## **Sevenoaks Lions Club (CIO)**

### **Year ended 30<sup>th</sup> June 2022**

The constitution of the Sevenoaks Lions Club (CIO) requires the appointment of a minimum of 3 Trustees (with a maximum of 12). Under the CIO by-laws adopted by the members those elected to the Offices of President, Secretary, Treasurer, 1<sup>st</sup> Vice President, Chairman of Welfare and Chairman of Fund Raising are de facto Trustees and act for a term of 1 year.

Trustees meet monthly to consider and approve recommendations made by the members.

- Supporting youth to develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals;

## **Sevenoaks Lions Club (CIO)**

### **Year ended 30<sup>th</sup> June 2022**

During the year ended 30<sup>th</sup> June 2022 we have continued to help those in need where we can.

#### **Children and Young People**

During the year we have funded the Kenward Trust visits to local schools to provide drug awareness advice. We also provided Children's Hospital Pyjamas to the local acute hospital. We also supported Edenbridge School with their events over the Christmas period and provided materials for a school in Nepal. We also made a donation to Sevenoaks Scouts and the Children's Hospice Demelza House

#### **The Elderly**

The impact of the Coronavirus epidemic significantly curtailed much of the help we have traditionally supplied to the Elderly – for example local trips, Old Time Music Hall Concert and a holiday trip for a local couple. However, we did provide support to the Kemsing lunch club once it restarted.

#### **People with Disabilities**

Mental Health has become an increasing issue during the pandemic and we have been able to support local organisations including Sevenoaks ASD, Right Mind and the Autism Society. We were also delighted to support Sailability at Chipstead lakes and to continue our support for the D'Vine Singers.

#### **Other Charities and Voluntary Bodies**

We have continued to support local organisation Friends for Families who do wonderful work with local families in need. We have also supported the local Hygiene Bank, Citizens Advice Bureau and the newly opened Sevenoaks Branch of the Samaritans.

#### **General Public**

We are able to help many families directly referred to us by Social Services, whether it is from providing carpeting, furniture or white goods. We have supported the Sevenoaks Larder foodbank. We also provided food vouchers for 150 families at Christmas.

### **Grant making policy**

Under the terms of the Clubs' Constitution, Trustees apply funds at their discretion following recommendation by the members, making grants where they believe that their contribution will make a real difference. We can only make grants in furtherance of our charitable objectives.

#### **1. Priorities for Support**

The number of applications that can be supported is, of necessity, limited to the amount of funds available for distribution in any one year. The Trustees have determined that the priorities for funding will be:

- subject to other elements of the Trustees grant-making policy, no restrictions are imposed on the purpose for which a grant may be made; consequently, applications for support towards capital projects, other projects or core costs are considered;
- as there are numerous Lions Clubs in the UK, applications from Sevenoaks District Area and surrounding districts are generally given a priority, with those in the county of Kent also being considered. Trustees also consider international funding requests referred to them and by the Lions International organisation;
- candidates for support and/or grants are all considered on their own merits, following investigation by the Welfare Committee. However, given that most of the available funds are raised within the local community, those candidates that are local are given special consideration. Using the former as a guiding principle the following are examples of areas adopted for support:
  - o Local charities - youth groups, groups working with the elderly, residential and nursing homes, individual appeals;
  - o Youth and children's organisations - sport related groups or individuals, scouting and guiding, youth club activities, young people undertaking overseas assignments;
  - o Community facilities - relief of hardship for individuals and families, village hall projects, community group initiatives.

## **Sevenoaks Lions Club (CIO)**

**Year ended 30<sup>th</sup> June 2022**

The above priorities in this policy will be reviewed every year (or more often if deemed appropriate by the Trustees), and may be changed in accordance with the Trustees' view of the most effective application of available funds at any point in time.

### **2. Principles**

In awarding grants the Trustees will apply the following principles:

- Trustees will not normally support applications from large national charities (unless it is from and for the local branch use) or charities dedicated to issues deemed by the Trustees to be already well funded;
- Trustees will work with other organisations to fund initiatives beyond the financial scope of a single organisation;
- all applications from previous recipients of grants or from previously unsuccessful applicants will be considered by Trustees on their own merits. Although Trustees will have regard to the outcome of the previous grant, any new application will not receive preferential or adverse consideration.

### **3. Exclusions**

The Trustees will not normally approve the use of funds for:

- medical research projects of international, national or locally based charities;
- purposes for which government has a statutory responsibility to provide.

## **Risk and Reserves Policy**

As the CIO does not own any property nor does it employ any staff its exposure to risk is relatively low. The Trustees are covered to the level of £5million by the Trustees Indemnity element of the Lions Multiple District Insurance Policy. The CIO has a risk management policy in place and in particular a risk assessment is undertaken for every fund-raising event.

## **Sevenoaks Lions Club (CIO)**

**Year ended 30<sup>th</sup> June 2022**

The CIO seeks to dispense grants and donations each year based on available funds. However, as the income of the CIO is primarily from a number of fund-raising events some of which require significant upfront expenditure the Trustees maintain sufficient Reserves to meet these costs and to ensure that the flow of grants to organisations can be met in the short term.

### **Financial review**

The main source of income for the CIO is from the various fund-raising activities it puts on during the year. We were able to resume our major fund raising events following the pandemic. A surplus of £26,726 (note 2) was generated from our fund raising events which when added to donations received of £5,138 gave us a total income of £31,864 to spend on our charitable activities.

During the year Grants totalling £ 26,089 (note 1) were made and commitments for a further £9,470 made by the Trustees.

Governance costs are kept to a minimum and Members make donations to mitigate the necessary costs. No member or Trustee of the CIO receives any remuneration.

### Note 3 – Volunteers Social Fund

The volunteer members of the CIO hold a number of social events including a twinning arrangement with the Lions Club of Hofgeismar in Germany. In order to ensure the cost of these events do not affect the Charity's funds the members pay for direct costs, run regular raffles and a 100 Club amongst themselves to generate funds for this purpose.
