Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are the advancement of Christianity for the benefit of the public in accordance with the following:

- a. To worship God the Father, Son and Holy Spirit;
- b. To build up the Church of Jesus Christ, in particular through the teaching and preaching of the Word of God (The Bible);
- c. To proclaim that men and women should repent and believe in Jesus Christ as Saviour and Lord;
- d. As we have opportunity, to do good to all, especially to those who are of the household of faith (Galatians 6:10).

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Meet weekly for the purpose of worshipping God, prayer, reading and studying the Word of God and fellowshiping with one another to build each other up in the Christian faith which can include promotion, encouragement and instruction in effective and productive methods of individual and group study of the Word of God.

Establish sources of material for individual study of the Word of God.

Promote and encourage individual development of worship of the God-head through prayer, music and service to the Kingdom of God.

Promote and encourage all other aspects of individual and group growth in service toward the Kingdom of God through the development of the gifts and talents provided by God.

Present the facts and truth of man's need for salvation and God's plan and provision of that salvation through substitutionary death and resurrection of His Son, Jesus Christ, to all who would hear and receive through regularly held church services and in various means of public outreach.

By careful and informed provision of financial assistance accompanied by advice, spiritual counsel and instruction, where appropriate, to assist needy individuals experiencing unforeseen financial difficulties with the view to their own eventual sustained self-sufficiency in the climate of their surrounding economic and cultural environment.

To intercede in prayer, according to scripture, for those with physical, emotional and spiritual ailments and to offer scriptural advice and instruction in the cure and prevention of such illnesses where practical.

To offer and provide care, sympathy and scriptural counsel to those in distress.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The days for meeting weekly are Sunday mornings by Zoom and Thursday evenings in person during which the activities of worshipping God, prayer, reading and studying the Word of God and fellowshiping with one another are engaged on a regular basis. It is during the meetings that individual and group prayer, worship, Bible study and use of the gifts and talents provided by God are taught, promoted and encouraged. It is also during the meetings, as well as during other irregularly scheduled public outreach opportunities, that the salvation message has been made known and explained.

In the spirit of encouraging and promoting individual discipleship within the Body of Christ, the Charity has also noted the need, among young believers having finished their required service in the Israeli Defense Force who, having experienced pressures, challenges and temptations they confronted during their military service, often become discouraged and grow cold in their faith, leave the army disenfranchised and disconnected from the body of Messiah embarrassed, ashamed, helpless, and in need of restoration and hope from the Lord.

Responding to this need the Charity has embarked on a three-fold mission of Tikvah (Hope) discipleship ministry to gather, restore and raise up recently discharged IDF soldiers in order to breathe life back into them so that they will once again be healthy and whole with a vibrant, rekindled walk with Him. This ministry comprises a six week time frame with a maximum number of 12 young people introducing different weekly themes of forgiveness, grace, prayer, the Holy Spirit, resisting temptation and the power of the Word of God in and around Bath and various other UK locations involving outings, interactive events, Bible study, some books to read and engaging discussion sessions.

Summary of the main achievements of the charity during the year

As we all know 2020 was a very difficult year. We saw a lot of plans that we had as a ministry frustrated by the lockdowns.

In April 2020 we had planned to host a couples retreat here in Bath for young Israeli ministry couples. Sadly that was all cancelled at the last minute because of Covid.

Also, there was a plan to have another discipleship program for Israeli Young Adults with the Tikvah ministry which is a ministry of Calvary Chapel Bath. This was going to be from the end of April into July. However, sadly this was also cancelled.

Although we experienced much disappointment, as a fellowship of believers, Calvary Chapel Bath was able to continue to meet on Zoom during the lockdowns and we actually saw our numbers growing as a local church. On Thursday evening we studied through the book of Revelation from April into the beginning of 2021. We then started studying Genesis on a Thursday evening. We also started meeting on Sundays as well on Zoom. I was teaching through Acts and then into the book of Romans at the beginning of 2021.

When we weren't locked down we were again able to meet in person which was a huge welcome blessing to everyone involved. During the summer of 2020 we were even able to meet in the park for 3 weeks on a Sunday.

We locked down again in January 2021. However, legally we were still able to meet as a small fellowship of believers with all the proper risk assessments and masks and social distancing in place. This helped to keep the people encouraged and connected as they were able to see each other in person a bit and not feel so isolated and alone.

We are praying about finding a place to meet in person on a Sunday morning for proper church services sometime in 2021, Lord willing.

We are continuing to see people be blessed and encouraged in their faith as we fellowship and study the Bible together and the Lord continues to bring people along who are hungry to study His Word

Section E Financial review

Brief statement of the charity's policy on reserves

Keeping in line with the Charity's future plans it has a policy to hold sufficient reserves to be able to respond in a timely manner to any opportunity presented that would allow the Charity to achieve those plans. Current reserves are minimal for meeting such possible opportunities.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The Charity's primary source of funds is from free-will offerings received from those regularly attending as well as various other supporters sympathetic to the objectives of the Charity and the ministries it supports. In addition to voluntary support from individuals, funds are received from Joshua Fund in support of the Charity's Tikvah ministry.

INCOMING RESOURCES**Recognition of incoming resources**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

Contractual income and performance related grants

This is only included in the SoFA once the related goods or services have been delivered.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income

This is included in the accounts when receivable.

Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES**Liability recognition**

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

**Grants payable without performance conditions
Support Costs**

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS**Tangible fixed assets for use by charity**

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Stocks and work in progress

These are valued at the lower of cost or market value.

Respective
responsibilities of
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. [The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [named body]]. *Delete [] if not applicable.*

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent
examiner's statement

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
