DERBYSHIRE FEDERATION OF WI'S CIO

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 OCTOBER 2024

The trustees present their report with the financial statements of the charity for the year ended 31 October 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The WI welcomes all women who live in rural or urban areas and aims to improve the quality of their life in their communities. It offers its members the opportunity to meet in a friendly, safe atmosphere where they can develop new interests and acquire skills of value to themselves, their families, and their communities. Events are held during the year e.g., arts and crafts and home economics classes, keep fit and sporting events, and outings with an educational purpose.

There is something for everyone in today's WI: conferences on items of local and national importance; courses and workshops which are instructive, and which may be held locally with local or national trainers, social events, and outings.

An important aspect of WI life is the process of putting forward and voting on resolutions on matters of concern to members. If accepted, these then become mandates on which the WI will campaign locally and nationally as appropriate. The WI is the largest women's organisation in England, Wales, and the Islands; it can influence decision making at all levels and is a strong lobbying body, not bound by political or religious affiliation.

The above is a précis of the role of the WI nationally. The DFWI have continued to do their best to fulfil this role in Derbyshire in the last year.

The notable events held by DFWI this year were:

In November the Craft Team held a Recycle Dabble Day to encourage re-purposing of items in line with our eco friendly goals

December saw members enjoying an overnight visit to for the Christmas at Blenheim event

On March 5th we held our Annual Council Meeting at the Winding Wheel, Chesterfield. There was a very good attendance to hear our speakers. In the morning Mike Palmer, one of 3 Dads Walking spoke of their efforts and commitment to raising awareness of suicide in the under 35's. The afternoon speaker was Tom Kerrs, an astronomer and self-confessed stargazer.

In April we held a weekend residential where members could choose from 4 workshops including creative writing and crafts.

Throughout the year members went on organised visits to Melbourne Gardens, Chelsea Flower Show and the Isle of Wight.

Their brains were challenged during the County Quiz and they were given support in using technology and staying safe online.

June saw members travel to London for an overnight stay to attend the National Federation's Annual Meeting held at the Albert Hall. The meeting was also broadcast online provide the opportunity for delegates to vote online for the resolution. All 36 of Derbyshire's delegates attended in person.

The resolution voted for in 2024 was:

Dental Health Matters

There is a chronic shortage of NHS Dentists and people are suffering health issues as a result. The NFWI calls on the Government to increase investment in the training and retention of dentists and to review the current inadequate NHS contracts in order to ensure everyone can access an NHS dentist wherever they live.

This resolution was carried by a majority vote and Derbyshire's WI's began promoting dental health at events

DFWI maintained a presence at shows throughout the summer. In June the Derby Show at Elvaston Park was unfortunately cancelled due to adverse weather conditions, but we expect to take our place in June 2025. We had a presence at Ashbourne and Ashover shows in August.

DERBYSHIRE FEDERATION OF WI'S CIO

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 OCTOBER 2024

ACHIEVEMENT AND PERFORMANCE

Although no new WI's were opened this year, neither did we close any and several WI's saw an increase in their numbers through active recruitment. Throughout this year we have referred to our 5-year Strategy Plan. We continue to look at various areas of our work, technology, organisation, recruitment and retention of members, premises and finance. This plan is now in place.

We plan to increase the recruitment of new members and to encourage existing members to be as involved as possible at both local and federation level.

We continue to create a user-friendly online platform to provide courses, events, and speakers to our membership.

We now use a card reader machine enabling members to purchase tickets for events and other items over the phone rather than writing cheques and posting them in.

In 2024 we are in line with our 5-year plan to use email first to contact Institutes and posting by mail only where email is not possible. In 2024 we continued our aim to be as paper free as possible.

In accordance with our strategic planning, we continue to maintain Derbyshire House in as good a condition as possible. We are aiming to be as eco-friendly as possible.

FINANCIAL REVIEW

Our Trustees continue to take proactive involvement in the day-to-day running of the office and in particular the finance office.

Our main income stream, as before, is from membership fees and we continue working to retain existing members and attract new ones. A greater portion of the fees has now been allocated to the Federation and to individual WIs by the NFWI, who are retaining a smaller portion than in prior years.

Our sub-teams, not all of which are fund raising in nature, continue to seek out ways of keeping our members interested and involved with events that we hope are of a varied interest to our members. Support from members is vital, especially so in the present climate. Every effort is made to keep the costs of such events as low as possible.

Our main costs are largely in line with budget, as always staffing and the maintenance of Derbyshire House are the greatest costs we face.

Investment powers and policy

There are no restrictions on the charity's power to invest. The investment policy is reviewed by the Office and Finance Sub-committee annually and advice taken. It is now the policy of the Federation to hold surplus funds in low to medium risk charity organisation investment funds, a decision that has proved to be financially satisfactory this year.

Reserves policy

The Trustees have established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets (the free reserves) held by the Federation should be 12 months of the resources expended, which equates to around £210,000 in general funds. Free reserves represent the 'working capital' of the Federation available to support short-term objectives and to safeguard against unexpected decreases in income. At present the free reserves which amount to £238,000, are above this target level and will be looked at in the future to benefit the members.

Restricted funds

We have some funds that are restricted as to their use, which means they are committed to designated activities and cannot be used for general purposes. These funds are as follows: -

" Closed WIs - funds held for three years after closure in case the WI reopens in that time

DERBYSHIRE FEDERATION OF WI'S CIO

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 OCTOBER 2024

FUTURE PLANS

The Trustees are vigilant in monitoring expenditure and we are confident that we will be able to continue our activities and fulfil our objectives.

We will continue to seek sponsorship for our activities as appropriate, and to investigate grant aid where available.

We continue to claim Gift Aid, increasing the numbers registered.

The Trustees are committed to working for the benefit of the Federation and to carry it forward through the next year.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The DFWI is governed by its Constitution and Articles of Association, formed in 1918 and last amended to allow for current governance arrangements in 2021. It is registered as a Charitable Incorporated Organisation with the Charity Commission, charity number 1178877. The object of DFWI is to further the purposes of the WI organisation in the Federation of Derbyshire. Any woman aged 18 and over can become a member and there are currently 4,389 members within the Derbyshire Federation, in 142 WIs.

Recruitment and appointment of new trustees

As set out in the Constitution, the Trustees are nominated by the WIs in the Federation or by the existing Board of Trustees and are elected by ballot every two years. An election was held in February 2024. The next election will be in February 2026. Nominees appointed by DFWI are subject to the appointment processes and guidelines set out in the Constitution. The Trustees have the power to co-opt up to three further members to this current Board, who will serve until the next election when they may become trustee nominations. Co-options are used to recruit any specialist skills, which the Board feels would be helpful.

At the first board meeting following the Annual Meeting, the Board of Trustees nominates members for the posts of Chairman, Vice Chairman (2) and Hon. Treasurer and Assistant Treasurer, and these are elected by ballot.

Organisational structure

The Board of Trustees, which currently can have up to 15 members, administers the charity. It meets monthly to oversee the running of the charity and hear reports from the teams that it has set up to cover specific areas. At present these are: Public Affairs, Sports and Leisure, Home Economics & Catering, Show, Crafts, Media Hub, Fun, Archives with some Virtual Events. Generally, the teams will meet up to six times a year. A further team of Membership Support Advisers, who are currently trained by the National Federation but appointed by DFWI, exists to help with the opening of new WIs, the running of individual WIs and the training of members to fill committee posts within the WIs and suspending WIs. A further team, consisting of the Officers of the Board of Trustees, is responsible for the upkeep and running of the Headquarters building, Derbyshire House, and the employment of the staff who work there; it meets four times a year and reports to the Board of Trustees. There are 4 employed staff of the Federation. They are the Federation Secretary who oversees all aspects of the running of the office and acts as minute secretary for the Board of Trustees, the Finance Officer, an Administration Officer, and a cleaner. A gardener/handy man is called upon when needed on an ad hoc basis. All are part-time posts.

Induction and training of new trustees

Trustee training from National is now done online, and all Trustees must complete the online course. All of the current Trustees at DFWI have completed this training. There are plans at National level for there to be refresher courses available online too. New Trustees are given an induction in March when they meet their fellow Trustees and the staff employed by the Federation and are familiarised with the facilities of Headquarters.

Risk management

The Trustees have a risk management strategy that comprises:

- * Annual reviews of any risks the charity may face
- * The establishment of systems and policies and procedures to mitigate these risks
- * Procedures implemented to minimise potential impact should any risk materialise.

Procedures in the area of financial risk management are reviewed regularly and amended as necessary.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF DERBYSHIRE FEDERATION OF WI'S CIO

Independent examiner's report to the trustees of Derbyshire Federation of WI's CIO

I report to the charity trustees on my examination of the accounts of Derbyshire Federation of WI's CIO (the Trust) for the year ended 31 October 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

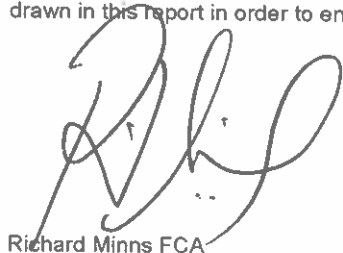

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

DERBYSHIRE FEDERATION OF WI'S CIO

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2024

1. STATUTORY INFORMATION

Derbyshire Federation of WI's CIO is a charitable incorporated organisation, registered in England and Wales. The charity's registered charity number and principle address can be found in the reference and administrative details of the Report of the Trustees.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The presentation currency of the financial statements is the Pound Sterling (£).

Significant judgements and estimates

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if revision only affects that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The following judgements and estimates have been made in the process of applying the charity's accounting policies that have had the most significant effect on amounts recognised in the financial statements:

Depreciation - the useful life of fixed assets is based on a recognised accounting policy. Estimates are calculated on historic experience and current expectations of useful life.

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemption in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

No amount is included in the financial statements for volunteer time in line with the SORP (FRS 102).

For legacies, entitlement is the earlier of the charity being notified of an impending distribution or the legacy being received. At this point income is recognised.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 OCTOBER 2024

2. ACCOUNTING POLICIES - continued

Income

Income from trading activities includes income earned from fundraising events and trading activities to raise funds for the charity. Income is received in exchange for supplying goods and services in order to raise funds and is recognised when entitlement has occurred.

Debtors

Trade debtors and other debtors are recognised at the settlement amount due less any discount. Prepayments are valued at the amount prepaid.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are recognised at their settlement amount.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 2% on cost
Fixtures and fittings	- Straight line over 7 years

Freehold land is not depreciated.

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

The charity maintains the level of reserves required to fulfil its objectives. The board of trustees monitors reserves at regular meetings.

Unrestricted funds are donations and other incoming resources receivable or generated for the objects of the charity without further specified purpose and are available as general funds.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure which meets these criteria is charged to the fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment assets and income

The charity holds investments as fixed assets.

DERBYSHIRE FEDERATION OF WI'S CIO

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 OCTOBER 2024

2. ACCOUNTING POLICIES - continued

Fund accounting

The interest on deposits and dividends accruing on these investments is included in investment income on a receivable basis.

In accordance with the Statement of Recommended Practice, the Federation values its investments at the fair values ruling at the date of the balance sheet. Market values are used to establish fair values.

Realised and unrealised gains and losses are dealt with in the general fund.

Financial Instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 OCTOBER 2024

19. MOVEMENT IN FUNDS - continued

Restricted funds

Restricted funds held by the Federation cannot be used for general purposes and are listed below:

Closed Branches - funds held for three years after closure in case the WI re-forms in that time. If a WI does not re-form, money held on their behalf transfers to the Federation general fund.

Included in the Net movement of funds for Closed Branches is the release of £9,708 which relates to funds held for branches closed prior to 31 October 2020 in accordance with the above policy.

Transfers between funds

The Board of Trustees resolves that the Funds shown on the Statement of Financial Position should be shown solely as General Fund (unrestricted) and Suspended WIs (restricted). The Board is of the view that there are no legal, contractual or other requirements that prevent the current restricted funds being consolidated into the General Fund.

Therefore the Derbyshire House Fund, Veronica Byers Memorial Fund, D Cox Fund and the Derbyshire Room Refurbishment Fund have been transferred to the General Fund in the year.

20. RELATED PARTY DISCLOSURES

There were no related party transactions for the year ended 31 October 2024.

21. ULTIMATE CONTROLLING PARTY

The Federation is controlled by its trustees.
