Statement of responsibilities of the Trustees of Just Shelter

The Trustees are responsible for preparing the Annual Report and financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Charity law requires Just Shelter to prepare a statement of financial activities and statement of assets and liabilities for each financial year, which gives a true and fair view of the state of affairs of the charity and of its financial activities for that year and adequately distinguishes any material special trust or other restricted fund. In preparing those financial statements Just Shelter is required to:

- a) select suitable accounting policies and then apply them consistently;
- b) make judgements and estimates that are reasonable and prudent;
- c) state whether the policies adopted are in accordance with the appropriate SORP on Accounting by Charities and the accounting Regulations and with applicable accounting standards, subject to any material departures disclosed and explained in the financial statements;
- d) prepare the accounts on the going concern basis unless inappropriate to presume that the charity will continue to operate.

Just Shelter is responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the charity, and to enable them to ensure that the financial statements comply with applicable Accounting Standards and Statements of Recommended Practice and the regulations made under s154 of the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Public benefit

Just Shelter is aware of the Charity Commission's guidance on public benefit.

Trustees Report 2024-25

In the year 2024-25 we were mainly engaged in assisting refugees housed in the south London area and working with our local Council and other charity partners to provide that assistance .

We continued to support families in the local hotels housing asylum seekers. Support has included the provision of clothing, footwear, baby equipment, children's toys and clothing and other necessities.

We hosted dinners in a local Earlsfield cafe, who we partner with in relation to refugee matters, and our volunteer teachers provided weekly craft and mindfulness classes for children in a local hotel and ran children's activities at a number of other events and clothing distributions .

We maintain a strong relationship with refugee families that have moved into the area, assisting them with English lessons, IT equipment and navigating the details and paperwork around job seeking, schooling and medical assistance.

We also held a large fundraising event in February 2025 in order to raise awareness of the charity and raise funds to assist us to carry out our various activities as outlined above

The accounts have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

Funds

General funds represent the funds of Just Shelter that are not subject to any restrictions regarding their use and are available for application on the general purposes of the charity. Income - Donations, legacies and grants

The basis of the value of the gift to the charity is the amount the Trustees would have been willing to pay to obtain those services or facilities on the open market. A corresponding amount is then recognised as expenditure in the period of receipt.

Donated goods and services are recognised when the goods or services are received and are valued on the basis of the value of the gift to the charity.

Income from investments

There has been no income from investments.
