. In terms of planned school trips, we were able to partnership with Newham local transport group known as DLR to further allow children to travel in London for educational visits at free of costs. « **Destination DLR** » for instance: We approached their services for planning the visit of « Museum of London in Docklands » « The Crystal » (in Royal Victoria), « Newham City Farm » (in Beckton).

We confirm the trustees have had regard to the Charity Commission's Guidance on public benefit.
