

Annual Report for  
Attleborough 2013 Lions club

This year has been an extremely quiet year Due to Covid 19.

We have been unable to carry out any of our usual events due to Covid. Although we have still managed to give out a couple of donations this year, these were to charities who are close to our members hearts, who also help people within our local community.

We are very hopeful that next year we will be back to more fundraising and being able to help more people in our community
