Activities

Objects: THE RELIEF OF PERSONS IN BOLTON BOROUGH AND SURROUNDING DISTRICTS WHO HAVE NEUROLOGICAL CONDITIONS OR INJURIES. IN PARTICULAR BY THE PROVISION OF APPROPRIATE ADVICE AND SUPPORT SERVICES FOR THEM AND THEIR CARERS AND FACILITIES FOR RECREATION OR OTHER LEISURE TIME OCCUPATIONS IN ORDER TO IMPROVE THEIR QUALITY OF LIFE.

Activities: Bolton Neuro Voices works with five local support groups (Stroke, ME, Parkinson's, MS and Motor Neurone Disease) and also with individuals with rarer conditions to improve quality of life. It provides a range of services including links to statutory bodies, information and access to hydrotherapy and dry exercise. Involvement in these activities facilitates mutual support and reduces isolation.

Bolton Neuro Voices Annual Report for 2024 / 25

This is the fifteenth Annual Report of Bolton Neuro Voices for the period April 2024 to March 2025. It has been a year of significant transition as Mrs Marie Oxtoby retired from this charity that she founded in 2013 and throughout that time. she was both Chair and co-ordinator.

The AGM was held on 22nd May 2024 and there was an unusually large attendance of about 75 people in recognition of Marie Oxtoby's retirement where she had been the mainstay of BNV over so many years and those who have benefitted from the work of the charity are indebted to her for all her hard work. In recognition of her contribution Marie was awarded an honorary Doctor of Letters from the University of Bolton in June 2024.

Four trustees resigned and four replacements were appointed with effect from April 2024. It has been a period of considerable learning for the new chair and deputy chair in order to understand and correctly administer the charity.

Membership

Our membership comprises five local neurological support groups Bolton West Stroke Support Group, Bolton / Bury ME / CFS Support Group, Manchester and District MND Association, Bolton and District MS Society and Parkinson's UK Bolton alongside 37 individual members. There is also a small Facebook Group that is run and supported by the members.

Aims and Objectives

Bolton Neuro Voices was set up to improve the quality of neurological health and care services in Bolton, to create a forum in which local groups could work together and to extend membership to individuals and carers who have no local support group. In particular we wanted to facilitate improvements in the quality of life, ensure access to information, and provide continued monitoring of local services. Our services are open to everyone with a neurological condition who can benefit safely. It is not a requirement that our members live within Bolton MBC.

Exercise Activities in 2024/25

Our main regular activities are Wednesday hydrotherapy sessions at the Sir Jason Kenny Leisure Centre and Monday dry exercise sessions at the Bolton Arena Leisure Centre. These take place over three 11 week terms. The members contribute £35 each per term and this is subsidised by the charity through the generous support of our donors.

Our hydrotherapy continuation programmes ran for a total of 30 weeks with 2 classes and a regular attendance of between 16 and 25 per week. This year in total we have had 600 members attending. A successful new partnership with the University of Greater Manchester has been in place since September 2024 to provide specialist physiotherapy support under the supervision of Anna Zeimer (Senior Lecturer) and supported by two dry side volunteers and a lifeguard from the Sir Jason Kenny Centre. In there has been for a short period of time the opportunity for 5 university students from the physiotherapy team to take up valuable and unique training opportunity. We were also pleased that after a gap of 2 years we were able to run another 5 week assessment course for new users in March 2025.

Our Arena Exercise Programme ran for a total of 33 weeks over three terms with an average attendance between 5 and 10. A total of 223 members attended this year. This programme offers competitive wheelchair-based exercises and can cope with a wider range of disabilities than the hydrotherapy programme. The sessions are supported by two qualified staff members from Bolton Arena.

Volunteers

We are particularly grateful to our pool dry side volunteers for their faithful service and without whom our activities at the pool would be impossible.

- Thaira, Qureshi (BNV Chair).
- Christine Lee
- Denise Shakespeare
- Marie Parkinson

We acknowledge that the limited availability of volunteers represents the most significant risk to the sustainability of our charity, surpassing even financial challenges, however the team of dedicated volunteers have maintained an organised and effective rota to help support time and yet ensure there is ample support.

Social Activities

Supportive social contacts are a popular aspect of our charity's activities. We held a summer lunch attended by 31 people and a Christmas lunch attended by 61 people. At Bolton Golf Club. These events also allow us to invite our donors and volunteers as guests and so show our sincere appreciation of their support for Bolton Neuro Voices.

Policies

The following policies were under review in March 2025 for expected approval by the trustees in April 2025

- Safeguarding
- Volunteers
- Equal Opportunity
- Data Protection

The Bolton Neuro Voices Constitution has also been signed by the current trustees.

Trustees

There have been significant changes to the composition of our trustees. We have a new Chair of trustees and a new Deputy Chair. We have by necessity been operating in a less centralised way and inevitably there has been a considerable amount of learning for our new trustees. We are nevertheless satisfied that the transition from the long-established leadership of the charity under Dr Marie Oxtoby had been quite smooth.

The trustees met formally in April, September and January and there were numerous informal contacts via face-to-face meetings, email, WhatsApp messages and telephone as necessary throughout the year.

The trustees of Bolton Neuro Voices are as follows:

- Thaira Rasheed Qureshi (Chair)
- John Gyves (Deputy) – new appointment
- Neil Germaine (Treasurer)
- Chas Andrews,
- Marie Boardman
- Kathleen Delaney
- Alan Lyons.
- Dave Sandham – new appointment
- Shelley Radcliffe – new appointment

Finance

We are most grateful for the assiduous work of our treasurer Neil Germaine who continues to manage the many and frequently irregular transactions that are necessary for our charity to operate in a sound and publicly accountable manner.

The attached Finance Report shows an annual income of **£5767** of which **£1874** came from donations while the remainder is made up of user contributions and payments for social events. The trustees raised the member contributions in September 2024 from £30 to £35 to ensure that we could safely meet all ongoing costs and keep an adequate reserve if the cost of any Hydrotherapy 5-week Course was met, as it often has been, by outside funding.

We are actively seeking new funding for the coming year as we have noted a steady erosion of our financial position over several years.

Conclusion

As Chair, I would like to thank most sincerely all our members and their carers, our volunteers, our donors, our physiotherapist Anna Ziemer and her students and our trustees for their continued and much valued support for Bolton Neuro Voices over this last year.

Thaira Qureshi Rasheed
Chair
28th July 2025

Bolton Neuro Voices Annual Report for 2023/24

This is the fourteenth Annual Report of Bolton Neuro Voices covering the period April 2023 to March 2024 - a year experiencing both continuity and impending change. The 2023 AGM was held on 7 June 2023 and attended by 19 people. The report for the year 2022-23 was submitted, as required, to the Charity Commission and acknowledged.

Our **membership** is made up of 5 local neuro groups; Bolton West Stroke Support Group, Bury/Bolton ME/CFS Support Group, Manchester and District MND Association, Bolton and District MS Society and Parkinson's UK Bolton – plus 37 individual members. There is also a small Facebook group.

Aims and Objectives

Bolton Neuro Voices was set up to improve the quality of neurological health and care services in Bolton, to create a forum in which local groups could work together and to extend membership to individuals and carers who have no local support group. In particular, we wanted to facilitate improvements in quality of life, ensure access to information and provide continued monitoring of local services. Our services are open to

Bolton Neuro Voices CIO Registered Charity Number: 1178772

Working together

to improve the quality of life of Bolton people with neurological conditions.

everyone with a neurological condition who can participate safely. **They therefore meet the public service obligation.**

Activities in 2023/24

Our main regular activities are weekly hydrotherapy sessions at the Sir Jason Kenny Leisure Centre and weekly dry exercise sessions at the Bolton Arena Leisure Centre.

Our Three Hydrotherapy Continuation Programmes ran for a total of 30 weeks with average attendances of between 16 and 25. They are designed by our physiotherapist partner, Susan Pattison, and supported by a co-ordinator, a lifeguard and dryside volunteers.. There was no **Course for New Users** this year as our long-term Physiotherapy Partner, Susan Pattison, and our Hydrotherapy Co-ordinator, Marie Oxtoby, both retired in December 2023. Although both gave notice of their intentions in August 2023 and exhaustive efforts were made to find replacements, no definite solutions had been found by the end of the calendar or financial years. There is hope that Bolton University Physiotherapy Department will become BNV's Physiotherapy Partner but the search for a Co-ordinator continues and, without one, the whole future of this service is in jeopardy. The Continuation programme was maintained from January to March 2024 through the devoted efforts of our dryside volunteers, Christine Lee, Thaira, Qureshi, Marie Parkinson and Susan Larmett supported by a number of our users and we owe them our very sincere thanks.

Our Arena Exercise Programme ran for a total of 33 weeks over three terms with an average attendance between 5 and 10. It is able to cope with a wider range of disabilities than the hydrotherapy programme and is much appreciated. It is led by two Arena trainers

Bolton Neuro Voices CIO Registered Charity Number: 1178772

Working together

to improve the quality of life of Bolton people with neurological conditions.

and shepherded in this, as over many years, by our trustee, Moyra McDermott. The cost to users of these services is kept to about £3 per session through the generous support of our donors.

Supportive **social contacts** are an important feature of our exercise activities and these are strengthened by our Summer (63 diners) and Christmas (61 diners) Lunches held at Ridgmont House, Horwich. The staff there are hugely welcoming and supportive and the events are greatly enjoyed. The Christmas Lunch was especially memorable in that it allowed Bolton Neuro Voices to say a very sincere thank you, via speeches and presentations, to Susan and Marie as they retired after 12 years of dedicated service. These events also allow us to invite our donors and volunteers as guests and so show our appreciation of their support for Bolton Neuro Voices.

The attached **Finance Report** shows an annual income of **£8432** of which **£2094** came from donations while the remainder is made up of user contributions, payments for social events, subscriptions and fundraising revenue. **The trustees reviewed our reserves and agreed that we could safely meet all ongoing costs and keep an adequate reserve if the cost of any Hydrotherapy 5-week Course was met, as it often has been, by outside funding. The Committee (Trustees)** were Marie Oxtoby (Chair), Neil Germaine (Treasurer), Chas Andrews, Marie Boardman, Kathleen Delaney, Moyra Lewis (resigned), Alan Lyons, Moyra McDermott, Annette Stuart and Chi Taylor. They had three face-to-face meetings plus many consultations via email and telephone. They reviewed all BNV policies (Safeguarding, Data Protection, Volunteers, Equal Opportunities, Health and Safety and Risk Assessment and updated them as required. These policies are in place for the safety

Working together

to improve the quality of life of Bolton people with neurological conditions.

and well-being of all involved in Bolton Neuro Voices. Anyone with concerns or wanting further information can contact a member of the Committee at any time.

Our Volunteers, essential to our hydrotherapy services, were Lydia Bathina, Sue Larmett, Christine Lee, Marie Parkinson, Thaira Qureshi, Denise Shakespeare and Sam Wain. They had three meetings for support and training and contributed to other discussions about recruitment.

As Chair, I would like to thank most sincerely all members of the Committee, our volunteers, our physiotherapist, Susan Pattison and her colleagues and all our members, carers and donors for their continued and much valued support for Bolton Neuro Voices. Continuation of that support is now even more crucial.

Marie Oxtoby,

Chair

Annual Report for 2022/2023

This is the thirteenth Annual Report of Bolton Neuro Voices. It records our first year of full activity since the lockdown in March 2020. The 2021/22 AGM was held on 8 June 2022 and attended by 19 people.

The report for the year was submitted, as required, to the Charity Commission and acknowledged.

Our **membership** is made up of 5 local neuro groups; Bolton West Stroke Support Group, Bury/Bolton ME/CFS Support Group, Manchester and District MND Association, Bolton and District MS Society and Parkinson's UK Bolton – plus 33 individual members. There is also a small Facebook group.

Aims and Objectives

Bolton Neuro Voices was set up to improve the quality of neurological health and care services in Bolton, to create a forum in which local groups could work together and to extend membership to individuals and carers who have no local support group. In particular, we wanted to facilitate improvements in quality of life, ensure access to information and provide continued monitoring of local services. Our services are open to everyone with a neurological condition who can participate safely.

They therefore meet the public service obligation.

Activities in 2022/23

Our main regular activities are weekly hydrotherapy sessions at the Sir Jason Kenny Leisure Centre and weekly dry exercise sessions at the Bolton Arena Leisure Centre. **Our Three Hydrotherapy Continuation Programmes** ran for a total of 28 weeks with average attendances of between 16 and 29. They are designed by our physiotherapist colleague, Susan Pattison, and supported by a co-ordinator, a lifeguard and dryside volunteers. We were also grateful for additional support provided by physiotherapy students from the University of Bolton. The same team ran the annual **5-week Hydrotherapy Course for New Users** in March 2023. Twenty-three people took part and ten were able to transfer to the Continuation Programme. **Our Arena Exercise Programme** ran for a total of 35 weeks over three terms with an average attendance between 5 and 10. It is able to cope with a wider

range of disabilities than the hydrotherapy programme and is much appreciated. It is led by two Arena trainers and shepherded in this, as over many years, by our trustee, Moyra McDermott. The cost to users of these services is kept to about £3 per session through the generous support of our donors. Supportive **social contacts** are an important feature of our exercise activities and these are strengthened by our Summer (40 diners) and Christmas (59 diners) Lunches held at Ridgmont House, Horwich. The staff there are hugely welcoming and supportive and the events are greatly enjoyed. These events also allow us to invite our donors and volunteers as guests and so show our appreciation of their support for Bolton Neuro Voices.

The attached **Finance Report** shows an annual income of **£11684** of which **£4599** came from donations while the remainder is made up of user contributions, payments for social events, subscriptions and fundraising revenue. **The trustees reviewed our reserves and agreed that we could safely meet all ongoing costs and the cost of the 2023 Hydrotherapy 5-week Course without applying for outside funding.** In fact we had several generous donations which have allowed us to meet significantly increased charges **while still maintaining adequate reserves.**

The Committee (Trustees) were Marie Oxtoby (Chair), Graham Brushett (Vice Chair), Annette Stuart (Treasurer), Moyra McDermott, Moyra Lewis, Marie Boardman, Neil Germaine and Kathleen Delaney, They had one face to face meeting plus many consultations via email and telephone. They reviewed all BNV policies (Safeguarding, Data Protection, Volunteers, Equal Opportunities, Health and Safety and Risk Assessment and updated them as required. **Our Volunteers**, essential to our hydrotherapy services, were Lydia Bathina, Sue Larmett, Christine Lee, Marie Parkinson, Thaira Qureshi and Denise Shakespeare.

As Chair, I would like to thank most sincerely all members of the Committee, our volunteers, our physiotherapist, Susan Pattison and her colleagues, Anna Ziemer of Bolton University and all our members, carers and donors for their continued and much valued support for Bolton Neuro Voices.

Marie Oxtoby,

Chair, May 2023

Annual Report for 2021/2022

This is the twelfth Annual Report of Bolton Neuro Voices. It records just a half year of fairly normal activities as we were only able to restart face-to-face activities in September 2021

Our membership is made up of five local neuro groups; Bolton West Stroke Support Group, Bury/Bolton ME/CFS Support Group, Manchester and District MND Association, Bolton and District MS Society and Parkinson's UK Bolton – plus about 40 individual members. As no membership subscriptions were collected for 2020/21, exact numbers will be confirmed when renewals are requested in April 2022.

Aims and Objectives Bolton Neuro Voices was set up to improve the quality of neurological health and care services in Bolton, to create a forum in which local groups could work together and to extend membership to individuals and carers who have no local support group. In particular, we wanted to facilitate improvements in quality of life, ensure access to information and provide continued monitoring of local services. Our services are open to everyone with a neurological condition who can participate safely. They therefore meet the public service obligation.

Activities in 2021- 2022

In the first half of the year while Covid restrictions continued, we kept in touch with our members via emails, letters, phone calls and our Facebook page and so tried to ensure that they had access to all available sources of information, help and support. In July we were able to arrange **our AGM along with a summer lunch** (protected by spaced seating and Covid tests) which was greatly enjoyed. Our **Annual Return to the Charity Commission** was then submitted and acknowledged.

After much careful planning and a new risk assessment, **our Hydrotherapy Programme** was able to restart with limited numbers in September 2021. The first 11 sessions were wonderfully supported by Susan Pattison, our neuro physiotherapist, and her colleague, Leena Najia, .This was necessary because all participants had lost mobility and confidence during the long lockdown and needed to be reviewed. This extra professional support was made possible by funds provided by our generous donors (see Finance Report for details). Sessions continued in January and February with normal levels of physio support but with very valuable input from physio students at Bolton University. In March 2022 we were able to hold our first **Hydrotherapy Course for New Users** since November 2019. At 11 participants, numbers were smaller than usual and the End-of-Course questionnaire feedback is currently being studied. The Continuation programme restarts on 27 April.

Staffing problems at Bolton Arena delayed our **Arena Exercise Programme** until February 2022 but the first six sessions have now taken place and been enjoyed by participants It will continue again after Easter.

In December, we were delighted to be able to hold an almost normal (just LFT tests) Christmas Lunch at Ridgmont House which was hugely enjoyed by members, relatives, volunteers and donors.

The attached **Finance Report** reflects a year of two halves but underlines our secure financial position, which trustees have reviewed for risk and sustainability.

The Committee (Trustees) had two meetings (of which one was virtual) in 2021/22 while also keeping in touch by telephone and email. An important task was the review and update of all BNV policies.

Trustees were Marie Oxtoby (Chair), Graham Brushett (Vice Chair), Moyra Lewis (Secretary), Annette Stuart (Treasurer), Marie Boardman, Ian Flint, Neil Germaine, Christine Lee and Moyra McDermott. Christine Lee resigned in May 2021 and Moyra Lewis retired from her role as secretary, but not from her membership of the committee, in March 2021.

As Chair, I would like to thank most sincerely all members of the Committee, our physiotherapist, Susan Pattison and her colleagues, Anna Ziemer of Bolton University and all our members, carers and donors for their continued and much valued support for Bolton Neuro Voices.

Marie Oxtoby

Annual Report for 2020/2021

This is the eleventh Annual Report of Bolton Neuro Voices. It is very different to all previous reports because of the difficult and unprecedented year we have all experienced through the Covid pandemic and lockdowns. We have been unable to provide any of our usual services ie Hydrotherapy courses / programmes and Arena exercise sessions, and no social meetings have been possible.

Our membership is made up of five local neuro groups; Bolton West Stroke Support Group, Bury/Bolton ME/CFS Support Group, Manchester and District MND Association, Bolton and District MS Society and Parkinson's UK Bolton - plus 43 individual members. No membership subscriptions were collected for 2020/21.

Aims and Objectives Bolton Neuro Voices was set up to improve the quality of neurological health and care services in Bolton, to create a forum in which local groups could work together and to extend membership to individuals and carers who have no local support group. In particular, we wanted to facilitate improvements in quality of life, ensure access to information and provide continued monitoring of local services.

Activities in 2020-2021

Our only activity has been to keep in touch with our members via emails, letters, phone calls and our Facebook page and so to try and ensure that they had access to all available sources of information, help and support.

The attached Finance Report reflects this lack of activity but underlines our secure financial position.

The Committee (Trustees) for 2020/21 were Marie Oxtoby (Chair), Graham Brushett (Vice Chair), Moyra Lewis (Secretary), Annette Stuart (Treasurer), Marie Boardman, Ian Flint, Neil Germaine, Christine Lee and Moyra McDermott. Barbara Tew, a founder member and long-serving secretary retired to live near her family in Cumbria and Peter Shakespeare, a trustee and leader in our Hydrotherapy programme sadly died very suddenly in May. We owe them both a huge debt of gratitude and will not forget them.

We hope that 2021/22 will see the relaunch of all our services.

Marie Oxtoby
Chair

Bolton Neuro Voices CIO registered number 1178772
