### Objectives and Activities

Our Foundation was formed in 2018, consolidating already established Community programmes at Sutton United Football Club to ensure that further activities could be provided to the Community through a shared passion, vision, and expertise.

Our main objectives continue to aim to provide public benefit to the Community (Sutton and its adjoining boroughs) through Community participation in healthy recreational activities, but also to advance the education of children, young people, and the public at large by the use of educational programmes, courses, and facilities.

To achieve these objectives, we continue to engage with the Community on needs and then focus on providing the necessary facilities, coaching and support to meet these needs, with session provided across the wider borough of Sutton.

The Foundation has always strived to provide a safe and secure environment, and we continue to ensure we have an open policy on participation by ensuring that there are no barriers to entry by reason of age, ethnicity, gender or ability, nor are the local community prevented from joining due to difficult financial or social circumstances; everyone is welcome to come along and be part of their Community and hopefully improve their wellbeing.

In their ongoing operation of the Foundation the Trustees continue to have regard to the guidance issued by the Charity Commission on public benefit and are committed to ensuring this is upheld.

### Achievements and Performance

We continue to provide those activities which were the bedrock of the first steps taken in 2018 under an agreed framework.

The trustees' skills and expertise continue to be shared to help develop cohesive and established ranges of community activities. The trustees continue to look at all avenues and ways of reaching out further into the Community.

#### Walking Football for the over 55's

Wednesday morning sessions at Goals Soccer Centre in North Cheam continue to be provided. The sessions are open for both men and women.

With an established group of over 30 men taking part, with all ages over 55 being represented up to and including those in their 80's, strong bonds and friendships have been made, as well as the obvious health benefits achieved through participation.

In general, the sessions have greatly improved their fitness, general health, and social interaction, making them happier in their retirement and helping them remember how much they enjoyed playing football when they were younger.

We continue to involve our Walking Football attendees on our Foundation days, held periodically during the season, with the aim of interacting with teams for other clubs and building relationships with others across the Community.

#### Parkinson's Walking Football

We additionally added, in the spring of 2025, a regular session after the existing over 55's session, for those affected by Parkinson's. The sessions have been fully supported by Parkinson's UK and attendees have managed to build a strong link with our over 55's who have been there to help them settle in and add their support to their sessions.

Since the sessions started, we have gradually built on those foundations by exploring other activities that we could provide that would further enhance their involvement and health.

### Parkinson's Boxing

As outlined above, following the success of the football sessions, we added twice weekly boxing sessions for those with Parkinson's. There has been a consistent attendance of participants over the weeks, and they are supported by dedicated boxing coaches who have added their wealth of experience to provide real enjoyment and physical health improvements to those attending.

### Pan-Disability Football

This area is one where there remains huge interest and, under the inspiring leadership of Steve King, we had three teams training weekly on Saturday mornings with varying levels of learning disabilities and mild physical disabilities.

There are currently more than 40 players participating, with regular games and tournaments for all teams.

All teams played in the Friendship League, a league which promotes the highest levels of players' welfare and safeguarding.

Additionally in June 2025, the section continued its legacy of attending the George Best Community Cup in Belfast, an event attended by over 73 teams and 500 players from the leading pan disability teams in the United Kingdom. Our Ability 3 team were crowned champions, and one player was named Ability 3 player of the tournament, with the whole event being an enormous success with long lasting friendships and memories made.

The overwhelming aim of the section is to ensure that attendees' welfare is key, by improving their self-esteem, confidence, general health, and social interaction through the provision of a safe environment.

We have several volunteers who help run this programme, one of whom works as our Special Educational Needs Schools Liaison Officer, with a remit to forge relationships with schools in the borough and encourage pupils to come and play at Sutton United.

The section continues to inspire and engage and remain a flag bearer for Pan-Disability Football and inclusion.

As part of our plans for the 2025/2026 season, the section will be adding a further team representing those with Cerebral Palsy, with that team taking part in the National CP league.

### Special Needs Schools Outreach Programme

We continue to maintain our links with the Special Needs Schools Outreach Programme for the Carew Manor Academy in Wallington, through our engagement with our associated coaching teams and providers.

These enrichment sessions are held at the school on Thursdays throughout the academic year, with boys and girls attending. The sessions are not solely devoted to football. The children can choose from a variety of activities offered, though most choose football as that seems to resonate best with them.

The participants found that the sessions, well delivered and organised, improved their self-esteem, confidence, social interaction and, above all, their fitness.

We have also added two local SEN Schools, Brookways and Grove Road, to our programme and have been providing support to both schools.

### Girls Development Football

This is an area in which we believe that we can really grow Community participation and help school-age girls from Under 8 to Under 16 have a healthy lifestyle.

The programme runs on a Monday night throughout the academic year for girls from six years old up to eleven. These sessions have a regular take-up, with some 30 to 40 girls participating, with over 50% of them also representing our teams on a Sunday.

The Monday sessions are based on healthy participation and having fun and those attending enjoy the coaching and urge their friends to come along too. We also now have open sessions for those aged 11-16 being carried out and are currently looking to grow these sessions through promotion and engagement with local secondary schools.

### Girls' Youth Development Football – Ages 10-18

This is an area of significant growth and Sutton as a borough has a strong academic offering with many schools also continuing to promote Girl's football which has continued to provide the club with a steady stream of participants and interest.

We promoted the section fully within the community including engagement with local primary and secondary schools to show what we can offer and how this can help those looking to improve health and wellbeing and the development of new friendship groups within the community.

### Other Initiatives and Sessions Held

The Foundation, under the dedicated direction of the Head of Foundation and with the additional resources of the community engagement lead, continued to interact and develop relationships with educators, partners and local groups to provide sessions for the community.

### Local Schools

- An ongoing disability programme on behalf of London Borough of Sutton
- Provision of coaching to year 7-9 girls in three local high schools, including mentoring of those children who are excluded or are home school schooled, we even got one child fully re-engaged and successfully got them to join our girls U14 set up, making a huge change to their wellbeing, which we were very proud of.
- Attending local SEN schools to provide advice and information on careers etc.
- Providing 12 local schools with tickets to the National League Cup games to bring children and parents into the community setting to show them what we can offer.

### Local Community

- Free sports session in local community halls to engage children and parents alike, numbers here grew to over 200 different attendees.
- Junior Jays sessions for children between 18 months and 3 years, providing support and assistance to parents whilst providing engagement and activity for the children.
- Sutton Community Food Banks – delivering and collection donations.
- Direct engagement sessions with our Sri Lankan community attended by over 50 people.
- Coffee Mornings and warm spaces – these are provided, at the club, as a drop in for anyone in the community and are supported by the Foundation staff.
- A 'Silvers' Christmas Lunch event, in association with Age UK, where attendees were given a guided tour of the ground, a Christmas meal and Carols sung by our local primary school children.

### Foundation Days

We ran a number of dedicated days at home league games, to promote and engage the wider community into who we are, what we do and to listen to ideas to help us understand better the local community needs and how we can address and improve that.

These days involved all areas of the foundation putting on events and promoting the foundation to its local community, additionally local dignitaries and key community leaders were brought along to ensure we can all work together to provide much more to the wider local community as a whole.

The days were successful and allowed greater community engagement and off the back of these ideas and activities have been highlighted and are now taking place in the current year or are planned to start.

### Financial Review

We are currently operating with minimal funding and donations but continue to grow by looking at all avenues of funding available.

We have managed to control money and use it effectively to run our Community offering and programmes. We have 2 full time employees co-ordinating our deliverable activities, but we continue to rely heavily on our dedicated team of unpaid volunteers and helpers.

Our financial information, with details of how and where we have spent our money, is contained within the annual accounts on the Charity Commission's website.

We had £109,421 (2024: £99,090) left in cash and bank to continue our work at the year end and this amount is sufficient to meet our financial commitments presently, with £15,723 of that money earmarked for our longer-term community pavilion development which will be built in 2026.

## Structure, Governance and Management

The Foundation, which is a Charitable Incorporated Organisation, is based on the objectives contained in our Constitution and on the people involved, their passion, willingness, knowledge, and expertise.

New strategies and programmes are considered by the board of trustees.

We have also continued to make appropriate structural changes to our operations and board of trustees' responsibilities. Most of the changes have been procedural in nature and we do not anticipate stopping any existing activities or programmes. We hope that we will be able to gain new funding to build and expand on our existing offerings.

We are governed by a group of trustees, who are vetted prior to appointment and new trustees are elected at regular meetings of the Foundation. The current list can be found on the Charity Commission website, those in office at the date of this report being:

Phillip Hedger – Chairman

Lee Daley – Treasurer

Martin Copus

Michael Joyce

Stephen Hyde

Sophie Sargeant
