

SIGHTBOX TRUST

Report and Financial Accounts

Year ending 1st August 2025

Charity Number 1178659

The trustees present their annual report and financial accounts for the charity for the year ending 1st August 2025

Structure Governance and management.

Constitution adopted in 2018

The trustees are appointed or reappointed at a meeting held at the end of the year.

Sightbox Trust is a charity working with blind and visually impaired children in the UK and around the world. We make sure that no one is left alone to work with these children without having a DBS certificate

Objectives and activities

The objectives are to make sure that visually impaired and blind children are included in society especially in education. Sightbox allows this to happen and mobility, confidence, independence and team building is strengthened with the educational tools for Sightbox.

Simple items like a running tether, parachute canopy, various balls with bells in, boccia with grid allow all of this to happen.

Achievements and performances

This year has been quite quiet but we have still managed to provide education through sport to the blind and visually impaired children in the developing world. New games and ideas are coming onboard and are being shared. We are so grateful to everyone who has supported us in reaching out and allowing Sightbox to achieve what is set out to do. Let us hope more can be achieved as we look forward to the future

Declaration

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees
