Statement of responsibilities of the Trustees of Just Shelter

The Trustees are responsible for preparing the Annual Report and financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Charity law requires Just Shelter to prepare a statement of financial activities and statement of assets and liabilities for each financial year, which gives a true and fair view of the state of affairs of the charity and of its financial activities for that year and adequately distinguishes any material special trust or other restricted fund. In preparing those financial statements Just Shelter is required to:

- a) select suitable accounting policies and then apply them consistently;
- b) make judgements and estimates that are reasonable and prudent;
- c) state whether the policies adopted are in accordance with the appropriate SORP on Accounting by Charities and the accounting Regulations and with applicable accounting standards, subject to any material departures disclosed and explained in the financial statements;
- d) prepare the accounts on the going concern basis unless inappropriate to presume that the charity will continue to operate.

Just Shelter is responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity, and to enable them to ensure that the financial statements comply with applicable Accounting Standards and Statements of Recommended Practice and the regulations made under s154 of the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Public benefit

Just Shelter is aware of the Charity Commission's guidance on public benefit.

Trustees Report 2024-25

In the year 2024-25 we were mainly engaged in assisting refugees housed in the south London area and working with our local Council and other charity partners to provide that assistance .

We continued to support families in the local hotels housing asylum seekers. Support has included the provision of clothing, footwear, baby equipment, children's toys and clothing and other necessities.

We hosted dinners in a local Earlsfield cafe, who we partner with in relation to refugee matters, and our volunteer teachers provided weekly craft and mindfulness classes for children in a local hotel and ran children's activities at a number of other events and clothing distributions .

We maintain a strong relationship with refugee families that have moved into the area, assisting them with English lessons, IT equipment and navigating the details and paperwork around job seeking, schooling and medical assistance.

We also held a large fundraising event in February 2025 in order to raise awareness of the charity and raise funds to assist us to carry out our various activities as outlined above

Statement of responsibilities of the Trustees of Just Shelter

The Trustees are responsible for preparing the Annual Report and financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Charity law requires Just Shelter to prepare a statement of financial activities and statement of assets and liabilities for each financial year, which gives a true and fair view of the state of affairs of the charity and of its financial activities for that year and adequately distinguishes any material special trust or other restricted fund. In preparing those financial statements Just Shelter is required to:

- a) select suitable accounting policies and then apply them consistently;
- b) make judgements and estimates that are reasonable and prudent;
- c) state whether the policies adopted are in accordance with the appropriate SORP on Accounting by Charities and the accounting Regulations and with applicable accounting standards, subject to any material departures disclosed and explained in the financial statements;
- d) prepare the accounts on the going concern basis unless inappropriate to presume that the charity will continue to operate.

Just Shelter is responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity, and to enable them to ensure that the financial statements comply with applicable Accounting Standards and Statements of Recommended Practice and the regulations made under s154 of the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Public benefit

Just Shelter is aware of the Charity Commission's guidance on public benefit.

Trustees Report 2021-22

In the year July 2021 to June 2022 we primarily focused our attentions helping refugees locally and campaigning to encourage our local Council to help with the Afghan refugee scheme.

We were active in helping welcome families into two new local hotels housing asylum seekers and continue to help families there on a regular basis.

We were central in launching a local coalition of refugee organisations to call upon Wandsworth Council to step up efforts to find accommodation as part of the Afghan Resettlement Scheme.

Following on from this we welcomed an Afghan family of 7 into Earlsfield and helped them become part of the local community including holding weekly English lessons and integrating the children into schools.

We made another trip to Northern France which proved difficult and has caused us to rethink our priorities as we move into 2023. Throughout the year we encouraged the local community to welcome those from far afield, including under the Ukrainian and Afghan schemes.

We hosted several fundraising events and were key in campaigning for Wandsworth to become a Borough of Sanctuary. This is due to happen later in 2023.

Trustees Report 2020-21

In the year July 2020 to July 2021, we continued to pivot our usual activities due to the ongoing coronavirus pandemic.

Due to travel restrictions we were limited in our ability to undertake trips to France although we maintained relationships with partners on the ground, we donated large amounts of much needed items and found different routes to deliver. We also made one trip to Calais during a break in travel restrictions, during which we donated goods and undertook food distribution.

We were involved in the set-up of assistance for asylum seekers newly housed by the Home Office in four local hotels and provided regular help accessing services such as language translation, legal help, sourcing and distributing essential items and food. We hosted supper and social events attended by refugees and asylum seekers including a guided walk of the local area. The events are fully paid for by donations from our supporters and are a great way for the attendees to have a relaxed evening socialising with our local community.

We had to change our normal fundraising efforts from group activities to encouraging individual supporters to take on personal challenges for sponsorship including swimming the equivalent of the length of the channel and a Big Sleep Out by supporters in their gardens.

We have continued to foster close links with local groups such as CARAS, Wandsworth Welcomes Refugees, Care 4 Calais and Sanctuary. We provide regular updates to the local community and our social media followers on issues surrounding the plight of refugees and asylum seekers.

The work of Just Shelter is carried out by one paid member of admin staff, a large group of volunteers and a Board of Trustees who meet at least every quarter to review operations and financial health, and to ensure the charity's strategy is in line with its charitable status.

At the very end of the period, Vanessa Mieville resigned from her position as Volunteer Manager.
