The Parochial Church Council of the Ecclesiastical Parish of St Nicholas, Dunnington

Annual Report for the Year Ended 31st December 2023

The Parochial Church Council ("the PCC") has pleasure in presenting its Report together with the Financial Statements for the year ended 31 December 2023.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the financial statements and comply with the PCC's governing document, the Charities Acts 2011 and 2022 and the relevant version of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The PCC is a Registered Charity (1178934) and is a public benefit entity.

Aim and Purpose

St Nicholas' PCC has the responsibility of co-operating with the incumbent in promoting in the ecclesiastical parish the whole mission of the Church, pastoral, evangelistic, social and ecumenical.

The PCC is also specifically responsible for the maintenance of the Church and Tower Room complex of St Nicholas' Church, Dunnington.

St Nicholas' Church is now part of a four-church benefice, the Benefice of Rural East York.

Objectives and Activities

The PCC is committed to enabling as many people as possible to worship at the church and to become part of the parish community at St Nicholas' Church. The PCC maintains an overview of worship throughout the parish and makes suggestions on how services can involve the many groups that live within the parish. The services and worship put faith into practice through prayer and scripture, music and sacrament.

When planning the activities for the year, the incumbent and the PCC have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. In particular, the PCC tries to enable ordinary people to live out their faith as part of the parish community through:

- Worship and prayer, learning about the Gospel, and developing knowledge and trust in Jesus Christ;
- Provision of pastoral care for people living in the parish;
- Missionary support and outreach work.

Our Mission Statement: 'A Christ-like presence with the people of Dunnington'

We believe that, in Jesus, God has revealed the most compelling way to be fully human and fully alive. God is calling us to respond to His love, to flourish as a community and to practise the way of Jesus filled with his Spirit and rooted in the Bible and the Holy Sacraments.

We aim to embody this by being a church community that shows and shares the love of Jesus by providing to all:

- A home of encounter, acceptance, safety, warmth and shelter
- A place of refuge for those who are struggling
- An opportunity for community enrichment
- An inspiration for worship, repentance, restoration, holiness and love
- An oasis for spiritual well-being, nourishment and transformation in the aftermath of a global pandemic
- A commitment to justice and the care of God's creation

Achievements and Performance

Worship and Prayer

The PCC is keen to offer a range of services during the week and over the course of the year that our varied community finds both beneficial and spiritually fulfilling.

Our normal services consist of an intimate Sunday 8.00am service, now twice monthly, following the historic word of the Book of Common Prayer (Common Worship Order Two); a Wednesday 9.00am service following Holy Communion Order One; a more vibrant Sunday 10.30 am Parish Worship with music playing a large role. A new, more informal and intentionally invitational, opportunity for worship continues on two Sundays a month at 7.00pm in the Tower Room.

We now worship as a Benefice on the fourth and any fifth Sundays of the month.

We continued to offer a weekly 30-minute Sunday service on the St Nicholas' Church/Benefice of Rural East York YouTube channel, until July. A midweek Compline service via zoom continues to attract fifteen to twenty people each week.

It was hoped to keep the Re-Ignite youth group going, but finding leaders proved to be difficult.

The "Little People Play and Praise" sessions that take place weekly during term-time for pre-school children and their carers continues. For the pre-school and primary-aged children of the Benefice several Messy Church sessions were held either at Dunnington or Stockton-on-the Forest. The Children and Families worker post remains vacant.

Monthly Evening and weekly Daytime Fellowship Groups provide opportunities for people to learn from the Bible, to discuss their experience of the joys and challenges of the Christian life and to pray and build friendships. A Christian Meditation Group meets monthly, existing to promote silent contemplative prayer and meeting a need in the parish for this approach to Christian spirituality. A well-attended Benefice Lent course was held in the Tower Room, where we heard speakers from the Islam, Unitarian, Sikh, Baha'i and Hindu faiths.

Church attendance

All are welcome to attend the regular services at St Nicholas' Church. There were 124 parishioners on the Church Electoral Roll at 31 December 2023, a decrease of one during the year. The usual Sunday attendance of 66 was a slight reduction on the previous year. While the Sunday at Seven services are proving very popular, we have seen a falling number attending the 8am services on a Sunday. Very few children are attending the main services. Attendance at Christmas has remained high with the popular outdoor Carol service being well attended. The numbers attending the Easter service reduced. The church hosted 3 marriages in 2023 a higher number than in recent years. There were only 2 baptisms in the year which was much lower than previous years.

Derwent Deanery Synod

Three members of the PCC sit on the Derwent Deanery Synod. This provides the PCC with an important link between the parish and the wider structures of the church.

The Tower Room Complex

The Tower Room Complex is used for the majority of the church groups and social events and is also available for hire. Bookings have not returned to pre-covid numbers but groups using the facility include the Parish Council and an art/sewing group.

As part of our fundraising efforts towards replacing the Tower Room roof and church heating system, we opened the church for refreshments and to offer toilet facilities (for an optional donation) for visitors who had come to watch the Yorkshire Marathon pass by the village. It was also the base for a fund-raising Village Scarecrow Trail.

Pastoral Care

The church hosted regular Sunday Parish Lunch and mid-week Fun Food and Fellowship days attended primarily by elderly parishioners.

A Community Cafe is now held most Saturdays and a “Light a Candle” Bereavement Café once a month. Refreshments are often served after services or during some of the other worship opportunities.

Some members of the parish are unable to attend church due to sickness or age. Home visits, phone calls and Communion, are offered and are normally co-ordinated through the Pastoral Visiting Team, consisting of both clergy and lay visitors who visit the housebound and residents of local care homes.

Communion is taken monthly to the residents at Grimston Court and the Manor Beaumont at Stamford Bridge.

Mission and Evangelism

Helping those in need is a demonstration of Christian Love. The church has continued to support the Children's Society with a Christingle service and some parishioners maintain a collection box for their donations. In addition, the church supported Dunnington Primary School, IDAS (women's refuge) and a Local Foodbank. A house-to-house collection is organised during Christian Aid week.

The PCC approved mission and charitable donations of £8,500, the beneficiaries being Tearfund's Turkey-Syria Earthquake Appeal, The Besom and Bundles of Joy.

Other Church Activities

Details of all other church activities and groups, and more comprehensive commentaries on the foregoing activities, are contained in a separate Report available at the Annual Parochial Church Meeting.

Financial Review

2023 has seen a large amount of expenditure on church maintenance following the completion of the new Tower Room roof (the first phase of the 'Big Build' project). Further funds are needed in order to begin the second phase (the replacement of the heating system). Fund raising may be hampered as the cost-of-living crisis continues. The PCC needs to prepare for substantial increases in utility costs in 2024 (since our 3-year fixed term gas contract ended in November 2023).

The Parochial Church Council of the Ecclesiastical Parish of St Nicholas, Dunnington

Annual Report for the Year Ended 31st December 2023 (continued)

The final outturn for the year on all funds, before accounting for net investment losses, was total income £148,285 (2022, £147,842) and total expenditure £213,037 (2022, £118,130) resulting in net expenditure (a deficit) of £64,752 (2022, £29,712 surplus). The General Fund realised a deficit of £1,535 (2022, £12,252 surplus).

Planned giving by standing order remained stable at £55,507 in 2023 (2022, £56,610). Free Will Offerings (open plate collections and the church's share of collections at funerals) decreased from £10,739 in 2022 to £6,066 in 2023. Envelope giving has decreased slightly to £1,337 (2022, £1,720). Use of the contactless card machine has grown to £1,235 (£1,057, 2022). Donations received by cash or cheque were £4,878 (compared to £19,018 in 2022 when there were many generous donations to the Big Build campaign).

The 'Big Build' campaign to replace the Tower Room roof and heating has raised a total of approximately £92,000 (£15,000 raised in 2023) through a combination of donations, grants and fundraising events (all allocated to the Fabric fund). Notably, this year, we received a £600 Grant from the Benefact Trust to pay for the new roof alarm sensors and £18,416 from the Listed Places of Worship VAT reclaim scheme.

Income from Tower Room bookings has not recovered to pre-COVID-19 levels. In 2023, £1,140 was received in lettings compared to £800 in 2022 and pre-pandemic levels of £4,160 in 2019.

Expenditure on church maintenance and repairs was £105,095, of which £102,155 related to the costs of the new Tower Room roof.

Our freewill offering to the diocese increased by 4% to £59,692 in 2023 (2022, £57,396). The 2023 Mission and Giving donations will be £3,900 each to an overseas charity and a 'home' charity (2022, £4,250 each).

The General Fund balance (reserves) at the year-end have decreased to £23,604 (in 2022 the General Fund balance was £26,808). Restricted Funds have seen a substantial decrease of £57,961 due to the Big Build project.

There was an upturn of the stock markets in 2023, which saw the market value of The Church Estate Fund investment increase by £3,580 (9.3%) and the James Twinam Fund investment increase by £719 (10%). The dividends from the James Twinam Fund (£227) will be donated to Dunnington Church of England Primary School to support the Pupil Premium.

Reductions in subscriptions and advertising income, coupled with increased printing costs, have resulted in an in-year loss from the parish magazine (Grapevine). New advertisers and a cheaper printing supplier will need to be sought in order for the magazine to remain financially stable.

The net movement on all funds, after taking into account the net market value gains on investments, amounted to £60,453 deficit (2022 £23,651 surplus), which when added to the funds brought forward at the beginning of the year, resulted in fund balances to carry forward at 31 December 2023 of £108,069 (2022, £168,522).

Reserves policy

The PCC's policy is to maintain a balance on unrestricted free funds (if possible) to cover 3 month's running costs which equates to approximately £25,000 (minimum £20,000). The current balance of £23,604 is within this range. However, despite an aim to increase planned giving by 10%, the 2024 budget anticipates a deficit from increased expenditure on energy costs and expenditure on planned improvements to the audio-visual equipment. We must prioritise our longer-term work on the new energy-efficient heating system, for which separate specific funds are being sought, to help to minimise need for emergency funds, reduce costs and increase income.

Investment policy

It is the PCC's policy to invest fund balances with CCLA Investment Management Limited incorporating the CBF Church of England Deposit Funds.

Volunteers

The PCC extends grateful thanks to all the volunteers who work so hard to make St Nicholas' Church the lively and vibrant community it is. Some roles are more 'high profile' than others but there is so much valuable work that goes on unseen during the year contributing to the church's ministry and keeping it running. The importance and value of volunteers has been further highlighted in 2023 due to the vacant Rector's post and the curate, Rev Mark Poole, leaving to commence as priest in charge at Barmby Moor.

Structure, Governance and Management

The PCC is a corporate body established by the Church of England and operates under the Parochial Church Council Powers Measure.

The method of appointment of PCC members is set out in the Church Representation Rules. At St Nicholas' the membership of the PCC consists of the Incumbent (Rector), Curate, Licensed Lay Minister (Reader), Churchwardens and Members elected by those members of the congregation who are on the electoral roll of the church. All those who attend services or are members of the congregation are encouraged to register on the Electoral Roll and stand for election to the PCC.

The PCC members are responsible for making decisions on all matters of general concern and importance to the parish including deciding how the funds of the PCC are to be spent.

The PCC met seven times during 2023, with an average level of attendance of 13 members. Given its wide responsibilities the PCC has sub-set/focus group discussions (for example for Fabric issues) on particular aspects with key conclusions reported back to the full PCC for advice or decision. In addition, the PCC discusses relevant issues from wider groups such as the Derwent Deanery Synod and Benefice Pastoral Committee.

Some specific matters discussed were the Annual Diocesan "Freewill Offering" for 2024; Mission and Charity Giving; the format of Sunday worship; funding the Big Build projects; and matters in managing the vacancy and the process of appointing a new Rector. The Rev Katharine McBride was appointed, as Rector of the Benefice of Rural East York, in July 2023.

Administrative Information

St. Nicholas' Church is situated in the village of Dunnington near York. It is part of the Benefice of Rural East York, Diocese of York within the Church of England. The correspondence address is The Rectory, 30 Church Street, Dunnington, York, YO19 5PW.

The PCC is a body corporate (PCC Powers Measure 1956, Church Representation Rules 2020) and is registered with the Charity Commission (Registered Charity 1178934).

The Parish was in vacancy from September 2022. A new Incumbent (Revd Katharine McBride) was Chair of the PCC from July 2023. During the year meetings were chaired by Peter Helm (Lay Chairman).

Statement of responsibilities of the parochial church council

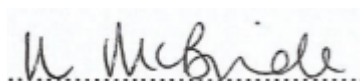

Law applicable to charities in England and Wales and guidance issued by the Central Board of Finance of the Church of England require the PCC to prepare financial statements which give a true and fair view of the PCC's financial activities during the year.

In preparing financial statements giving a true and fair view, the PCC should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether the Church guidance, applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the church will continue in operation.

The PCC are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the PCC and enable them to ensure that the financial statements comply with the Church Accounting Regulations 2006 and the Charities Acts 2011 and 2022. They are also responsible for safeguarding the assets of the PCC and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Parochial Church Council of the Ecclesiastical Parish of St Nicholas, Dunnington

Notes to the Financial Statement - 31 December 2023

1. Accounting Policies

The financial statements have been prepared in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Acts 2011 and 2022 and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the relevant version of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups that owe their main affiliation to another body, nor those that are informal gatherings of church members.

The PCC is a public benefit entity.

Fund Accounting

Unrestricted Funds are income funds which are to be spent on the PCC's general purposes.

Designated funds are general funds set aside by the PCC for use in the future. Project funds are designated for particular projects for administration purposes only. Funds designated as invested in fixed assets for the PCC's own use are abated in line with those assets' annual depreciation charges in the SOFA, where applicable. Designated funds remain unrestricted and the PCC will move any surplus to other general funds.

Restricted Funds comprise (a) income from endowments which is to be expended only on the restricted purposes intended by the donor, and (b) revenue donations or grants for a specific PCC activity intended by the donor. Where these funds have unspent balances, interest on their pooled investment is apportioned to the individual funds on an average balance basis, where applicable.

Endowment Funds are funds, the capital of which must be retained either permanently or at the PCC's discretion; the income derived from the endowment is to be used either as restricted or unrestricted income funds depending upon the purpose for which the endowment was established in the first place.

Income recognition

All income is recognised once the PCC has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Planned giving, collections and donations are recognised when received. Tax refunds are recognised when the income to which they relate is received. Grants and legacies are accounted for when the PCC is legally entitled to the amounts due. Dividends and interest are accounted for when receivable. All other income is recognised when it

**The Parochial Church Council of the Ecclesiastical Parish of
St Nicholas, Dunnington**

Notes to the Financial Statement - 31 December 2023 (continued)

is receivable. Amounts received specifically for mission are dealt with as restricted funds. All income is accounted for gross.

Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the PCC to that expenditure, it is probable that settlement will be required and the amount of obligation can be measured reliably.

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding or constructive obligation on the PCC. The diocesan parish assessment is accounted for when due. All other expenditure is generally recognised when it is incurred and is accounted for gross.

Fixed assets

Consecrated and benefice property is not included in the financial statements in accordance with section 10 (2) (a) of the Charities Act 2011.

Movable church furnishings held by the vicar and churchwardens on special trust for the PCC and which require a faculty for disposal are inalienable property, listed in the church's inventory, which can be inspected at any reasonable time. All expenditure incurred during the year on consecrated or benefice buildings and movable church furnishings, whether maintenance or improvement, is written off.

Equipment used within the church premises is depreciated on a straight-line basis over 4 years. Individual items of equipment with a purchase price of £1,000 or less are generally written off when the asset is acquired.

Investments

Investments are stated at market value at the balance sheet date. The Statement of Financial Activities includes the net gains and losses arising on revaluation at the year end and disposals throughout the year.

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow-moving items.

Current assets

Amounts owing to the PCC at 31 December in respect of fees, rents or other income are shown as debtors less any provision for amounts that may prove uncollectable.

**The Parochial Church Council of the Ecclesiastical Parish of
St Nicholas, Dunnington**

Notes to the Financial Statement - 31 December 2023 (continued)

Operating lease agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are charged against income on a straight-line basis over the period of the lease.

Irrecoverable Value Added Tax

The PCC is not registered for Value Added Tax (VAT) and accordingly expenditure is shown gross of irrecoverable VAT. The VAT incurred from time to time on certain fabric repair and maintenance expenditure can, however, be recovered under the Listed Places of Worship Grant Scheme.

Going Concern

The financial statements have been prepared on a going concern basis. This assertion is supported by budgets and forecasts. The PCC, having considered the foregoing and having made due enquiries, continue to adopt the going concern basis in preparing the financial statements which assumes that the PCC will continue in operation for the foreseeable future.

Taxation

The Retiring and Dedicated Collections Fund represents retiring collections made at services, or other dedicated collections made, specifically for charitable and mission causes.

12 Grapevine magazine trading profit (Grapevine Treasurer, Dave Safhill)

The Grapevine Magazine funds are further depleted this year. We cannot afford a continuing reduction of over £2000 per annum.

The economic climate is still poor, but we do need to encourage more businesses to use our magazine if we can. There will be an opportunity for us to increase both the annual magazine subscription and our prices for advertisements from 1st September 2024, which may yield some slight improvement. The reducing numbers of advertisers is the key issue.

Dunnington Parochial Church Council

Independent Examiners Report to the Members of the Council

I report to the members on my examination of the financial statements of Dunnington PCC for the year ended 31 December 2023

Responsibilities and basis of report

As members of the PCC, you are responsible for the preparation of the financial statements in accordance with the requirements of Charity Act 2011 ("the Act")

I report in respect of my examination of the PCC's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145 (5) (b) of the Act.

Independent examiner's report

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the PCC as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) regulations 2008 other than any requirement that the accounts give a "true and fair" view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
