Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To further or benefit the residents of Blockley and the surrounding area without distinction of gender, sexual orientation, race or of political religious, or other opinions by providing allotment facilities in the interests of social welfare or recreational leisure time occupation with the objective of improving life for the residents.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The main activities undertaken for public benefit are the management of an allotment site and the further development of that site to benefit both plot holders and the wider community. Allotment gardening is well documented to have a positive impact on mental and physical well-being.

The trustees meet at least four times a year to plan and monitor the day to day running of the allotments, membership matters, finances, fund-raising activities and bi-annual health and safety review of facilities and individual plots, for the benefit and wellbeing of its members.

The Trustees continue to create more opportunities for the public to get involved in Allotment gardening and the associated benefits.

We confirm that the trustees have had regard to the Charity Commission's guidance on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;

There is a significant contribution by volunteers in the form of maintenance on site, fundraising activities, peer to peer mentoring and development of the new site.

Summary of the main achievements of the charity during the year

The Blockley and District Allotments Association was registered as a charitable trust on 11 June 2018 and received a donation of £40 000 from the Parham Park Trust to move off land occupied under an informal rental arrangement for more than 100 years to an adjoining piece of land. The new site will be leased from Parham Park Trust under a 999-year lease agreement.

The main achievements for the current review period are as follows:

1. Supporting existing plot holders and new plot holders establishing an allotment garden for the first time.
2. Maintenance and improvement of facilities on the site e.g. access to water, track improvements.
3. Clearance of the old site to comply with the terms of the Agreement to Lease.
4. Signing of 999-year lease to secure the new site
5. Promotion of the benefits of allotment gardening via articles in the local community magazine updates to website and social media presence.
6. Successful participation in an Open Garden (National Garden Scheme) event
7. Successful sales of surplus produce at an honesty stand at the allotments entrance. This generates funds and provides the community with good quality, local vegetables, fruit and flowers for a modest donation.
