As A Foundation, Our Purpose is to improve the well being of Preeclampsia sufferers, by Educating, Supporting and Engaging the Community, Improving healthcare Practices, In The UK, GAMBIA AND SENEGAL.

We've been helping the homeless, with food, clothing and shelter through out the year. Some homeless sleeping in the streets, are most likely to have been victims of violence. Homeless people are over 9 times more likely to take their own life than the general population.

The factors that contribute to homelessness are :

Benefits and unemployment

Health and wellbeing

Housing/ Rough Sleeping

Law and rights

In the Gambia, we've been helping a lot of underprivileged Victims Of Preeclampsia, in the Rural Communities with Counselling and Food. Most of these women that we've been Engaging with or Helping, have been featured in The Emotional Documentary My Organisation have been filming, for the past 3 years.

They've narrated their horrible experiences , the difficult challenges they face, with their day to day lives, and trauma.

The Documentary is Finally Finish!! .
Myself, The Chairman of this Organisation, received the End Product This January.

The Documentary Entails
WOMEN IN THE GAMBIA/SENEGAL
WHO'VE UNKNOWINGLY SUFFERED
MULTIPLE BABY LOSSES TO
PREECLAMPSIA, AND BEING BRANDED
AS WITCHES.

Special Thanks To YOUSOU N'DOUR, Singer Songwriter, Composer, Business man, Philanthropist and a Politician From Senegal, who've been supporting this FOUNDATION from the very beginning. He Improvised one of his Soundtracks and permitted us to use it in This DOCUMENTARY for Sensitisation Purposes.

Special Thanks to The Vice President of The Republic of The Gambia, Dr Isatou Touray, who've also been supportive of this Charity since 2018, when she was The Minister of Health . She has also been featured in The Documentary, Narrating how PREECLAMPSIA and POSTPARTUM HAEMORRHAGE has been affecting Women In The GAMBIA. She was also a VICTIM OF FEMALE GENITAL MUTILATION (FGM) , of which She was put

in Jail, by The Ex Dictator Of The Republic Of The GAMBIA, President Yahya Jammeh, for fighting to End This Bad Practice in The Gambia.

My team and I are also grateful to everyone that participated in The making of this film, from both Gambia and SENEGAL.

Special thanks to PROFESSOR ANDREW SHENNAN OBE, My entire team of Doctors and ex Consultants from STANMORE, MY GP DR BK PATEL AND ST THOMAS'S HOSPITAL.
